# MEMORANDUM OF UNDERSTANDING

The Deputy Sheriff's Association (DSA) and representatives of the County of San Mateo have met and conferred in good faith regarding wages, hours and other terms and conditions, have exchanged freely information, opinions and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees. This Memorandum of Understanding (MOU) is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500 et seq) and has been jointly prepared by the parties. This MOU shall be presented to the County Board of Supervisors and, if appropriate, to the Civil Service Commission as the joint recommendations of the undersigned for salary and employee benefit adjustments for the period commencing June 15, 1999 and ending January 7, 2012.

**Coverage** - This Memorandum of Understanding for the Law Enforcement Unit shall be effective only for employees in the classifications of Deputy Sheriff, Deputy Sheriff Trainee, Sheriff's Correctional Officer and District Attorney Inspector.

## **Section 1. Recognition**

The Deputy Sheriff's Association, hereinafter referred to as the "DSA", is the recognized employee organization for the Law Enforcement Unit, certified pursuant to Resolution No. 38586, adopted by the Board of Supervisors on May 16, 1978.

## **Section 2. Union Security**

### 2.1 Dues Deduction

The DSA may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the County Controller. Dues deduction shall be made only upon signed authorization from the employee upon a form furnished by the County, and shall continue: (1) until such authorization is revoked, in writing, by the employee; or (2) until the transfer of the employee to a unit represented by another employee organization. Employees may authorize dues deductions only for the organization certified as the recognized employee organization of the unit to which such employees are assigned.

If, after all other involuntary and insurance premium deductions are made in any pay period, the balance is not sufficient to pay the Union dues, agency fee, or charity fee required by this Section, no such deduction shall be made for the current pay period.

The Union shall indemnify, defend, and save the County harmless against any and all claims, demands, suits, orders, or judgments, or other forms of liability that arise out of or by reason of this union security Section, or action taken or not taken by the County under this Section. This includes, but is not limited to, the County's attorney's fees and costs.

The County shall hand out agreed upon Union materials along with the Agency Shop forms.

### 2.2 Communications with Employees

The DSA shall be allowed by County departments in which it represents employees use of available bulletin board space for communications having to do with official union business, such as times and places of meetings, provided such use does not interfere with department

needs. DSA may distribute materials to unit employees through County mail distribution channels if approved by the EPS Director. This privilege may be revoked in the event of abuse after the Director consults with DSA representatives. Any DSA representative shall give the Department Head or his/her representative at least twenty-four hours advance notice when contacting department employees during the duty period of the employees, provided that solicitation for membership and other internal union business shall be conducted only during the non-duty hours of all employees concerned. Prearrangement for routine contact may be made by agreement between the DSA and the department head and when made shall continue until revoked.

### 2.3 Use of County Buildings

County buildings and facilities may be made available for use by County employees or the DSA or its representatives in accordance with such administrative procedures as may be established by the County Manager or department head concerned.

### 2.4 Advance Notice

Except in cases of emergency as provided below in this subsection, the DSA, if affected, shall be given reasonable advance written notice of any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the County and shall be given the opportunity to meet with the appropriate management representatives prior to adoption. In cases of emergency when the foregoing procedure is not practical or in the best public interest, the County may adopt or put into practice immediately such measures as are required. At the earliest practical date thereafter the DSA shall be provided with the notice described in the preceding paragraph and be given an opportunity to meet with the appropriate management representatives.

## **Section 3. Union Representatives**

County employees who are official representatives of the DSA shall be given reasonable time off with pay to meet and confer or consult with management representatives or to be present at hearings where matters within the scope of representation are being considered. The use of official time for this purpose shall be reasonable and shall not interfere with the performance of County services as determined by the County. Such representatives shall submit written requests for excused absences to Employee Relations at least two working days prior to the scheduled meeting whenever possible. Except by agreement with Employee Relations, the number of employees excused for such purposes shall not exceed three at any one time. If any employee's request for excused absence is not approved, such disapproval shall be subject to appeal to the County Manager whose decision shall be final.

## **Section 4. County Rights**

Except where modified by this MOU, the County retains the exclusive right to determine the methods, means and personnel by which County government operations are to be conducted; to determine the mission of each of its departments, boards and commissions; to set standards of service to be offered to the public; to administer the Civil Service system; to classify positions; to add or delete positions or classes to or from the salary ordinance; to establish standards for employment, promotion and transfer of employees; to direct its employees; to take disciplinary action for proper cause; to schedule work; and to relieve its employees from duty because of lack of work or other legitimate reasons. The exercise of

County rights does not preclude employees or the DSA from consulting or raising grievances on decisions which affect wages, hours and other terms and conditions of employment. The County reserves the right to take whatever action may be necessary in an emergency situation; however, the DSA, if affected by the action, shall be promptly notified. The EPS Director shall, on request of either party, refer questions regarding the interpretation of this Section which cannot be resolved between employee and management representatives to either the Board of Supervisors or the Civil Service Commission for hearing and final determination, depending on which body has authority over the matter in dispute. In no event shall such dispute be subject to the grievance procedure of this MOU.

### **Section 5. No Discrimination**

There shall be no discrimination because of race, creed, color, national origin, sex, or legitimate employee organization activities against any employee or applicant for employment by the DSA, the County, or anyone employed by the County. To the extent prohibited by applicable state and federal law there shall be no discrimination because of age. There shall be no discrimination against any handicapped person solely because of such handicap unless that handicap prevents the person from meeting the minimum standards established.

### **Section 6. Salaries**

6.1 On or before the first Monday in April in each year, commencing in the calendar year 2001, and ending in the calendar year 2011, the representatives of the County and the representatives of the Deputy Sheriff's Association shall jointly certify to the Board of Supervisors the highest pay rate in effect as of January 31 of that year for deputy sheriffs in the counties of Alameda, Contra Costa, Marin, Napa, San Francisco, Santa Clara, Solano and Sonoma. The terms "pay", "rates of pay", and "pay rates" are hereby defined and intended to include the maximum rate of base pay provided in each of the above jurisdictions for deputy sheriff positions equating to the classification of Deputy Sheriff in the County of San Mateo. Unresolved disputes regarding the interpretation or application of this paragraph shall be resolved by submission to a jointly chosen, neutral arbitrator whose decisions shall be final and binding on the parties and shall be submitted to the Board of Supervisors. The Board of Supervisors shall thereupon fix the rates of pay of the classification of Deputy Sheriff at 1% above the highest pay rate specified in this paragraph or increase the rate of pay by at least 3% whichever is higher. Such rates of pay shall be fixed to be effective as of the first day of the first full pay period in January of each year commencing in the calendar year 2001.

Salary increases for the classification of Sheriff's Correctional Officer shall be the same percentage as that of Deputy Sheriffs, as described above, effective the first day of the first full pay period in January of each year commencing in the calendar year 2001 and ending in January, 2005. Effective January 2006, the annual salary increase for the classification of Sheriff's Correctional Officer shall be one-half percent (0.5%) less than the annual salary increase for Deputy Sheriffs.

For Correctional Officers hired on or after April 24, 2005, a new salary structure will be established. One new beginning step will be added below the current "A" step and the top step will be the current "D" step.

Salary increases for the classification of District Attorney Inspector shall be effective the first full pay period in January of each year commencing in the calendar year 2001. Such salary increases shall be the same percentage as that of Deputy Sheriffs, as described above.

6.2 Experience Pay

In addition to the salary provisions described in Section 6.1 above, employees in the classifications of Deputy Sheriff, Sheriff's Correctional Officer and District Attorney Inspector shall receive experience pay at the following rates:

- 2% at the beginning of the 12<sup>th</sup> year
- 3% at the beginning of the 15<sup>th</sup> year
- 4% at the beginning of the 18<sup>th</sup> year
- 5% at the beginning of the 20<sup>th</sup> year

Such experience pay shall be paid bi-weekly, beginning on the first full pay period after the above periods of service with the County of San Mateo, for the classification of Deputy Sheriff and District Attorney Inspector based on total years of California Peace Officers Standards and Training (POST) qualified peace officer experience service for the County of San Mateo and/or on total years of qualified California correctional officer experience service for the County of San Mateo. Such experience pay shall be paid bi-weekly, beginning on the first full pay period after the above periods of service, for the classification of Sheriff's Correctional Officer based on total years of qualified California correctional officer experience service for the County of San Mateo. This experience pay shall be calculated as the above stated percentage of the employee's current step base pay. Base pay shall be defined as the base salary listed in the County salary schedules and shall not include employer pick up of the employee's retirement contribution, or any differentials or premium pays.

6.3 Except as herein otherwise provided, the entrance salary for a new employee entering County service shall be the minimum salary for the class to which appointed. When circumstances warrant, the EPS Director may, upon recommendation of the department head, approve an entrance salary which is more than the minimum salary. The EPS Director's decision shall be final. Such a salary may not be more than the maximum salary for the class to which that employee is appointed unless such salary is designated as a Y rate by the Board of Supervisors.

6.4 Permanent and probationary employees serving in regular established positions shall be considered by the appointing authority on their salary anniversary dates for advancement to the next higher step in the salary schedule for their respective classes as follows. All increases shall be effective at the beginning of the next full payperiod.

- (1) After completion of 1040 regular hours satisfactory service in Step A of the salary schedule, and upon recommendation of the appointing authority, the employee shall be advanced to the next higher step in the salary schedule for the class. If an employee is appointed at a step higher than the first step of the salary range for that class, the first merit increase shall be after completion of 2080 regular hours of satisfactory service.

- (2) After completion of 2080 regular hours satisfactory service in each of the salary steps above A, and upon recommendation of the appointing authority, the employee shall be advanced to the next higher step in the salary schedule for the class until the top of the range is reached.
- (3) If an employee completes the 1040 or 2080 hours in the middle of a pay period, the employee shall be eligible for an increase as follows:
  - if the merit increase period is completed during the first week of a payperiod the increase will be made effective the start of the then current pay period.
  - if the merit increase period is completed during the second week of a payperiod the increase will be made effective with the start of the next period.
- (4) Upon the recommendation of the appointing authority and approval by the EPS Director, employees may receive special merit increases at intervals other than those specified in this Section. The EPS Director's decision shall be final.

6.5 Employees shall be considered for salary step increases according to the date of their appointment or the revised salary adjustment hours balance. Changes in employees' salary because of promotion, upward reclassification, postponement of salary step increase or special merit increase will set a new salary adjustment hours balance for that employee, which balance shall be as stated in the preceding paragraph.

Employees who are rejected during the probationary period and revert to their former class shall return to the salary adjustment hours balance held in the former class unless otherwise determined by the EPS Director. The salary adjustment hours balance for an employee shall not be affected by a transfer, downward reclassification or a demotion.

A permanent employee accepting provisional employment in a higher or different class in the County Classified Service, who reverts to the former class, shall retain the salary adjustment hours balance in the former class on the same basis as if there had been no such provisional appointment.

Salary range adjustments for a class will not set a new salary adjustment hours balance for employees serving in that class.

Upon recommendation of the appointing authority and approval of the EPS Director provisional, temporary, seasonal and extra help employees shall be advanced to the next higher step in the salary schedule upon completion of the periods of service prescribed in this Section, provided that their service has been satisfactory. Also, upon recommendation of the appointing authority and approval by the EPS Director, continuous service in a provisional, temporary, or extra help capacity shall be added to service in a regular established position for purposes of determining an employee's salary adjustment hours balance, eligibility for salary increases, and vacation and sick leave accrual. However, such service may not be added if it preceded a period of over twenty-eight consecutive calendar

days during which the employee was not in a pay status, except when the employee is absent due to an injury or disease for which he/she is entitled to and currently receiving Worker's Compensation benefits.

6.6 Salary Step When Salary Range Is Revised

Whenever the salary range for a class is revised, such incumbent in a position to which the revised schedule applies shall remain at the step in the previous range, unless otherwise specifically provided by the Board of Supervisors.

6.7 Salary Step After Promotion or Demotion

When an employee is promoted from a position in one class to a position in a higher class and at the time of promotion is receiving a base salary equal to or greater than the minimum base rate for the higher class, he/she shall be entitled to the next step in the salary schedule of the higher class which is at least one step above the rate he/she has been receiving, except that the next step shall not exceed the maximum salary of the higher class. When an employee is demoted, voluntarily or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted, and the specific rate of pay within the range shall be determined by the EPS Director, whose decision shall be final; provided, however, that the Board of Supervisors may provide for a rate of pay higher than the maximum step of the schedule for the employee's class, and designate such rate of pay as a Y rate.

6.8 Reclassification of Position

An employee in a position reclassified downward shall have the right to either (1) transfer to a vacant position in their present class in the same or another department, provided the head of the department into which the transfer is proposed agrees, or (2) continue in the same position in the lower class at a "Y" rate of pay when their pay is higher than the maximum step of the salary range for the lower class.

6.9 "Y" Rate Process

When an employee is reclassified downward, he/she shall continue in his/her present salary range, with cost of living adjustments, for two years, at which point the employee's salary shall be frozen ("Y" - rated) until the salary assigned to the lower class equals or exceeds such "Y" rate. The "Y" rate provisions of this Section shall not apply to layoffs, demotions, or other personnel actions resulting in an incumbent moving from one position to another.

6.10 Salary Step Defined

For purposes of salary administration in this contract a step is defined as 5.74%.

**Section 7. Days and Hours of Work**

The standard workweek for employees occupying full-time positions consists of 40 hours unless otherwise specified by the Board of Supervisors. The appointing authority shall fix the hours of work with due regard for the convenience of the public and the laws of the State and County. Employees occupying part-time positions shall work such hours and schedules as the Board and the appointing authority shall prescribe. Except as hereinafter provided, County offices shall be open for business from 8:00 a.m. to 5:00 p.m. every day except Saturdays, Sundays and holidays. With the County Manager's approval, department heads

may make such changes to the schedule of office hours as public convenience or necessity may require.

## **Section 8. Overtime**

### **8.1 Authorization**

All compensable overtime must be authorized by the appointing authority or designated representative prior to being worked. If prior authorization is not feasible due to emergency conditions, a confirming authorization must be made on the next regular working day following the date on which the overtime was worked. Overtime worked must be in the job class in which the person is regularly employed or in a class for which the employee is authorized higher pay for work in a higher class.

### **8.2 Definition**

Except as otherwise provided by Charter, or as defined herein, any authorized time worked in excess of a 40 hour weekly work schedule shall be considered overtime and shall be compensable at the rate of one and one-half times the overtime worked whether compensated by monetary payment or by the granting of compensatory time off. Extra help shall be paid at the overtime rate after having worked 40 hours during their normal workweek, which is a fixed and regularly recurring period of 7 consecutive 24-hour periods.

For employees on a 12-hour shift schedule in classes permitted by the Fair Labor Standards Act, overtime shall be defined as hours worked in excess of 168 hours in a 28 day period.

For purposes of determining eligibility for overtime compensation, any absence with pay, except sick leave, shall be considered as time worked. Sick leave will be considered as time worked under the following conditions:

- The potential overtime hours occur due to the employee being called into work while officially assigned to be in an On-Call status. For example, the employee uses 8 hours of sick leave on Monday and is called into work from an On-Call status on Wednesday night and works 4 hours outside the regular shift. In this case, the employee will code 8 hours of sick leave on Monday and 4 hours of overtime on Wednesday.
- The potential overtime hours occur due to the employee being ordered or mandated to work the additional hours when not in an On-Call status. For example, the employee uses 8 hours of sick leave on Monday and is called on Wednesday night and ordered to report to work for 4 hours outside the regular shift. In this case, the employee will code 8 hours of sick leave on Monday and 4 hours of overtime on Wednesday.

Sick leave will not be considered as time worked under other circumstances. For example:

- If the employee is not in an On-Call status and is not ordered or mandated to work the additional hours, sick leave used in that overtime calculation period shall not be considered as time worked for the purpose of eligibility for overtime compensation. For example, an employee calls in sick for an 8-hour shift on Monday. The employee is not scheduled to work a regular shift on Wednesday, but has either previously signed up for 8 hours of voluntary overtime for that day, or is called at home and is asked to work an 8 hour shift

that day and agrees to do so voluntarily. In this case, the employee would code no sick leave for Monday, but would, instead, code 8 hours of straight time for Wednesday. There would be no overtime and no deduction from sick leave balances.

The smallest increment of working time that may be credited as overtime is 6 minutes. Portions of 6 minutes worked at different times shall not be added together for the purpose of crediting overtime.

### 8.3 Work Groups

The EPS Director shall allocate all job classes to the following described work groups for purposes of determining categories of employees to be compensated by monetary payment or comp time off. The Director's decision shall be final; provided that prior to changing the work group of an existing class covered by this MOU the Director shall notify the Union of the contemplated change and if requested, discuss with the Union the reasons for the work group change.

(1) Work Group 1: Employees in Work Group 1 are covered by the Fair Labor Standards Act (FLSA) and may be compensated for overtime worked either by monetary payment or by compensatory time off, at the option of the employee. Comp time which accrues in excess of 80 hours must be liquidated by monetary payment. All monetary payments for overtime must be paid not later than the next biweekly payroll following the pay period in which the overtime was worked. Should the County through some future Federal ruling be exempted from FLSA, the County shall revert to the base rate for the computation of overtime.

8.4 Employees not in an on-call status required to report back to work during off-duty hours shall be compensated for a minimum of 3 hours. Employees in an on-call status required to report back to work during off-duty hours shall be compensated for a minimum of 2 hours.

### 8.5 Compensatory Time Off

Utilization of compensatory time off shall be by mutual agreement between the department head and the employee. Accrued comp time must be used by employees in Work Group 2 prior to retirement or termination; otherwise, it shall be forfeited. The smallest increment of comp time which may be taken off is 6 minutes.

8.6 Employees who are regularly scheduled to work a biweekly overtime schedule will not receive overtime if they are receiving vacation or sick leave pay for the entire biweekly pay period during the time when the regularly scheduled overtime falls.

## **Section 9. Shift Differential**

9.1 Shift differential pay, for the purpose of this Section, is defined as pay at a rate which is one step above the employee's base pay in the salary range for his/her class. If the base pay is at the top step, shift differential pay shall be computed at one step above such base pay.

9.2 Employees shall be paid shift differential for all hours so worked between the hours of 6:00 p.m. and 6:00 a.m.

## **Section 10. Application of Differential**

For employees who have been:

- (1) regularly working a shift described in Section 9, and/or
- (2) assigned to and regularly working a special job assignment enumerated in Exhibit B of this Memorandum, and/or
- (3) eligible for and receiving Career Incentive Allowance for Law Enforcement Officers as provided in Section 14,

for 30 or more calendar days immediately preceding a paid holiday, the commencement of a vacation, paid sick leave period, or comp time off, as the case may be the applicable differential shall be included in such employee's holiday pay, vacation pay, paid sick leave or paid comp time. The vacation, sick leave, holiday and comp time off pay of an employee on a rotating shift shall include the differential such employee would have received had he/she been working during such period.

## **Section 11. On-Call Duty**

When warranted and in the interest of County operations, the department head may assign employees to "on-call" status. Employees shall be paid an hourly rate of \$2.60 for time in which they are required to be in an on-call status. Employees receiving callback pay shall not be entitled to on-call pay simultaneously.

## **Section 12. Bilingual Pay**

A salary differential of \$42.50 biweekly shall be paid incumbents or positions requiring bilingual proficiency as designated by the appointing authority and EPS Director. Said differential shall be prorated for employees working less than full-time or who are in an unpaid leave of absence status for a portion of any given pay period. Designation of positions for which bilingual proficiency is required is the sole prerogative of the County and the decision of the EPS Director is final. The Union shall be notified when such designations are made.

## **Section 13. Tuition Reimbursement**

Employees may be reimbursed for tuition and related fees paid for taking courses of study in an off-duty status if the subject matter content is closely related to present or probable future work assignments. Limits to the amount of reimbursable expense may be set by the EPS Director with the County Manager's concurrence. There must be a reasonable expectation that the employee's work performance or value to the County will be enhanced as a result of the course. Courses taken as part of a program of study for a college undergraduate or graduate degree will be evaluated individually for job relatedness under the above-described criteria. The employee must both begin and successfully complete the course while employed by the County.

Employees must apply on the prescribed form with all information needed to evaluate the request to their department head who shall recommend approval or disapproval and forward

the request to the EPS Director whose decision shall be final. To be reimbursed the application must have been approved before enrolling in the course. If a course is approved and later found to be unavailable, a substitute course may be approved after enrollment. Upon completion of the course the employee must submit a request for reimbursement accompanied by a copy of the school grade report or a certificate of completion to the EPS Department who shall, if the employee satisfactorily completes the course, forward it to the Controller for payment. Reimbursement may include the costs of tuition and related fees, but may not include costs of books or materials which become the property of the employee.

#### **Section 14. Career Incentive Allowance for Law Enforcement Officers**

Employees in the classes of Deputy Sheriff, and District Attorney's Inspector who have successfully completed a probationary period of one of those classes and hold permanent status, shall be eligible to receive an incentive equating to 2.5% of base pay per biweekly pay period in addition to all other compensation if they possess the intermediate Peace Officers Standards and Training (POST) Certificate, or 7.5% of base pay per biweekly pay period if they possess the Advanced POST Certificate issued by the Commission of Peace Officer Standards and Training of the California State Department of Justice. These incentives will apply to Sheriff's Correctional Officers who possess the POST recognized equivalencies for the intermediate and advanced certificates. The permanent status requirement shall not apply to probationary employees who have laterally transferred to San Mateo County positions from other jurisdictions.

#### **Section 15. Layoff and Reemployment**

##### 15.1 Notice of Layoff

The department head will give at least 14 days advance written notice to employees to be laid off unless a shorter period of time is authorized by the EPS Director.

##### 15.2 Precedence by Employment Status

No permanent employee shall be laid off while employees working in an extra help, seasonal, temporary, provisional or probationary status are retained in the same class unless that employee has been offered the extra help, seasonal, temporary or provisional appointment. The order of layoff among employees not having permanent status shall be according to the following categories:

- (1) Extra help or seasonal
- (2) Temporary
- (3) Provisional
- (4) Probationary

Layoffs shall be by job class according to reverse order of seniority as determined by total continuous County civil service, except as specified above.

The following provisions shall apply in computing total continuous service:

- (1) Time spent on military leave, leaves to accept temporary employment outside the County government and leave to accept a position in the unclassified service shall count as County service.

- (2) Periods of time during which an employee is required to be absent from his/her position due to an injury or disease for which he/she is entitled to and currently receiving Worker's Compensation benefits shall be included in computing length of service for purposes of determining seniority rights.
- (3) Time worked as an extra help or seasonal shall not count as County service.
- (4) Time worked in a permanent, probationary, provisional or temporary status shall count as County service. Part-time status shall count at the rate of one year of continuous employment for each 2080 straight-time hours worked.

If two or more employees have the same seniority, the examination scores for their present classes shall determine seniority.

### 15.3 Procedures

- (1) Employees who are laid off shall have any of the following three choices:
  - (a) Taking a voluntary demotion within the same department to a class in which the employee had prior probationary or permanent status provided such a position is held by an employee with less seniority.
  - (b) On a Countywide basis, displacing the employee in the same class having the least seniority in County service. For the purpose of such Countywide move, County service, including military leave, shall be allowed at the rate of two-thirds of the actual time so served.
  - (c) On a County-wide basis, taking a voluntary demotion to a class in which they had prior probationary or permanent status provided such a position is held by an employee with less seniority. For the purpose of such Countywide move, County service, including military leave, shall be allowed at the rate of two-thirds of the actual time so served.
- (2) Displaced employees may request the EPS Director to place their name on the promotional eligible list or open eligible list for any class for which, in the Director's opinion, the employee is qualified. The employee's name will be above the names of persons who have not been displaced, ranked in the order specified in subsection 15.2.
- (3) Pursuant to the Civil Service Rules, an employee may with the approval of the EPS Director and the gaining department head demote or transfer to a vacant position for which he/she possesses the necessary skills and fitness.
- (4) At the sole discretion of the EPS Director, an employee may be allowed to transfer and displace a less senior employee in a position in which he/she had prior probationary or permanent status and which the Director determines is equivalent

with respect to duties and responsibilities to the position the employee presently occupies.

- (5) A transfer is defined as a change from one position to another in the same class, the salary range of which is not more than 10.0% higher.
- (6) Part-time employees shall not displace full-time employees, unless the part-time employee has held full-time status in the class.
- (7) In addition to all other options, employees in classes at risk of being eliminated, as determined by the affected department head, may also be placed on the reinstatement list.

15.4 Names of Employees Laid Off to be Placed on Re-employment and General Eligible Lists:  
The names of employees laid off shall be placed on re-employment eligible lists as hereinafter specified. Former employees appointed from a re-employment eligible list shall be restored all rights accrued prior to being laid off, such as sick leave, vacation credits and credit for years of service. However, such reemployed employees shall not be eligible for benefits for which they received compensation at the time of, or subsequent to, the date they were laid off.

The departmental reemployment eligible list for each class shall consist of employees and former employees with probationary or permanent status who were laid off or whose positions were reclassified downward. The rank order on such lists shall be determined by relative seniority as specified in section 15.2. Such lists shall take precedence over all other eligible lists in making certifications to the department in which the employee worked. The general reemployment eligible list for each class shall consist of employees and former employees with probationary or permanent status who were laid off or whose positions were reclassified downward. The rank order on such lists shall be determined by relative seniority. Such lists shall take precedence over all other eligible lists, except departmental reemployment eligible lists, in making certifications on a Countywide basis.

The provisions of this subsection 15.4 shall not apply to employees who have accepted severance pay upon termination of employment.

15.5 Abolition of Position  
The provisions of Section 15 shall apply when an occupied position is abolished resulting in a classified employee losing status in his/her assigned class in his/her assigned department.

## **Section 16. Severance Pay**

If an employee's position is abolished and he/she is unable to displace another County employee as provided in Section 15, he/she shall receive reimbursement of 50% of the cash value of his/her unused sick leave; provided that such employee shall be eligible for reimbursement only if he/she remains in the service of the County until his/her services are no longer required by the department head. The County shall make every effort to secure comparable employment for the displaced employee in other agencies, and if such employment is secured, he/she will not be entitled to the aforementioned reimbursement.

## **Section 17. Holidays**

17.1 Regular full-time employees in established positions shall be entitled to take all authorized holidays at full pay, not to exceed eight hours for any one day, provided they are in a pay status on both their regularly scheduled workdays immediately preceding and following the holiday. Part-time employees shall be entitled to holiday pay in proportion to the percentage of full-time hours worked during the biweekly pay period which includes a holiday; e.g., if a part-time employee works 50% of the full-time hours in a pay period, the employee shall be paid for one-half for each holiday falling within that pay period.

17.2 The holidays in this County are:

- (1) January 1 (New Years Day)
- (2) Third Monday in January (Martin Luther King, Jr.'s Birthday)

- (4) Third Monday in February (Washington's Birthday)
- (5) Last Monday in May (Memorial Day)
- (6) July 4 (Independence Day)

If the Legislature or the Governor appoints a date different from the one shown above for the observance of one of these holidays, then San Mateo County shall observe the holiday on the date appointed by the Legislature or the Governor.

17.3 If one of the holidays listed above falls on Sunday and the employee is not regularly scheduled to work that day, the employee's first regularly scheduled workday following the holiday shall be considered a holiday.

17.4 If any of the above holidays falls on a day other than Sunday and an employee is not regularly scheduled to work that day, or if an employee is required to work on a holiday, he/she shall be entitled to equivalent straight time off with pay. This equivalent straight time off is limited to 120 hours with any time earned in excess of 120 hours cashed out at the equivalent straight time rate. If an employee leaves County service with accrued hours, those hours will be cashed out. If, however, the department head determines, in his/her sole discretion, that in the case of an employee in Work Group 1 the requirements of the service make it not feasible to add equivalent straight time to the employee's vacation accumulation, the employee shall be paid for the holiday on the basis of straight time but not to exceed eight hours for any one holiday.

- 17.5 Extra help are not entitled to holiday pay or time off with pay in lieu of pay.
- 17.6 Employees working more than their regularly scheduled shift on a holiday shall be compensated for such excess time as provided in Section 8, Overtime.

## **Section 18. Vacations**

### 18.1 Vacation Allowance

Employees, excluding extra help or as herein otherwise provided, shall be entitled to vacation with pay in accordance with the following schedules. Such accrual shall be pro-rated for any employees, except extra help, who work less than full-time during a pay period.

- (2) After the completion of 5 years of continuous service, vacation will be accrued at the rate of 4.9 hours per biweekly pay period worked.
- (3) After the completion of 10 years of continuous service, vacation will be accrued at the rate of 5.9 hours per biweekly pay period worked.
- (4) After the completion of 15 years of continuous service, vacation will be accrued at the rate of 6.5 hours per biweekly pay period worked.
- (5) After the completion of 20 years of continuous service, vacation will be accrued at the rate of 6.8 hours per biweekly pay period worked.
- (6) After the completion of 25 years of continuous service, vacation will be accrued at the rate of 7.4 hours per biweekly pay period worked.
- (7) No employee may carry an accumulation of more than 52 payperiods' vacation accrual at any one time. However, employees may accrue unlimited vacation time in excess of the maximum when such vacation accrues due to remaining in a pay status during periods of illness or injury which precluded liquidating vacation credits earned in excess of the maximum allowed.
- (8) No vacation will be permitted prior to the completion of 13 full biweekly pay periods of continuous service.
- (9) Vacation may be used in increments of 6 minutes.
- (10) Extra help do not accrue vacation credits, except that the service of an employee in an extra help capacity may be included with service in a regular established position in computing vacation allowance for the purpose of this Section. However, such service in an extra help or seasonal capacity may not be included if it preceded a period of over 30 days during which the employee was not in a pay status.

18.2 Vacation Schedule

The time at which employees shall be granted vacation shall be at the discretion of the appointing authority. Length of service and seniority of employees shall be considered in scheduling vacations and in giving preference as to vacation time.

18.3 Vacation Allowance for Separated Employees

When an employee is separated from County service any remaining vacation allowance shall be added to the final compensation.

18.4 Vacation Pay

Payment for vacation shall be at the base pay of the employee plus applicable differential, if any, as provided in Section 10.

**Section 19. Sick Leave**

19.1 Accrual

All employees, except extra help or seasonal, shall accrue sick leave at the rate of 3.7 hours for each biweekly pay period of full-time work. Such accrual shall be pro-rated for employees, except extra help or seasonals, who work less than full-time during a pay period. For purposes of this Section absence in a pay status shall be considered work.

19.2 Usage

Employees are entitled to be paid for sick leave used, to a maximum of the time accrued, under the following conditions:

- (1) The employee's illness, injury or exposure to contagious disease which incapacitates him/her from performance of duties. This includes disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery therefrom as determined by a licensed physician, or, under the Kaiser plan, a licensed health care professional.
- (2) The employee's receipt of required medical or dental care or consultation.

- (4) The employee's preparation for or attendance at the funeral of a member of the immediate family.

For this section immediate family means parent, spouse, domestic partner, son, daughter, sibling, mother-in-law, father-in-law, grandparents or grandchildren.

19.3 Procedures for Requesting and Approving Sick Leave

When the requirement for sick leave is known to the employee in advance of the absence, he/she shall request authorization for sick leave at such time, in the manner hereinafter

specified. In all other instances the employee shall notify his/her supervisor as promptly as possible by telephone or other means. Before an employee may be paid for the use of accrued sick leave, he/she shall complete and submit to his/her department head a signed statement, on a prescribed form, stating the dates and hours of absence and such other information as is necessary for the request to be evaluated. If an employee does not return to work prior to the preparation of the payroll, other arrangements may be made with the approval of the department head and the Controller.

The department head may require a physician's statement from an employee who applies for sick leave or make whatever investigation into the circumstances that appears warranted before taking action on the request.

19.4 Accounting for Sick Leave

Sick leave may be used in increments no smaller than 6 minutes. Payment for sick leave used shall be at the employee's base pay plus applicable differential, if any, as provided in Section 10.

19.5 Credits

When an employee who has been working in a seasonal or extra help category is appointed to a permanent position he/she may receive credit for such extra help or seasonal period of service in computing accumulated sick leave, provided that no credit shall be given for service preceding any period of more than twenty-eight consecutive days in which an employee was not in a pay status.

If an employee who has unused sick leave accrued is laid off and subsequently reemployed in a permanent position, such sick leave credits shall be restored upon reemployment. No portion of sick leave credits for which an employee received compensation at the time of or subsequent to the day of layoff shall be restored.

19.6 Incapacity to Perform Duties

If the appointing authority has been informed through a doctor's report of a medical examination that an employee is not capable of properly performing his/her duties, he/she may require the employee to absent himself/herself from work until the incapacity is remedied. During such absence the employee may utilize any accumulated sick leave, vacation, holiday and compensatory time.

19.7 Use of Sick Leave While on Vacation

An employee who is injured or becomes ill while on vacation may be paid for sick leave in lieu of vacation provided that the employee: (1) was hospitalized during the period for which sick leave is claimed, or (2) received medical treatment or diagnosis and presents a statement indicating illness or disability signed by a physician covering the period for which sick leave is claimed, or (3) was preparing for or attending the funeral of a member of the immediate family. No request to be paid for sick leave in lieu of vacation will be considered unless such request is made and the above substantiation is provided within the pay period during which the employee returns to work.

19.8 Sick Leave During Holidays

Paid holidays shall not be considered as part of any period of sick leave, unless the employee is scheduled to work on that holiday.

#### 19.9 Catastrophic Leave

Leave credits may be transferred from one or more donating employees to another receiving employee under the following conditions:

The receiving employee is a permanent full or part-time employee whose participation has been approved by his/her department head;

The receiving employee or the receiving employee's spouse/domestic partner or direct family member has sustained a life threatening or debilitating illness, injury or condition. (The Department Head may require that the condition be confirmed by a doctor's report);

- (3) The receiving employee has or will have exhausted all paid time off;
- (4) The receiving employee must be prevented from returning to work for at least 30 days and must have applied for a medical leave of absence.

#### Transferring Time

Vacation and holiday time may be transferred by employees in all work groups. Comp time may be transferred only by employees in work groups 1, 4, and 5. Sick leave may be transferred at the rate of one hour of sick leave for every four hours of other time (i.e., holiday, vacation, or comp time). Donated time will be converted from the type of leave given to sick leave and credited to the receiving employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee. Donations must be a minimum of 8 hours and thereafter in whole hour increments. The total leave credits received by the employee shall normally not exceed three months; however, if approved by the department head, the total leave credits received may be up to a maximum of one year.

Donations shall be made on a Catastrophic Leave Time Grant form signed by the donating employee and approved by the receiving employee's department head. Once posted, these donations are irrevocable except in the event of the untimely death of a Catastrophic Leave recipient, in which event, any excess leave will be returned to donating employees on a last in-first out basis (i.e., excess leave returned to the last employee(s) to have donated).

#### Appeal Rights

Employees denied participation in the program by the department head may appeal to the EPS Director and the County Manager whose decision shall be final.

### **Section 20. Leaves of Absence**

#### 20.1 General

Employees shall not be entitled to leaves of absence as a matter of right, but only in accordance with the provisions of law and the County Ordinance Code. Unless otherwise provided, the granting of a leave of absence also grants to the employee the right to return to a position in the same or equivalent class, in the same department as held at the time the

leave was granted. The granting of any leave of absence shall be based on the presumption that the employee intends to return to work upon the expiration of the leave. However, if a disability retirement application has been filed with the County Board of Retirement a leave may be granted pending decision by that Board. Nothing in this Section 20 shall abridge an employee's rights under the Family and Medical Leave Act.

**Total Period of Leave:** Except for Disability Leaves as provided above and in Section 20.4 (2) (c), no leave of absence or combination of leaves of absence when taken consecutively, shall exceed a total period of 26 biweekly pay periods.

**Approval and Appeals:** Initial approval or disapproval of any leave of absence shall be by the department head; leaves of absence of more than 2 biweekly pay periods must also be approved by the EPS Director. Denials in whole or in part at the department head level may be appealed to the EPS Director whose decision shall be final.

20.2 Benefit Entitlement

Employees on leaves of absence without pay for more than one month shall not be entitled to payment by the County of their health, dental, life or long term salary continuation insurance premiums, except as provided hereinafter. Entitlement to County payment of premiums shall end on the last day of the month in which the employee was absent one full calendar month. An employee granted a leave of absence without pay due to his/her illness or accident shall be entitled to have one month's insurance premiums paid by the County for each year of County service, or major fraction thereof, to a maximum of 12 months payment of premiums.

20.3 Seniority Rights and Salary Adjustments

Authorized absence without pay for either: (1) a leave of absence for personal reasons; (2) a leave of absence on account of illness or injury not compensated through Worker's Compensation benefits; or (3) a leave of absence to fill an unexpired term in an elective office shall not be included in determining salary adjustment rights or any seniority rights based on length of employment.

20.4 Job Incurred Disability Leave

(1) Job Incurred Disability Leave With Pay

(A) Definition: Disability leave with pay is an employee's absence from duty with pay due to disability caused by illness or injury arising out of and in the course of employment which has been declared compensable under the Workers' Compensation Law. Only permanent or probationary employees occupying permanent positions are eligible for disability leave with pay.

(B) Payment: Payment of disability leave shall be at the base pay of the employee and shall be reduced by the amount of temporary disability indemnity received pursuant to Workers' Compensation Law.

(C) Application for and Approval of Job Incurred Disability Leave With Pay: In order to receive pay for disability leave, an employee must submit a request on the

prescribed form to the appointing authority describing the illness or accident and all information required for the department head to evaluate the request. The employee must attach a statement from a physician certifying to the nature, extent and probable period of illness or disability. No job incurred disability leave with pay may be granted until the State Compensation Insurance Fund or County Workers Compensation Adjuster has declared the illness or injury compensable under Workers Compensation Law and has accepted liability on behalf of the County, or the Workers Compensation Appeals Board has ordered benefits to be paid.

(D) Length of Job Incurred Disability Leave With Pay: Eligible Safety employees, as defined in the Government Code and in determinations made by the San Mateo County Board of Retirement, shall be entitled to disability leave for the period of incapacity as determined by a physician, but not to exceed a maximum of 26 biweekly pay periods. Holidays falling within the period of disability shall extend the maximum days allowed by the number of such holidays.

(2) Job Incurred Disability Leave Without Pay

(A) Definition: Disability leave without pay is an employee's absence from duty without County pay due to disability caused by illness or injury arising out of and in the course of employment which has been declared compensable under Workers' Compensation Law. Only permanent or probationary employees occupying permanent positions are eligible for disability leave without pay. Such leave is taken after the disabled employee has used up allowable disability leave with pay, as well as accrued credits for sick leave. At the employee's option, vacation and compensatory time off accruals may also be used.

(B) Application for and Approval of Job Incurred Disability Leave Without Pay: To receive disability leave without pay an eligible employee must submit a request on the prescribed form to the appointing authority describing the illness or accident and all information required for the appointing authority to evaluate the request. The employee must attach a physician's statement certifying to the nature, extent and probable period of illness or disability.

(C) Length and Amount of Job Incurred Disability Leave Without Pay: Job incurred disability leave without pay may not exceed a maximum of two years for eligible Safety members of the Retirement System for any one injury. The combined total of disability leave with pay and disability leave without pay for one accident or illness may not exceed this two year period. If an employee is disabled and is receiving Workers' Compensation benefits this leave may be extended as long as such disability continues.

20.5 Leave of Absence Without Pay

(1) Qualifying: Only permanent or probationary employees in permanent positions are eligible for leaves of absence without pay under this Section.

- (2) Granting of Leaves of Absence Without Pay: Appointing authorities may grant leave of absence without pay for personal reasons up to a maximum of two biweekly pay periods.
- (3) Leaves of Absence Without Pay for Non-Job Incurred Illness or Injury: Leaves of absence without pay for non-job incurred illness or injury, including disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery therefrom may be granted for a maximum of 26 full biweekly payperiods. Such leaves will be granted only after all accrued sick leave has been used and must be substantiated by a physician's statement.
- (4) Parental Leave: An employee/parent of either sex may be granted a leave of absence without pay for the purpose of fulfilling parenting responsibilities during the period of one year following the child's birth, or one year following the filing of application for adoption and actual arrival of child in the home. Such leave shall be for a maximum period of 13 biweekly pay periods. Use of accrued vacation, sick, compensatory time or holiday credits shall not be a pre-condition for the granting of such parental leave.
- (5) Leaves of Absence Without Pay for Personal Reasons: Leaves of absence without pay on account of personal reasons may be granted for a maximum period of 13 full biweekly pay periods. Such leaves shall only be granted after all accrued vacation and holiday credits have been used.

#### 20.6 Military Leaves of Absence

The provisions of the Military and Veterans Code of the State of California shall govern military leave of County employees.

#### 20.7 Absence Due to Required Attendance in Court

Upon approval by the department head, any employee, other than extra help or seasonal, shall be permitted absence from duty for appearance in Court because of jury service, in obedience to subpoena or by direction of proper authority, in accordance with the following provisions:

- (1) Absence from duty will be with full pay for each day the employee serves on the jury or testifies as a witness in a criminal case, other than as a defendant, including necessary travel time. As a condition of receiving such full pay, the employee must remit to the County Treasurer, through the employee's department head, within 15 days after receipt, all fees received except those specifically allowed for mileage and expenses.
- (2) Attendance in Court in connection with an employee's usual official duties or in connection with a case in which the County of San Mateo is a party, together with travel time necessarily involved, shall not be considered absence from duty within the meaning of this Section.
- (3) Absence from duty will be without pay when the employee appears in private litigation to which the County of San Mateo is not party.

- (4) Any fees allowed, except for reimbursement of expenses incurred, shall be remitted to the County Treasurer through the employee's department head.

20.8 Absence Without Leave

- (1) Refusal of Leave or Failure to Return After Leave: Failure to report for duty after a leave of absence request has been disapproved, revoked or canceled by the appointing authority, or at the expiration of a leave, shall be considered an absence without leave.
- (2) Absence Without Leave: Absence from duty without leave for any length of time without an explanation satisfactory to the appointing authority is cause for dismissal. Absence without leave for four or more consecutive days without an explanation satisfactory to the appointing authority shall be deemed a tender of resignation. If within thirty days after the first day of absence without leave a person makes an explanation satisfactory to the Board of Supervisors, the Board may reinstate such person.

20.9 Educational Leave of Absence With Pay

Educational leave of absence with pay may be granted to employees under the conditions specified in this Section. In order to be granted educational leave of absence with pay employees must submit on the prescribed form a request to the appointing authority containing all information required to evaluate the request. The County may, after approval of an employee's application, grant leave of absence with pay for a maximum of 65 working days during any 52 biweekly pay periods for the purpose of attending a formal training or educational course of study. Eligibility for such leaves will be limited to employees with at least 13 biweekly pay periods of continuous service and who are not extra help, temporary or seasonal. Such leaves will be granted only in cases where there is a reasonable expectation that the employee's work performance or value to the County will be enhanced as a result of the course of study. Courses taken as part of a program of study for a college undergraduate or graduate degree will be evaluated individually for job-relatedness under the above described criteria. The employee must agree in writing to continue working for the County for at least the following minimum periods of time after expiration of the leave of absence:

<u>Length of Leave of Absence</u>	<u>Period of Obligated Employment</u>
44 to 65 workdays	Fifty-two biweekly pay periods
22 to 43 workdays	Twenty-six biweekly pay periods
6 to 21 workdays	Thirteen biweekly pay periods

**Section 21. Hospitalization and Medical Care**

21.1 The County and covered employees share in the cost of health care premiums. The County will pay 90% of the total premium for the Kaiser and Aetna Plans and 80% of the total premium for the Blue Shield Plan. Covered employees will pay 10% of the total premium for the Kaiser and Aetna Plans and 20% of the total premium for the Blue Shield Plan.

21.2 For employees occupying permanent part-time positions, who work a minimum of 40, but less than 60 hours in a biweekly pay period, the County will pay one-half of the hospital and medical care premiums described above. For employees occupying permanent part-time positions who work a minimum of 60 but less than 80 hours in a biweekly pay period, the County will pay three-fourths of the hospital and medical care premiums described above. In either case cited above the County contribution shall be based on the designation by management of the position as either half-time or three-quarter time, not on the specific number of hours worked.

21.3 Unless otherwise provided in this MOU, employees whose employment with the County is severed by reason of retirement during the term of this MOU shall be reimbursed by the County for unused sick leave at time of retirement as follows:

Effective May 1, 2005, for each 8 hours of unused sick leave at time of retirement, the County shall pay for one month's premium for health, dental, and/or vision coverage for the employee and eligible dependents (if such dependents are enrolled in the plan at the time of retirement) provided that the County shall not be obligated to contribute in excess of \$640 per month (e.g., if an employee retires with 400 hours of unused sick leave, the County will continue to pay \$640 toward health, dental and/or vision premiums on said employee for a period of 50 months). Should a retired employee die while receiving benefits under this section, the employee's spouse and eligible dependents shall continue to receive coverage to the limits provided above. The \$640 amount shall be increased to \$675 effective January 1, 2006.

Employees may increase the number of hours per month to be converted up to a maximum of 14 hours of sick leave per month. Such conversion may be in one full hour increments above a minimum of eight hours (e.g., if a worker converts 12 hours at the rate applicable on or after January 1, 2006, he/she would be reimbursed \$1012.50 instead of \$675.00). The number of hours to be converted shall be set upon retirement and can be changed annually during open enrollment, or upon a change in family status that impacts the number of covered individuals (e.g., death of spouse, marriage and addition of spouse).

There is no limit or cap on the amount of accrued and unused sick leave that may be converted under this section.

21.4 The surviving spouse of an active employee who dies may, if he/she elects a retirement allowance, convert the employee's accrued sick leave to the above specified limits providing that the employee was age 55 or over with at least twenty years of continuous service.

21.5 Employees who waive all retiree medical benefits including COBRA coverage, may elect to cash out accrued sick leave, upon retirement, at the rate of \$100 for each 8 hours of sick leave. This is an irrevocable election which must be made prior to the date of retirement.

21.6 The County will include coverage for young adult dependents and domestic partners in the health plans offered by the County. Grandchildren of custodial grandparents are also considered eligible dependents on all health, dental, and vision plans, whether or not formal

adoption has occurred. This eligibility is contingent on documentation which is acceptable to the Health Plan.

- 21.7 The County will continue its practice of calculating employee contributions for health and dental premiums on a pre-tax basis consistent with Section 125 of the IRS Code.
- 21.8 Effective April 24, 2005, employees covered by this MOU shall have an amount equal to 1.6% of salary deducted from their paychecks. To the extent permitted by law, this deduction shall be made on a pre-tax basis. This deduction shall be credited to the County to be used to offset the costs of the retiree medical benefit described in Section 21.3 above.

## **Section 22. Dental Care**

- 22.1 The County shall contribute a sum equal to 90% of the premium for the County Plan and the Delta Dental Plan. All employees must participate in one of these plans.

- 22.3 There is an annual \$2,500 per person maximum benefit in the County Dental Plan.
- 22.4 Young adult dependents and domestic partners are included in the County self-funded dental plan.

## **Section 23. Vision Care**

The County shall provide vision care coverage for employees and eligible dependents including young adult dependents and domestic partners. The County will pay the entire premium for this coverage. This coverage is for Vision Service Plan (VSP) San Mateo County Plan B and entails \$10.00 co-pays for both examinations and materials.

## **Section 24. Change in Employee Benefit Plans**

- 24.1 During the term of the MOU, the County and Union shall investigate the feasibility of offering additional and/or alternate medical and/or dental plan(s).
- 24.2 The Union agrees to participate in good faith discussions concerning the County's Health Plans. Both parties agree that revisions in Health Plans or in the contribution ratio between the County and the employee may be necessary to retain an equitable relationship between the gross premium and the County/employee contribution to the premium.

## **Section 25. Life Insurance**

- 25.1 The County shall provide \$1,000 of life insurance for each employee and \$500 of life insurance for the employee's spouse and up to a maximum of \$500 of life insurance for each of the employee's children depending on age. The County shall provide an additional \$5,000 of life insurance payable to the employee's beneficiary if the employee's death results from an accident either on or off the job.

- 25.3 Employees, depending on pre-qualification, may purchase additional term life insurance to a maximum of \$250,000 for employee, \$125,000 for spouse, and \$10,000 for dependents.

## **Section 26. Uniform Allowance/Safety Equipment**

- 26.1 Employees in the Sheriff's Department who must provide their own uniform and equipment shall receive \$650.00 per annum in additional compensation to cover the cost of maintaining such uniforms and equipment; such payment shall be made on the regular pay warrant that covers each new employee's date of employment or for current employees, on the pay warrant for the first full pay period of each January. Effective January, 2006, the \$650.00 amount shall be increased to \$825.

In December, 2007 and December, 2009, the County shall conduct a survey of uniform allowances in the same 8 counties included in the annual salary survey . In January, 2008 and January, 2010, the \$825.00 uniform allowance shall be adjusted to the average of the 8 surveyed counties.

- 26.2 The County will provide bulletproof vests to department personnel consistent with departmental general order.

### 27.3 Probationary Period

Permanent employees who are promoted to a higher class shall undergo the probationary period prescribed for the higher class, but shall have the right to demote to their former class in their former department if rejected during their probationary period if a vacancy in their former class exists. If no vacancy exists, such employees shall be placed in the longest standing vacancy, as determined by the requisition form date, County wide. If no vacancy exists, such employees shall displace the least senior employee as determined by Rule XVI. If no less senior position exists, then the employee shall be removed from County service.

## **Section 28. Reallocation of Position**

Upon reclassification of filled positions, the EPS Director shall determine whether the action constitutes an upward, lateral or downward movement of the level of the position.

- (1) Downward: The incumbent will be assigned to a vacant position in the same department in the same class previously held. In lieu of reassignment, incumbents may accept a demotion in the reallocated position. If neither of these options are exercised, the lay off procedure in the Civil Service rules will be employed.
- (2) Lateral: The status of the incumbent will remain unchanged in the class to which the position is reallocated.

- (3) The temporary assignment to work out of classification which extends beyond twenty working days be approved by the EPS Director, a copy of the approval form to be given to the employee; and
- (4) A copy of the department head's written approval must be submitted in advance to EPS. If EPS does not approve pay for work in the higher class which exceeds 20 workdays, the employee will be so notified and have the opportunity to discuss this matter with the EPS Director whose decision shall be final.

### **Section 31. Probationary Period**

- 31.1 Probationary employees shall undergo a probationary period of 6 months unless a longer period is prescribed by the Civil Service Commission for their classes. Individual probationary periods may be extended with good cause upon request of the department head and concurrence of the EPS Director; however, no probationary period shall exceed 12 months except as stipulated below. If an employee is incapacitated due to medical conditions and is reassigned to work that is not part of his/her normal duties, the probation period for the primary job will be extended for the duration of the reassignment. The employee shall be notified in writing of the probationary extension at the time of the reassignment. Certain positions in the unit may have probation periods established by the Civil Service Commission of 18 months. If an employee is incapacitated due to medical conditions and is reassigned to work that is not part of his/her normal duties, the probation period for the primary job will be extended for the duration of the reassignment. If an employee is in a class that has an 18 month probation period there shall be no extension.

Time worked by an employee in a temporary, extra help, or provisional status shall not count towards completion of the probationary period. The probationary period shall start from the date of probationary appointment.

- 31.2 An employee who is not rejected prior to the completion of the prescribed probationary period shall acquire permanent status automatically. Former permanent employees

appointed from a re-employment eligible list shall be given permanent appointments when reemployed. Permanent employees who are demoted to a lower class shall be given permanent appointments in the lower class.

- 31.3 An employee who is laid off and subsequently appointed as a result of certification from a general employment eligible list to a position in a different class than that from which laid off shall undergo the probationary period prescribed for the class to which appointed. Former probationary employees whose names were placed on a reemployment eligible list before they achieved permanent status shall start a new probationary period when appointed from a reemployment eligible list.
- 31.4 The appointing authority may terminate probationary employees at any time during the probationary period without right of appeal in any manner and without recourse to the procedures provided in Section 32, except when the employee alleges the termination was due to discrimination prohibited by county, state or federal statutes or regulations. If discrimination is alleged, the appeal or grievance shall be decided solely on the basis of whether or not the termination was due to discrimination; and unless it is determined that there was discrimination, the person or persons hearing the appeal or grievance shall not substitute their judgment for that of the appointing authority. In case of rejections during probationary periods, employees shall be given written notice, with reasons therefor, at once. The EPS Director may, upon request by an employee rejected during the probationary period, restore his/her name to the eligible list for that class. However, the employee's name shall not be certified to the department from which rejected without approval of the department head.
- 31.5 Permanent employees who transfer to another position in the same class shall not be required to undergo a new probationary period in the position into which transferred. Employees who transfer to a class in another series or in another department may be required by the department head to start a new probationary period. If unsuccessful in the new probationary period, the employee will be terminated from County service. If a new probationary period is a condition for transfer, the employee must sign a statement indicating an understanding of this fact prior to the effective date of the transfer. At the discretion of the EPS Director, examinations to demonstrate qualifications may be required before transfers between separate classes can occur.

If a new probationary period is in force, the employee shall have a 28 day window period from the date of transfer to elect to return to their former position. If an employee is rejected at a point beyond the window period and he/she had prior permanent status, he/she shall have the right to return to their former department if a vacancy exists. If no vacancy exists, such employees shall be placed in the longest standing vacancy, as determined by the requisition form date, County-wide. If no vacancy exists, such employees shall displace the least senior employee as determined by Rule XVI. If no less senior position exists, the employee shall be removed from County service.

- 31.6 Probationary employees who are injured on the job and are off work receiving 4850 pay shall have any time off work in excess of 30 days added to their probation period. If an employee has not completed at least 90 days of service, the probation period will start over when the employee returns to work.

### **Section 32. Dismissal, Suspension Reduction in Step or Demotion for Cause**

The appointing authority may dismiss, suspend, reduce in step or demote any employee in the classified service provided the rules and regulations of the Civil Service Commission are followed. An employee may either appeal such dismissal, suspension or demotion to the Civil Service Commission or file a grievance in accordance with subsection 33.2. Appeal to the Civil Service Commission must be filed within the timelines established by the Commission rules. Grievances filed in accordance with subsection 33.2 must be filed within fourteen calendar days after receipt of written charges. No grievance involving demotion, suspension or dismissal of an employee will be entertained unless it is filed in writing with the EPS Director within 14 calendar days of the time at which the affected employee was notified of such action. An employee may not both appeal to the Civil Service Commission and file a grievance under subsection 33.2 of this MOU. A permanent classified employee may be dismissed, suspended or demoted for cause only.

### **Section 33. Grievances**

34.1 A grievance is any dispute which involves the interpretation or application of any provision of this MOU, excluding those provisions of this MOU which specifically provide that the decision of any County official shall be final, the interpretation or application of those provisions not being subject to the grievance procedure.

34.2 Grievances shall be processed in the following manner:

(a) Step 1. Department Head and/or the Designated Representative

Any employee who believes that he/she has a grievance may discuss his/her complaint with such management official in the department in which he/she works as the department head may designate. If the issue is not resolved within the department, or if the employee elects to submit his/her grievance directly to the Union recognized as the representative of his/her class, the procedures hereinafter specified may be invoked, provided, however, that all complaints involving or concerning the payment of compensation shall be in writing to the EPS Director.

(b) Step 2. Employee and Public Services Director

Any employee or official of the Union may notify the EPS Director in writing that a grievance exists, stating the particulars of the grievance and, if possible, the nature of the determination desired. Such notification must be received within 28 calendar days from the date of the employee's knowledge of the alleged grievance. Any grievances involving demotion, suspension or dismissal must be received within 14 calendar days of the above specified action. The EPS Director or his/her representative, who in the case of a grievance alleging discrimination shall be the Equal Employment Manager, shall have 25 workdays in which to investigate the merits of the complaint, to meet with the complainant and, if the complainant is not the Union, to meet also with Union officials, and to settle the grievance. No grievance may be processed under paragraph (c) below which has not first been filed and investigated in accordance with this paragraph (b).

(c) Step 3. Adjustment Board

If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is presented during the term of this MOU, the Union may advance the grievance to an Adjustment Board by submitting a written request to Employee Relations no later than 14 calendar days from written notice from Employee Relations that the grievance is denied at Step 2. The Adjustment Board shall be comprised of 2 representatives designated by the Union and 2 representatives designated by the County.

(d) Step 4. Arbitration

If an Adjustment Board is unable to arrive at a majority decision, either the Union or the County may require that the grievance be referred to an impartial arbitrator, if within 14 calendar days of the date upon which the Adjustment Board hearing was held, the moving party notifies the other in writing of its desire to arbitrate. The question shall be submitted to an arbitrator mutually agreed upon by the parties or, failing mutual agreement, to that arbitrator who is selected by lot from an agreed upon panel. The fees and expenses of the arbitrator and of the court reporter shall be shared equally by the Union and the County. Each party shall bear the costs of its own presentation, including preparation and post-hearing briefs, if any.

33.3 Scope of Adjustment Board and Arbitration Decisions

- (a) Decisions of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the Charter of the County.
- (b) No adjustment Board and no arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union which has been certified as the recognized employee organization for such unit and unless such dispute falls within the definition of a grievance as set forth in subsection 33.1.
- (c) Proposals to add to or change this MOU or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this MOU, nor any matter or subject arising out of or in connection with such proposals, may be referred to arbitration under this Section. Neither any Adjustment Board nor any arbitrator shall have the power to amend or modify this MOU or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.
- (d) If the EPS Director in pursuance of the procedures outlined in subsection 33.2 (b), or the Adjustment Board in pursuance of the provisions of subsection 33.2 (c) resolve a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time.

33.4 Compensation Complaints

All complaints involving or concerning payment of compensation shall be initially filed in writing with Employee Relations. Only complaints which allege employees are not being compensated in accordance with the provisions of this MOU shall be considered as

grievances. Any other matters of compensation are to be resolved in the meet and confer process if not detailed in the MOU which results from such meet and confer process shall be deemed withdrawn until the meet and confer process is next opened for such discussion. No adjustment shall be retroactive for more than 60 days from the date upon which the complaint was filed.

No change in this MOU or interpretations thereof (except interpretations resulting from Adjustment Board or arbitration proceedings hereunder) will be recognized unless agreed to by the County and the Union.

### 33.5 No Strike

The Union, its members and representatives, agree that it and they will not engage in, authorize, sanction or support any strike, slowdown, stoppage of work, curtailment of production, concerted refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound) or to perform customary duties; and neither the Union nor any representatives thereof shall engage in job action for the purpose of effecting changes in the directives or decisions of management of the County, nor to effect a change of personnel of operations of management or of employees not covered by this MOU.

### 33.6 County Charter and Civil Service Commission

- (a) The provisions of this section shall not abridge any rights to which an employee may be entitled under the County Charter, nor shall it be administered in a manner which would abrogate any power which, under the County Charter, may be within the sole province and discretion of the Civil Service Commission.
- (b) All grievances of employees in representation units represented by the Union shall be processed under this Section. If the County Charter requires that a differing option be available to the employee, no action under paragraph (b) of subsection 33.2 above shall be taken unless it is determined that the employee is not availing himself/herself of such option.
- (c) No action under Section 33.2 (b) shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.
- (d) If any award by an Adjustment Board or arbitrator requires action by the Board of Supervisors or the Civil Service Commission before it can be placed in effect, the County Manager and the EPS Director will recommend to the Board of Supervisors or the Civil Service Commission, as appropriate, that it follow such award.

### 33.7 Involuntary Transfers for the Alleged Purpose of Punishment.

Any sworn peace officer in the Sheriff's Department who believes he/she has been subjected to a transfer for the purpose of punishment may appeal said transfer through the chain of command to the Sheriff (or, in cases where the Sheriff has been personally involved, to the EPS Director or his/her designee). In cases where the transfer involves a loss of compensation, he/she shall have the option of appealing either to the Sheriff or to an ad hoc

panel as described hereafter. All such appeals shall be filed, in writing, within five calendar days after the date of transfer. The following procedure shall apply:

- (a) **Step 1. Employee and Public Services Department**  
The employee or any official of the Union shall notify Employee Relations in writing of the alleged punitive transfer. Employee Relations shall have 20 workdays in which to investigate and resolve the dispute informally. No appeal may be processed under Step 2 below which has not first been filed and investigated in accordance with Step 1.
- (b) **Step 2. Advisory Panel**  
If the parties are unable to satisfactorily resolve the dispute, the employee may have the appeal submitted to a 3 member panel comprised of 2 members of the Civil Service Commission and 1 individual who is not a Commission member. This panel will be charged with the responsibility of making findings of fact and recommendations in connection with the employee's appeal for presentation to the Sheriff and the EPS Director. Such recommendations shall be advisory in nature. If the employee elects to have his/her appeal heard before such a panel, the employee shall choose 1 Civil Service Commissioner and the Sheriff shall choose a second Commissioner. These 2 members shall select a third member of the panel, who shall be the panel's chairperson and cannot be a member of the Civil Service Commission. If the 2 commissioners selected by the employee and the Sheriff cannot agree on a third member, the EPS Director shall choose the third member.

Upon conclusion of its hearing the panel shall present its finding of fact and recommendations to the EPS Director and Sheriff. If the Sheriff and Director reject the panel recommendation they must so inform the employee, with reasons in writing. Any decision reached by the Sheriff and the EPS Director shall be final.

### **Section 34. Retirement Plan**

Retirement Plan participants hired on or after July 1, 1997, will be eligible for a maximum annual cost of living adjustment to the retirement benefit of two percent (2%) per year. There is no "banking" or "rollover" of any cost of living adjustment in excess of the annual adjustment. Also for participants hired on or after July 1, 1997, the retirement annuity shall be calculated based on their average salary for their 36 highest consecutive months of service.

Effective July 6, 2003, the County implemented the 3% @ 55 retirement benefit consistent with Government Code section 31664.2.

Effective January 2, 2005, the County agrees to implement the 3% @ 50 retirement benefit consistent with Government Code section 31664.1.

With respect to any benefit enhancement pursuant to this MOU, it is agreed that:

- a. The benefit enhancement under Government Code section 31664.2 shall be applicable only to those safety employees who retire after the County's implementation of section 31664.2. The benefit enhancement under Government

Code section 31664.1 shall be applicable only to those safety employees who retire after the County's implementation of section 31664.1.

- b. The enhancement will apply to all future safety service and all safety service back to the date of employment pursuant to the Board of Supervisor's authority under Government Code section 31678.2 (a).

Government Code section 31678.2(b) authorizes the collection, from employees, of all or part of the contributions by a member or employer or both, that would have been required if either section 31664.1 or 31664.2 had been in effect during the time period specified in the resolution adopting either section 31664.1 or 31664.2, and that the time period specified in the resolution will be all future and past safety service back to the date of employment. It is understood that the employee share in the cost of the enhanced retirement benefits is subject to negotiations at the end of the current MOU. Based upon this understanding and agreement, the DSA agrees that all represented employees will share in the cost of the enhanced retirement benefits as follows:

- Employees with more than 15 years of County service or who are age 45 or older will contribute 4.5%.
- Employees with 5 to 15 years of County service will contribute 3.5%.
- Employees with 0 to 5 years of County service will contribute 3%.
- The above cost sharing shall be through payroll deduction and shall be a percentage of compensation earnable as defined by SamCERA regulations.

### **Section 35. Reopeners**

The DSA and the County may each exercise the option to notice the other party to re-open the MOU on one non-economic item in July, 2008, and again in July, 2010. These reopeners may not be over any matter that results in an increased cost to the County.

### **Section 36. Separability of Provisions**

If any provision of this MOU is declared illegal or unenforceable by a court of competent jurisdiction, that provision shall be null and void but such nullification shall not affect any other provision of the MOU, all of which other provisions shall remain in full force and effect.

### **Section 37. Past Practices**

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the Board of Supervisors is not guaranteed by this MOU.

1. Work Shifts and Assignments.

- A. Work shifts are subject to modification by the Sheriff should economic or staffing contingencies dictate revisions, or in the case of an emergency. Should the Sheriff desire to effect a change he/she shall give advance written notice to the Union of the proposed change(s), the reason(s) therefore, the proposed schedule(s), and shall provide a reasonable opportunity to discuss such change(s) prior to implementation.

- C. The above procedure shall also be used for those employees assigned to the Detention and Custody Division and shall be applied within each facility in that division.
2. No written transfer policy exists at present and the Sheriff agrees not to implement a written transfer policy during the term of the MOU without the agreement of the Union. As a matter of policy, however, employees shall be given two weeks' notice of a permanent transfer between divisions except in cases of emergency.
