**AGREEMENT BETWEEN THE COUNTY OF WASHOE
AND THE WASHOE COUNTY SHERIFF'S DEPUTIES ASSOCIATION**

ARTICLE 1 - PREAMBLE

This Agreement is entered into as of July 1, 2005, between the County of Washoe, Nevada, hereinafter referred to as the "County", and the Washoe County Sheriff's Deputies Association, hereinafter referred to as the "Association." It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein, pursuant to the provisions of NRS 288, the basic and full agreement between the parties concerning rates of pay, wages, hours of employment and other conditions of employment.

ARTICLE 2 - RECOGNITION

In accordance with the provisions of NRS 288, the County has recognized and does recognize the Association as the exclusive bargaining representative of those employees in the bargaining unit:

Classification in the bargaining unit:

Deputy Sheriff

The parties recognize that additional classifications may be established which are assigned to the unit.

In the event that the County establishes a new classification which is to be assigned to the bargaining unit or changes an existing bargaining unit classification, the Association will be notified in writing of the proposed new established wage rate and job description or changed classification prior to adoption to allow the Association an opportunity for discussion.

If, within thirty (30) days of notification of the proposed wage rate for the new classification, the Association provides written notification of their disagreement with the rate established and agreement is not reached, the wage rate for the new classification may be submitted to arbitration.

In the event of a merger or consolidation within Washoe County, the County agrees to negotiate with the Association over the impact and affect on bargaining unit members of such a decision. In the event of the formation of a Metropolitan Police Department within Washoe County, the parties will be governed by NRS 280.300.

This recognition does not include temporary employees who work less than six (6) consecutive months.
(Revised 1-1-98)

ARTICLE 3 - STRIKES AND LOCKOUTS

The Association will not promote, sponsor, or engage in any strike against the County, slow-down, or interruption of operation, concentrated stoppage of work, absence from work upon any pretext or excuse such as illness, which is not founded in fact; or any other intentional interruption of the operations of the County, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this Agreement to comply with this pledge.

The County will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Association.

ARTICLE 4 - RIGHTS OF MANAGEMENT

The County has the right and is entitled without negotiation to:

- (a) Direct its employees;

- (b) Hire, promote, classify, transfer, assign, and retain its employees.
- (c) Suspend, demote, discharge, or take disciplinary action against any employee with just cause and pursuant to the provisions of this Agreement provided, however, that the County shall not assign or transfer an employee as a form of discipline;
- (d) Relieve any employee from duty because of lack of work or lack of funds;
- (e) Maintain the efficiency of its governmental operations;
- (f) Determine the methods, means and personnel by which its operations are to be conducted, except for considerations of personal safety;
- (g) Take whatever actions may be necessary to carry out its responsibilities in situations of emergency;
- (h) Contract or subcontract matters relating to County operations, provided that such contracting or subcontracting shall not be entered into for the purpose of circumventing this Agreement. The Association shall be consulted and allowed input prior to any contracting or subcontracting of bargaining unit work that would have an impact on bargaining positions.
- (i) Determine appropriate staffing levels and work performance standards, except for safety considerations. The Sheriff and the Association will meet at least quarterly, and more frequently by mutual agreement, for the purpose of consulting on minimum staffing levels in patrol and detention, per shift and unit. Once the policy is in effect, a good faith effort will be made to maintain minimum staffing levels. The policy may be changed by the Sheriff after consulting with the Association.
- (j) Determine the content of the workday, including without limitation workload factors, except for safety considerations.

Unless specifically modified by this Agreement, all rights and responsibilities of the County shall remain the functions of the County.

(Revised 1-1-04)

ARTICLE 5 - RIGHTS OF ASSOCIATION

A. The Association President or designee shall be allowed up to twenty (20) paid hours per workweek to accomplish general Association business as defined in paragraph C.2. below.

B. The Association President shall be allowed an additional two hundred (200) hours paid time per contract year to accomplish general Association business as defined in Paragraph C.2. below. The President is permitted at his/her discretion to delegate use of said time to other Association officers to include board members. Additional release time may be approved by the Sheriff on a case-to-case basis.

C.

1. The Association may designate eight (8) local Association representatives in addition to the officers above. The Association shall notify the Sheriff's Office, in writing, of the name of any local Association representative and his/her jurisdictional area as soon as practicable.

2. The Sheriff's Office shall provide the Association representatives reasonable opportunity to utilize the above release time to serve in his/her capacity. The representative may utilize that time to participate in any of the duties arising within his/her jurisdictional area, those duties being defined as:

- (a) The investigation of a bargaining unit member's grievance or potential grievance;
- (b) Representation of a member/grievant at any step of the grievance procedure established herein;
- (c) Consultation with duly accredited representatives of the Association on matters involving the Association's relationship with the County; and
- (d) Attending County functions/meetings, which have a direct impact on the Association.

3. The representative shall notify his/her immediate Supervisor each time he/she wishes to conduct

appropriate business and may be relieved of duty unless operational demands preclude permission to leave the work location being granted. Appropriate use of representative time, as provided herein, shall not be abused by the employee, and use of said time will not be unreasonably withheld by the responsible supervisor.

D. For each separate fiscal year covered by the term of this Agreement, the Association will use leave without pay, annual leave, or bonus leave for members to attend meetings, conferences, legislative sessions and conventions or to attend to other Association business, other than that covered in paragraph C.2. of this provision. Per Diem and/or travel shall not be provided by the Office. The scheduling of time off under this provision requires the advance approval of the Sheriff or his designated representative.

E. The County agrees to provide the Association with three (3) areas at Parr Boulevard and one (1) area at Incline Substation for the Association to post one (1) bulletin board. Each bulletin board shall not exceed three (3) feet by four (4) feet in area. Materials shall be posted upon bulletin boards specifically as designated, and not on walls, doors, file cabinets or any other place. The material posted on bulletin boards shall not be obscene, defamatory, derogatory, or of a partisan political nature, nor shall it pertain to public issues which do not involve the County or its relationship with the Association. All posted material shall bear the identity of the sponsor, shall be signed by a duly appointed representative of the Association, shall be neatly displayed, and shall be removed as soon as no longer timely. All costs incident to preparing and posting of Association material will be borne by the Association. The Association may use County telephones and County computers for E-mail in carrying out those duties identified in paragraph C.2. above and any other appropriate purpose that has been specifically approved by the Sheriff.

F. The County recognizes its statutory obligation to negotiate any departmental rule, policy or procedure that is related to a mandatory subject of bargaining as enumerated under NRS 288.150. In the event there is a dispute over whether a rule, policy or procedure falls within the scope of mandatory bargaining, said dispute shall be submitted to the Local Government Employee-Management Relations Board and shall not be subject to the grievance procedure contained in this Agreement.

G. The Sheriff, or his/her designee, and the County Labor Relations Manager shall meet bi-monthly if needed and requested by either party with representatives of the Association for the purpose of engaging in Labor Management meetings. The purpose of said meetings is to informally discuss matters of concern and/or interest to either party.

On-duty time shall be provided for three (3) Association representatives, and may be increased if both parties mutually agree.
(Revised 2-21-01)

H. Effective July 1, 2005, the County shall allow each deputy covered under this agreement to voluntarily contribute up to three (3) hours of vacation or compensatory time to be maintained in a leave bank for use by the Association up to a maximum of 2080 hours per year. This time will be deducted once on an annual basis at the beginning of the fiscal year. This time may be used by the Association to release any member from regular duty to perform Association business as determined by the Association. This time cannot be unreasonably denied by the County or Sheriff's Office management. In the event that the hours are not completely used in the fiscal year, excess hours will be maintained in the bank. The president of the Association is permitted, at his or her discretion, to delegate use of said time to other Association members.
(Added 7-01-05)

ARTICLE 6 - NON-DISCRIMINATION

A. The County will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Agreement because of membership in or legitimate activity as

required in this Agreement on behalf of the members of a negotiating unit, nor will the County encourage membership in another employee organization.

B. The Association recognizes its responsibility as the exclusive negotiating agent and agrees to represent all employees in the respective negotiating units without discrimination, interference, restraint, or coercion.

C. The provisions of this Agreement shall be applied equally to all covered employees without discrimination as to age, sex, sexual orientation marital status, race, color, creed, national origin, protected disability, or political affiliation.

(Revised 2-21-01)

ARTICLE 7 - DUTY STATEMENTS

The County agrees to provide each employee in the representational unit an updated, current duty statement. Examples of a duty statement would include the duties performed by a patrol deputy, a deputy assigned to the jail, or a deputy assigned to other divisions within the Sheriff's Office.

(Revised 1-1-98)

ARTICLE 8 - WORK HOURS

A. The normal workweek of employees covered by this Agreement shall consist of forty (40) hours, excluding meal periods. The scheduling of work shifts and workweeks shall be as directed by the Sheriff.

B. Duty hours shall be devoted fully to the performance of assigned duties. Periods of absence for personal matters shall not be credited toward duty hours and must be charged to vacation leave, compensatory leave, sick leave, settlement time, or other approved forms of leave, as contained in this agreement or be recorded as an unexcused absence.

C. Except during emergency situations, employees shall be permitted to take two (2) fifteen (15) minute coffee breaks or rest periods during each work day.

D. In the event that the Sheriff of Washoe County determines a ten (10) hour day, forty (40) hour workweek is more beneficial to the department; such hours shall constitute a normal work day.

E. This Article is intended to be construed only as a basis for calculating overtime and shall not be construed as a guarantee of hours of work per day or per week.

F. Employees who work ten (10) hour shifts, in addition to the two (2) fifteen (15) minute breaks referenced in C. above, shall be entitled to a one-half (1/2) hour paid break for a meal period except as provided in G. below.

G. In order to facilitate coverage for employees, who work ten (10) hour shifts in the Detention Bureau, the Sheriff may require detention deputies to combine the break/lunch periods to two (2) one-half (1/2) hour breaks during the ten (10) hour shift. If scheduling problems develop, the Sheriff may require detention deputies to combine the break/lunch periods to one (1) one (1) hour break during the ten (10) hour shift. If a dispute arises regarding implementation of this section the parties shall meet and confer and attempt to resolve the dispute. The decision of the Sheriff shall be final and binding.

(Revised 1-1-95)

H. The parties hereby recognize that review of twelve-hour shifts and other alternative work schedules is ongoing, and agree to incorporate by reference any subsequent Memorandum of Agreement executed between the parties during the term of the labor agreement.

(Revised 1-1-04)

ARTICLE 9 - REST PERIODS

Except in cases of emergency or stakeouts, no unit employee shall be required to work twelve (12) or more consecutive hours without a rest period of twelve (12) hours between work shifts.
(Revised 1-1-98)

ARTICLE 10 - SHIFT/DAYS OFF BIDDING FOR UNIFORMED PERSONNEL

A. Except for those provisions in subsection D. of this Article, uniformed employees shall be permitted to bid for shift/days off on the basis of seniority. Bidding shall take place every four (4) months. In the event the Sheriff and the Association mutually agree, the parties may determine that shift bidding shall take place at six (6) month intervals. Alternative bidding cycles may be mutually determined appropriate for either/or Administrative, Detention or Operations Bureaus. The shift schedule shall be posted not less than fifteen (15) days prior to the shift bid date. Once posted, there shall be no changes made to the schedule without consulting the Association. The Sheriff may for reasonable and articulable operational needs reassign employees who hold bid shifts.
(Revised 7-01-05)

B. For the purpose of this Article, seniority is defined as time in grade in service from the date of last continuous employment. Continuous service is defined, for purposes of this Article, as continued employment without a break in service of more than thirty (30) days, other than for injuries, illness, layoff, or maternity leave. Ties in seniority shall be broken by position on the hire list. If there is still a tie, seniority shall be determined by the drawing of lots.

Detention personnel shall bid for Court Deputy positions subject to the seniority provisions of subsections A. and B. of this Article, except that these positions, unless specifically noted, shall be held for a period of four (4) years after which the same deputy may not bid for any of the following positions for the period of one (1) year:

The four (4) year bid shall not restrict employees from promotions or transfers to other divisions for the bid period. Upon bidding, Court Deputies shall indicate their preference to work in a judicial department or in transport. The parties recognize the Judicial Departments shall select their assigned Deputy from the pool of Court Deputies and employees may not be afforded their preferred area.

E. Employees who successfully bid for any positions in D., above, will be required to perform the essential functions of the job and maintain the minimum requirements of the position. The Sheriff may remove any deputy who cannot successfully perform the minimum requirements of the position. If a deputy is removed under these circumstances, the Sheriff will fill the position at the next regular bid cycle. Further, the parties recognize that a Court Deputy assigned to a Judicial Department may be removed at the discretion of the Chief Judge and shall then perform their remaining bid period in Transport unless subsequently selected by another Judge to support their department.

F. If no deputy bids for any position in D., above, or sufficient deputies do not bid for the existing number of vacancies, the Sheriff may fill the positions where no bids have been received by either interviewing or assigning deputies to those positions.

G. Employees assigned as Court Deputies, who are not provided free parking, shall be afforded a monthly parking allowance of fifteen dollars (\$15.00) per pay period while so assigned.

H. Upon completion or removal from a special assignment, the employee shall bid in the next bid cycle within the division they occupied prior to their special assignment. For any period of assignment until the next bid, the county will attempt to maintain the employee's shift/days off within their prior division.

I. The current language of General Order 022, as of November 18, 2002, shall govern the length of assignment for the above positions. The parties agree that no change to said length shall be made without negotiation between the parties, and, in the event of impasse, the provisions of NRS 288 shall apply.
(Revised 1-01-04)

For employees who work a standard schedule and are granted holidays off, if any of the above legal holidays fall on Sunday, the Monday following shall be considered as the observed holiday; if any of the above holidays fall on Saturday, the preceding Friday shall be considered as the observed holiday.

C. In order to be eligible for holiday pay, an employee must be in a paid status both the scheduled work day before and the scheduled workday after the holiday.

D. When an employee eligible for holiday pay is required by order of the Sheriff to work during his/her regularly scheduled work hours on a legal holiday, he/she shall receive, at his/her option, in addition to his/her holiday pay either:

1. one and one-half (1-1/2) hours CTO for each hour or major fraction worked; up to a maximum of eight (8) hours; or

For time worked beyond eight (8) hours on a holiday, an employee shall receive at his/her option, either:

1. two and one-half (2-1/2) times his/her regular hourly rate of pay for each hour or major fraction worked beyond eight (8) hours; or

F. When an employee is called in to work on a day that is not part of his/her regular work schedule during a week when the employee had observed a legal holiday, i.e. which day would have been the sixth day worked during the work week had the employee not observed the holiday, all time worked on that day shall be paid at either one and one-half (1-1/2) hours CTO, or one and one-half (1-1/2) times his/her regular hourly rate of pay.

G. When an employee eligible for holiday pay is required by order of the employee's department head to work on both the legal and the observed holiday they shall receive eight (8) hours of holiday pay for the legal holiday, and pay at the rate of one and one-half (1-1/2) times their regular hourly rate of pay for each hour or major fraction worked on each such day, up to a maximum of eight (8) hours, and for time worked in excess of eight (8) hours on either such day, an employee shall receive two and one-half (2-1/2) times the employee's regular hourly rate of pay for each hour or major fraction worked beyond eight (8) hours.

(Revised 2-21-01)

ARTICLE 12 - VACATION LEAVE

A. Vacation Accrual for Full-Time Employees:

Each full-time employee shall be entitled to forty (40) hours vacation leave credit on the first day of the pay period following the completion of six (6) months continuous County service.

Thereafter, employees shall accrue vacation leave credit at the biweekly equivalent of the rates established below.

<u>Years of Continuous Service</u>	<u>Annual Vacation Earning Rate</u>	<u>Hours Earned</u>
Less than one (1)		80 hours
One (1) but less than seven (7)		128 hours
Seven (7) but less than ten (10)		152 hours
Ten (10) or more		176 hours

For the purpose of computing credit for vacation, each employee shall be considered to work not more than forty (40) hours each week.

Total County service, even though interrupted, will be counted if a person returns to County service within three (3) years of his/her date of separation and has worked three (3) continuous years subsequent to reemployment.

B. Vacation Accrual for Part-Time Employees:

On the first day of the pay period following the completion of six (6) months continuous service, and thereafter, each part-time employee in the Sheriff's Office shall be allowed vacation leave credit prorated on the basis of the rates set forth above for full-time employees.

C. General Provisions:

1. Vacation leave may be accumulated from year to year not to exceed two hundred forty (240) hours. Amounts in excess of two hundred forty (240) hours as of the end of the payroll period encompassing December 31 shall be forfeited. Provided, if an employee, on or before October 15, requests permission to take annual leave, and the employee's request is denied, the employee is entitled to payment for any annual leave in excess of two hundred and forty (240) hours which the employee requested to take and which the employee would otherwise forfeit as a result of the denial of the employee's request. The Sheriff's obligation is only to afford the employee the ability to use their annual leave, which may not necessarily be the dates requested by the employee. *For example*, an employee on October 1 requests to use forty (40) hours annual leave for the five (5) workdays preceding Christmas. The Sheriff may deny said time off, and still allow the employee to use their annual leave at a different time prior to the end of the year to avoid forfeiture of annual leave.
2. An employee shall be paid at his regular hourly rate for each hour of vacation leave time taken. Vacation leave shall be charged on the basis of one (1) hour for each full hour or major portion of an hour of vacation leave taken.
3. Vacation leave taken during a biweekly period shall be charged before vacation leave earned during that pay period is credited.
4. Choice of vacation leave dates shall be granted whenever practical but the operating requirements of the County, as determined by the Sheriff, shall prevail. Where more employees than can be spared request a particular period, preference will be in order of seniority in grade, provided the remaining employees are qualified to do the work.
5. Vacation leave shall not be granted in excess of the vacation credit earned.
6. Upon separation from service for any cause, an employee shall be paid a lump sum payment for any unused or accumulated vacation leave earned through the last day worked. If this date is earlier

than the last day of the pay period, the vacation credit shall be prorated for that pay period. Under no circumstances shall cash payment be made for accrued vacation while an employee is in regular employment status.

(Revised 1-1-04)

ARTICLE 13 - SICK LEAVE

A. Each employee in the service of the County for less than ten (10) years shall be credited with sick leave at the rate of one and one-fourth (1-1/4) working days for each month of full-time service, which is cumulative from year to year.

Each employee in the service of the County for ten (10) or more continuous years of service shall be credited with sick leave at the rate of one and one-half (1-1/2) working days for each month of full-time service, which is cumulative from year to year.

B. An employee is entitled to use accrued sick leave only:

When incapacitated to perform the duties of his/her position due to sickness, injury, pregnancy or childbirth;

When quarantined;

When receiving required medical or dental service or examination;

For adoption of a child if the Welfare Division of the Department of Human Resources or any other appropriate public agency requires the employee to remain at home with the child; or

Upon illness in the employee's immediate family where such illness requires his/her attendance. For this purpose "immediate family" means the employee's spouse, parents, (including step), children (including step), and, if living in the employee's household, includes corresponding relations by affinity to the above, foster children, foster parents, brothers or sisters.

In the event of a death in the employee's immediate family, he/she may use accrued sick leave not to exceed five (5) days if the death is in the State of Nevada, or seven (7) days if the death is outside the State of Nevada for each death. For this purpose "immediate family" means the employee's spouse, parents (including step), children (including step), brothers, sisters, grandchildren, grandparents, aunts, uncles, nieces, nephews, or corresponding relation by affinity and, if living in the employee's household, includes foster children and foster parents.

C. An employee requiring sick leave must, if required, provide the Sheriff with evidence of such need. For absences in excess of three (3) days, or in cases where there is reasonable suspicion of abuse, the Sheriff may require the employee to submit substantiating evidence, including, but not limited to, a physician's certificate.

(Revised 7-1-91)

D. If any employee does not have adequate accrued sick leave time, the Sheriff may grant the use of accrued vacation time in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time.

E. Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during a sick leave period shall not be counted as sick leave time. Sick leave taken during a biweekly pay period shall be charged before sick leave earned that pay period is credited.

F. An employee separated from the service shall earn sick leave only through the last working day for which he/she is entitled to pay. Upon death, retirement, permanent disability, or termination of an employee after ten (10) years of full-time employment or its equivalent if the employee has not served as a full-time employee for reasons other than discharge for just cause, an employee shall be compensated for total accrued sick leave at the rate of one (1) hour's pay at his/her regular hourly rate for every three (3) hours of sick leave accrued to a maximum payment of six-hundred (600) hours.

Effective January 1, 2001, the maximum payment allowed will be increased from six hundred (600) to eight hundred (800) hours. An employee who is eligible for purchase of service credits under the Nevada Public Employee's Retirement System (PERS), and who elects to convert unused sick leave ($\frac{1}{3}$ x sick leave, up to the cap maximum) and/or vacation into retirement service credit shall submit a written request, on a County approved form, sixty (60) days in advance of their anticipated retirement date. The County shall calculate the amounts owed the employee, minus applicable taxes and deductions, to determine the net amount the employee will have to purchase retirement credit. The employee shall be advised of the amount that may be used to purchase retirement credit and shall complete the application process with PERS. The County shall then proceed to pay the employee the amount designated as of their termination of employment, (provided their leave banks have not been reduced since the estimate was determined).

G. As long as an employee is in a paid status, he/she shall earn sick and vacation leave during the time he/she is on such leave. If the employee is on leave without pay, he/she shall not earn sick or vacation leave during the time he/she is on such leave.

H. Employees who use zero (0) to thirty-two (32) hours of sick leave as of the last full pay period in a calendar year shall receive twenty-four (24) hours of personal paid leave credit at the end of the first full pay period the following January. Employees who use thirty-three (33) to forty (40) hours of sick leave in a calendar year shall receive eight (8) hours of personal paid leave at the time specified above. Permanent part-time employees shall receive a prorated amount of personal paid leave at the same ratio as their regular work hours relate to a full-time work schedule. The personal leave must be used in the calendar year in which it is credited and if not used will be forfeited. There will be no cash payment for personal leave that is not used. In order to receive this personal leave benefit, an employee must be in a paid status (either working or on paid leave) the entire calendar year.

I. Employees shall be allowed to voluntarily transfer up to a maximum of eighty (80) hours of their accumulated vacation leave or compensatory leave during any calendar year to another employee who has no accumulated sick leave hours, but who is otherwise eligible to take paid sick leave. ARTICLE 14 - JOB-CONNECTED INJURIES

A. In the event an employee is absent due to a temporary total service-connected disability which has been approved by the County's Claims Administrator, and which disability is the result of the employee performing activities which are unique to peace officers, the employee shall receive compensation as determined by the County's Claims Administrator plus that amount from the County which would cause the total amount received by the employee from both the County's Claims Administrator and the County to equal his/her salary at the time of his/her disability until such time as there is a medical determination made as to whether the employee can be returned to duty or is permanently disabled. During this period, the employee shall not be charged with the use of any accrued sick leave, annual leave or other forms of leave. This provision shall not apply to a service-connected disability, which occurs while the employee is carrying out incidental duties to his/her peace officer duties.

B. Activities unique to peace officers include traffic stops, pursuit of suspects, response to emergencies or calls for assistance, physical altercations, transportation of inmates and searches conducted on individuals, buildings, vehicles and outdoors. Activities that are incidental to peace officer duties are those which can reasonably be expected to be performed by non-peace officers, such as writing reports, entering and exiting vehicles (unless on a traffic stop), walking and climbing stairs. The activities listed are not all-inclusive. The initial determination whether a disability is the result of the employee performing activities which are unique to peace officers shall be made by the County, and any dispute shall be resolved through the grievance process.

C. It is the intent of the County to pay the on-the-job injured employee who meets the conditions set forth above, the difference between his/ her full bi-weekly base salary and that provided by the County's Claims Administrator. Therefore, the employee shall return to the County Treasurer all temporary total disability payments made by the County's Claims Administrator covering the period enumerated in Section A. of this Article. No supplemental benefit provided for in Section A. shall be given until after the employee has deposited his/her lost time benefit check with the Treasurer.

D. In the event an employee is absent due to a service-connected disability which has been approved by the County's Claims Administrator, and which disability is the result of the employee carrying out incidental duties to his/her "peace officer" duties, the employee may elect to utilize accrued sick leave during which period the employee shall receive compensation from the County as provided in Nevada Revised Statutes. When accrued sick leave has expired, if the employee is still, because of disability, unable to work, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided the employee has so elected to use his/her sick and vacation leave, the employee shall receive compensation checks directly from the County's Claims Administrator and he/she shall be considered on a leave of absence without pay from the County.

E. The Sheriff and the Association will meet at least quarterly, and more frequently by mutual agreement, for the purpose of consulting on light duty policies for deputies injured on or off duty. The Sheriff may change the policy after consulting with the Association.

The salaries shown in Exhibit A of this Agreement are subject to change during the term of the Agreement due to increases or decreases in the retirement contribution for Nevada's Public Employee Retirement System in accordance with NRS 286.421.

Upon promotion, employees shall receive the beginning step or that step which provides at least a seven percent (7%) increase above the employee's base salary, whichever is greater.
(Revised 1-1-04)

ARTICLE 16 - OVERTIME, CALL-IN AND STANDBY PAY

A. Overtime shall be defined as any time worked in excess of the normal workweek or the normal work shift. Any employee who continues working beyond their normal work shift and who continuously works into their next normal work shift shall continue to receive time and one-half (1-1/2) for all hours continuously worked beyond the initial regular shift, including the hours of their subsequent regular shift, until relieved of duty. Examples may include employees on 24-hour coverage in Narcotics or Detectives/Homicide. Time worked shall include sick leave, vacation and CTO.

B. It is the policy of Washoe County that overtime shall be kept to an absolute minimum consistent with the basic functions and purposes of the Sheriff's Office. If the Sheriff's Office anticipates significant training requirements that will impact and necessitate mandatory overtime affecting regular days off, the Sheriff agrees to meet with the Association for the purpose of discussing potential alternatives which may minimize the impact to employees. Nothing contained herein shall be interpreted to restrict, in any fashion, the right of the Sheriff's office to require employees to work overtime as determined appropriate by management, subject only to the payment as required by Sections C. or E. of this Article.

C. Except as provided in Article 8, overtime pay for law enforcement personnel shall be calculated at one and one-half (1-1/2) times the employee's regular, straight time hourly rate for each hour or major fraction thereof worked.

D. All overtime must have the previous authorization of the Sheriff except when, due to an emergency, the Sheriff's approval cannot be obtained and it appears to the supervisor of the employee that such overtime is necessary.

E. An employee shall be compensated for overtime work in the following manner:

Cash payment computed at the rates established above or employees may choose to accrue compensatory time in lieu of receiving paid overtime. Compensatory time shall be accumulated at the same rate as overtime is paid. Employees may accumulate a maximum number of hours of compensatory time to equal four hundred eighty (480) hours.

F. Call-in:

Any employee who is called in to duty during a time when the employee is not regularly scheduled to work, including court appearance, shall be paid at the rate of one and one half (1-1/2) times for each hour so spent, on duty, but not less than two (2) hours for the period called to duty. The employee's duty time shall start when the employee actually reports for duty and ends when the employee is released from duty. If an employee is called in to work early, and works continuously through the beginning of his/her regularly scheduled work hours, the two (2) hour minimum does not apply.

(Revised 7-1-92)

G. Standby Time:

Standby time is defined as any time other than time when the employee is actually working, which has been specifically scheduled and directed by the Sheriff or his designee, during which the employee is restricted in order to be immediately available for call to duty. Standby time does not include any time where an employee carries a pager to respond to calls when available. Employees on scheduled standby shall be compensated at the rate of one-fourth (1/4) hour pay at the regular hourly rate for each one (1) hour period of standby.

H. If an employee receives a duty related telephone call during non-duty hours from a supervisor, or at the request of a supervisor, the employee shall receive a minimum of 15 minutes work time. If the work time actually extends beyond 15 minutes, the work time shall be rounded to the nearest 15-minute increment. This provision is intended to apply to situations where it is necessary to obtain information from the employee regarding a work situation. It is not intended to apply to calls on matters such as requests to work overtime, or directives given to the employee to report to work early or other reporting instructions.
(Revised 2-21-01)

(Revised 7-01-05)

ARTICLE 18 - MEDICAL PLAN

A. The County agrees to provide a group medical plan, including dental coverage, to all members of the Association and shall pay one hundred percent (100%) of the premium attributable to employee coverage under this plan during the life of this Agreement. In the event an employee elects dependent coverage, the County shall pay fifty percent (50%) of the premium for such coverage.

B. Insurance Negotiating Committee

1. Establishment, Purpose and Effective Date:

The Association and the County agree to the establishment of an Insurance Negotiating committee composed of representatives of the County and each recognized employee bargaining unit.

The purpose of the committee is to recommend to the Washoe County Commission any benefit changes in the County's medical, dental, vision and life insurance plans.

The Insurance Negotiating Committee does not have the authority to agree to alter the negotiated percentage(s) of the health benefit plan contribution rates that is borne by the County or the Employee regarding employee or dependent coverage.

This Committee shall become effective upon approval or ratification of the groups listed in Paragraph 2 below.

2. Composition of Committee:

The Committee shall consist of one (1) voting member from each of the following groups:

1. Washoe County District Attorney Investigators Association
2. Washoe County Public Attorneys Association
3. Washoe County Sheriff's Supervisory Deputies Association
4. Washoe County Sheriff's Deputies Association
5. Washoe County Employees Assn. - Supervisory-Admin. Unit
6. Washoe County Employees Assn. - Non-supervisory Unit
7. Washoe County Nurses Association - Non-supervisory Unit
8. Washoe County Nurses Association - Supervisory Unit
9. Management
10. Any other bargaining unit that may be formed during the term of the Agreement

In addition, one retired employee shall serve as a nonvoting member to provide input on the effects of proposed changes upon retirees. The name of a retiree may be nominated by any voting member and shall be elected by the majority vote of the members and shall serve a term of three (3) years. Such retired member may be re-elected by a majority vote of the members to serve one (1) additional term.

The Committee Chairperson and Vice Chairperson shall be appointed by the County Manager and will not have a vote on the Committee.

The voting member of each bargaining unit, upon conferring with its association as necessary, shall have the authority to bind said bargaining unit to any modification in benefits agreed to by a majority vote of the Committee. Such modifications shall then be presented to the County Commission, and if so approved by the County Commission, shall be binding upon each bargaining unit.

C. Retiree Health Insurance:

1. For those individuals employed by the County between May 3, 1977, and January 13, 1981, the following provisions apply:

(a) The County will pay 50% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of ten (10) years of full-time County employment.

(b) The County will pay 75% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of fifteen (15) years of full-time County employment.

(c) The County will pay 100% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of twenty (20) years of full-time County employment. The payments specified in (a), (b), and (c), above, will be made in accordance with and are subject to all applicable laws in effect at the time of the employee's retirement, and are contingent upon the employee being medically eligible to be reinstated into the County's Retiree Health Insurance Program if there has been a break in coverage under the County's Health Plan.

2. For those employees hired on or after January 13, 1981, the provisions listed in Section C.1. above, are applicable except that in order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

3. The parties recognize that the cost of retiree health insurance should be considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. Based upon this, the parties further recognize that the funding of the retiree health insurance program must be addressed during the period of employment of active employees in order to try and ensure the fiscal integrity of the program in the future and in order to try and ensure that the benefit upon retirement can be provided. Additionally, the parties recognize that the prefunding of the service cost of this program, which is addressed below, only represents a portion of the funding obligations of this program and that the parties will address the unfunded liability portion of this program in the future. At the point in time when the retiree health insurance program is fully prefunded, with no unfunded liability remaining, the retiree health insurance program will be fully considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. With those mutual recognitions and understandings, the parties herein agree to prefund the program annually at the actuarially determined service cost amount attributable to this

bargaining unit beginning July 1, 1996. The amount of the service cost attributable to this bargaining unit will be a percentage of the number of employees represented by the bargaining unit compared to the number of employees covered under the County's Health Benefit Program.

4. For those employees hired on or after January 1, 1998, the County will not pay any portion of the medical insurance premium associated with Retiree Health Insurance. Notwithstanding this section, the parties recognize the 2003 Nevada Legislature passed legislation (AB286) that affords public employees of Nevada political subdivisions the opportunity to enroll, upon their retirement, in the Public Employees Benefit Program (PEBP) health insurance plan. The current legislation also obligates public employers of said retiree who enrolls in the plan to pay a portion of the medical premium on the retiree's behalf. In recognition of this statute, to the extent the County has any liability for payment to the Public Employees Benefit Program (PEBP) on behalf of said employees upon their retirement, the County agrees, in lieu of making said payment to PEBP, to provide the payment on the retiree's behalf towards the medical insurance premium owed should they elect to remain in the County Retiree Health Plan. The parties acknowledge that the PEBP medical premium payment level is set annually by the State. The parties further recognize that the County's liability for any portion of the premium for said employees may be eliminated by subsequent legislative action. In the event the County's payment is eliminated by the State, the County agrees to continue the payment throughout the duration of the then-existing labor agreement to allow for negotiations of the subject.

D. The County agrees to provide health insurance coverage and shall pay one-hundred percent (100%) of the premium for spouses and dependent children of any member of the bargaining unit who is killed in the line of duty and which member has said spouse and dependent children covered under the County's medical insurance plan at the time the member was killed. The spouse shall be covered until normal retirement age or remarriage, whichever occurs first. The dependent children shall be covered through the age of eighteen (18), or if enrolled in a college or university, up to age twenty-five (25).

If either party desires to modify or change this Agreement it shall, no later than February 1 of any year, give written notice to the other party of amendment, in which event the notice of amendment shall set forth the nature of the amendment or amendments desired, except that no amendments or modifications to this Agreement shall be made prior to July 1, 2008, except by mutual agreement of the parties or through the provisions of Article 46 herein. Any amendment, whether a proposed amendment or an alternative to a proposed amendment, that may be mutually agreed upon or awarded pursuant to the provisions of Chapter 288 of NRS shall become and be part of this Agreement, the effective date to be as mutually agreed. Any amendments that may be agreed upon or awarded shall become and be part of this Agreement without modifying or changing any of the other terms of this Agreement.

Any change to this Article is solely for cleanup purposes and is not intended to amend the parties rights.

ARTICLE 35 - INVESTIGATIONS

Investigations shall be conducted in accordance with NRS 289 (See Exhibit C in the back of this Agreement).

ARTICLE 36 - DISCIPLINE, SUSPENSION AND DEMOTION

The County shall not demote, suspend or take any other disciplinary action against an employee without just cause. The County shall notify employees affected and the Association's Grievance Committee of all disciplinary actions taken.

If the County alleges that an employee's work performance has fallen below standard, said employee's supervisor shall inform the employee promptly and specifically of such lapses before issuing a warning letter or reprimand.

Nothing shall be used against an employee in a demotion, suspension or other disciplinary action unless the employee has been notified of the disciplinary action being imposed in writing, with a copy placed in the employee's personnel file. In the event that there has been such a notification at a level of a warning letter or reprimand, that notification shall not be used against an employee in future disciplinary actions if it has been in the employee's file for a period of eighteen (18) months or more, discounting periods of leaves of absence in excess of thirty (30) days, provided that there has been no notification for the same or similar conduct during that eighteen (18) month period. This eighteen (18) month limitation does not apply to any disciplinary action taken against an employee arising out of a matter covered under Title VII of the Civil Rights Act of 1964. The purpose of this exception is to allow consideration of both the seriousness of the employee's proven offense and the record of the employee with the County in determining the degree of discipline administered, given the County's specific legal obligations under Title VII.

An employee may appeal discipline, demotion, suspension or other forms of discipline through the Agreement's grievance procedure, which shall be the exclusive remedy for the appeal of disciplinary actions. In the event an employee receives a substandard evaluation, which results in the employee being denied a merit salary increase or longevity pay, said evaluation may be grieved on the basis that it was arbitrary or capricious. An employee, who is disciplined under the Department's Drug Testing Policy, may appeal said discipline through the Grievance Procedure.

ARTICLE 37 - DISCHARGE

A. The County shall not discharge a permanent, classified employee without just cause. The right to protest a discharge pursuant to this Article shall be limited to non-probationary, classified employees.

B. Before taking action to discharge an employee having permanent status in the classified service, the appointing authority shall serve on the employee and the Association, either personally or by certified mail, a Notice of Proposed Action, which shall contain the following:

1. A statement of the action proposed to be taken.
2. A copy of the charges, including the acts of omissions and grounds upon which the action is based.
3. If it is claimed that the employee has violated a rule or regulation of the County, department or district, a copy of said rule shall be included with the notice.

5. A statement that the employee has seven (7) calendar days to respond to the appointing authority either orally or in writing.

C. The employee or Association upon whom a Notice of Proposed Action has been served shall have seven (7) calendar days to respond or protest to the appointing authority either orally or in writing, before

the proposed action may be taken. Upon application and for good cause, the appointing authority may extend, in writing, the period to respond.

D.

1. An appointing authority may immediately suspend without pay, an employee pending discharge for gross misconduct or conduct which gives rise to a clear and present danger to public health and safety.
2. Notice of immediate suspension hereunder shall comply with the provisions of Paragraph B above and be served on the employee and the Association either personally or by posting by certified mail within twenty-four (24) hours of the effective time of suspension.

E. An appointing authority, upon giving notice as provided in Paragraph B above, may immediately suspend an employee against whom there is pending a criminal charge and which charge must adversely and directly affect the County service or conflict with continued employment, or is seriously and substantially disruptive of department or County operations. Pending criminal charges exist when an employee has been named a defendant in a criminal complaint or indictment filed in any court.

F. In any action to discharge an employee having permanent status in a position in the classified service, after complying with the applicable requirements of Paragraphs A through E above having reviewed the employee or Association response, if any, given pursuant to Paragraph C above, the appointing authority may order the discharge of the employee. Such order shall:

1. be in writing,
2. state specifically the causes for the action,
3. state the effective date of such action, which shall not be less than seven (7) calendar days from the date of such order,
4. be served on the employee and the Association, either personally or by certified mail within 24 hours of such order, and
5. be filed with the Director of Human Resources.

G. Either the employee or Association may protest the discharge, which protest shall be an appeal considered and processed in accordance with the Agreement's Grievance Procedure commencing at Step 4.

(Revised 2-21-01)

ARTICLE 38 - PROBATIONARY EMPLOYEES

The appointing authority shall notify the Association of any appointee, probationary or promotional, who fails to attain permanent status.

ARTICLE 39 - GRIEVANCE PROCEDURE

The purpose of the following provisions is to set forth, simply and clearly, the provisions that shall govern the conditions of a grievance appeal.

I. GENERAL

A. Definitions

1. **Grievance:** A grievance is a dispute by one or more employees or the Association concerning the interpretation or application of an expressed provision of this Agreement.
2. **Grievant:**
 - (a) A county employee who is covered by the provisions of this Agreement and who is adversely affected by the matter being grieved.

(b) The Association may file a grievance alleging a violation of contract terms in an attempt to avoid negative precedent. However, in no event may the Association assert a grievance appealing a disciplinary action "on behalf of" an Association member or nonmember absent the signed approval of same.

3. Day: For purposes of this procedure, a day is defined as a calendar day.

B. All grievances shall be filed in writing; shall be dated as of the date filed; and shall specify the collective bargaining agreement provision alleged to have been violated. The grievance shall also specify the facts, including names, dates, etc., which are alleged to constitute the violation.

C. A grievant(s) shall have the right to representation of up to three (3) representatives of the Association at each step of the grievance procedure.

D. No grievance settled by an employee in a classification represented by the Washoe County Sheriff's Deputies Association shall be accepted by the County unless said employee has received concurrence from his Chief Deputy Sheriff or Sheriff.

E. Any of the time limits contained in this procedure may be waived upon the mutual written agreement of both parties except that the waiver of the time limits contained in Step 1 of this procedure can only be agreed to on the part of the County by the Chief Deputy Sheriff in the chain of command of the grievant, or the Sheriff.

II. PROCEDURE

STEP 1

A. The aggrieved employee or the Association representative shall take up the grievance with his immediate supervisor or, in the event the matter giving rise to the grievance occurs at a supervisory level above the immediate supervisor, the grievant may file a grievance with the next level of supervision within fourteen (14) days of when the employee knew or should have known of the occurrence giving rise to the grievance. If the matter giving rise to the grievance is initiated at the Chief Deputies level the grievance procedure will start at that level. If the matter giving rise to the grievance is initiated at the Sheriff's level the grievance procedure will start at that level. The management representative at the level at which the grievance is filed shall attempt to adjust the matter at that time. If the grievance is not settled during the informal discussion, the grievant shall submit it in writing to this supervisor within seven (7) days of the informal discussion. The supervisor shall render a decision in writing to the grievant within seven (7) days after receipt of the written grievance.

B. If the matter giving rise to the grievance occurs at the Washoe County Manager's level, the grievant may file the grievance within fourteen (14) days as set out above in Paragraph A of this Article. Grievances involving contract interpretation shall be filed concurrently with the County Manager and the Sheriff.

Should the grievance remain unresolved, the grievant may proceed to Step 4 within fourteen (14) calendar days after receipt of the Washoe County Manager's or his designee's response.

STEP 2

In the event the grievant is not satisfied with the Step 1 written response to the grievance, the aggrieved employee or the Association representative may refer the grievance in writing to the Chief Deputy Sheriff in the chain of command that initiated the matter giving rise to the grievance within seven (7) days after receipt of the written response if the grievance has not been filed at a higher level of supervision pursuant to Step 1.

The Chief Deputy Sheriff shall render a decision in writing within seven (7) days after receiving the grievance.

STEP 3

Should the grievance remain unresolved, the employee or Association representative may, within seven (7) calendar days of receipt of the Chief Deputy Sheriff's decision, if applicable, submit the grievance in writing to the Sheriff. The Sheriff shall respond to the grievance in writing within seven (7) calendar days after receipt of the grievance. Grievances involving contract interpretation shall be filed concurrently with the County Labor Relations Manager and the Sheriff.

STEP 4

Should the grievance remain unresolved, the employee or Association may, within fourteen (14) calendar days after receipt of the Sheriff's or County Manager's (or designee) response, make a request in writing for arbitration to the County Labor Relations Manager. If the grievant is representing him/herself rather than being represented by the Association, the matter may be submitted to arbitration but particular attention is to be drawn to the provisions of this Article regarding the costs associated with arbitration. If the parties are unable to agree upon an arbitrator, the grievant shall submit a request for a list of seven (7) or nine (9) arbitrators to the American Arbitration Association. The request to the American Arbitration Association must be submitted within forty-five (45) days of receipt of the decision rendered at Step 1 or Step 3, whichever is applicable.

III. ARBITRATION

Both parties shall mutually or severally set forth the issue(s) to be arbitrated in advance of selecting an arbitrator. The selection of the arbitrator shall be made from the list provided by alternately striking names. The party striking first shall be determined by lot.

The arbitrator so selected shall confer promptly with the parties, shall hold further hearings, and shall issue a report not later than thirty (30) days from the day of the hearing which shall set forth his findings of fact, reasoning, and decisions on the issues submitted. The arbitrator's decision shall be consistent with the law and the terms of this Agreement and shall be binding on the parties. The arbitrator shall not have the authority to modify, amend, alter, add to or subtract from any of the provisions of this Agreement. The arbitration hearing shall be conducted in accordance with the American Arbitration Association Voluntary Arbitration Rules.

The expenses of arbitration, including the arbitrator's fee/costs and the expenses and costs of the arbitrator's transcript, if any, shall be borne equally by the parties. All other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expense. The parties shall be considered as either the County and the Washoe County Sheriff's Deputies Association or, if a grievant is representing himself, the County and the grievant(s). The parties recognize that assignment of authority to proceed to arbitration to the grievant does not alter recognition of the Association as the employee's representative pursuant to NRS Chapter 288.

(Revised 2-21-01)

ARTICLE 40 - SAFETY AND HEALTH ADVISORY COMMITTEE

A. The County agrees to establish a Departmental Safety and Health Advisory Committee, comprised of not more than three (3) representatives each from the County and the Association. The County shall submit to the Association and the Association to the County the names of their respective representatives within thirty (30) days of the implementation of this contract.

B. The Committee will meet at the call of any committee member or as otherwise required for the purpose of inspecting, investigating, and/or reviewing the health and safety conditions concerning bargaining unit employees.

C. The Committee or any of its representatives shall submit to the Sheriff and the Association President, reports and recommendations concerning safety and health conditions of the bargaining unit employees.

D. The Sheriff shall respond to the Committee informing it of his decision, with reasons, regarding the recommendation within thirty (30) days, or as soon thereafter as practicable.

E. If the Sheriff's decision differs from the findings of the Safety and Health Advisory Committee, and the Sheriff implements findings contrary to the Committee's, the Association may file an appeal pursuant to Article 39. "Grievance Procedure," Step 4, to determine whether the Sheriff acted arbitrarily, capriciously, or discriminatorily.

ARTICLE 41 - TRAVEL EXPENSE - PER DIEM

A. When travel status is for a period of less than twenty-four (24) hours, meals shall be reimbursed individually at the actual cost, and may not exceed eight dollars (\$8.00) for breakfast, eight dollars (\$8.00) for lunch and sixteen dollars (\$16.00) for dinner. Receipts are required for each meal, and no reimbursement is allowed without a receipt.

B. When travel status is for a period of twenty-four (24) or more hours, reimbursement for meals shall be made at the fixed daily rate of thirty-two dollars (\$32.00) per twenty-four (24) hour period. No receipts are required to obtain reimbursement.

C. In the event the County Travel Expense Policy increases meal reimbursements in excess of the above-referenced amounts, said increases shall apply to this bargaining unit.

(Revised 2-21-01)

ARTICLE 42 - PHYSICAL MAINTENANCE PROGRAM

The parties agree to institute a Physical Maintenance Program. Participation in this Program will be on a voluntary basis and the testing will occur annually.

The test and the standards utilized will be those developed by the Institute for Aerobics Research in Dallas, Texas except as provided herein. It will consist of five (5) parts: either a one (1) mile walk or one and one-half (1.5) mile run, sit and reach, one (1) minute sit-up-number, one (1) repetition maximum bench press and one (1) repetition maximum leg press. The standards for the one (1) mile walk will be those developed by Med-Tox for the County's Physical Abilities Test and the standards for the one and one-half (1.5) mile run will be the Single Standard General Population rather than those based upon age and sex.

Those employees who choose to participate in the annual testing of the Physical Maintenance Program and who achieve an average percentile score of 70 or above shall be entitled to an additional incentive pay of three percent (3%) until the annual retesting. In order to receive the additional incentive pay, an employee must achieve an average score of at least seventy percent (70%) with no individual score below the fortieth (40th) percentile. The average percentile score will be determined by using the percentiles, i.e., 40th, 50th, 60th, 70th, 80th, and 90th percentile, rather than the actual score. For example, if an employee scored an eighty-two (82) on one part, the eightieth percentile (80th) would be used for that part for computing the average.

(Revised 1-1-98)

ARTICLE 43 - PHYSICAL ABILITIES TEST

Any employee hired after December 12, 1997, including those deputies graduating from the POST

Academy on or after December 12, 1997, will be required to take and pass, on an annual basis, the four-part (4) Med-Tox Physical Abilities Test as a condition of continued employment. This test consists of hand grip; vertical jump; bend, twist and touch; and a one (1) mile walk. The one and one-half (1 ½) mile run administered as part of the Physical Maintenance Program under Article 42 may be substituted in lieu of the one (1) mile walk. Reasonable accommodations will be made for the scheduling of the annual Physical Abilities Test due to temporary injuries or medical conditions that prevent the employee from taking the test on schedule. If an employee fails to pass the annual Physical Abilities Test, he/she will be retested in six (6) months and the employee must pass this second test in order to continue being employed.
(Added 1-1-98)

Employees required to take the Physical Abilities Test, upon passing, will qualify for the payment provided pursuant to Article 42 of this agreement and will not be offered or required to take the Physical Maintenance Test provided for in Article 42.
(Revised 1-1-04)

ARTICLE 44 - REDUCTION IN FORCE - LAYOFFS

Whenever the County reduces in force or lays off any employee having permanent status because of lack of work or lack of funds, the following procedure shall be used:

A. The County shall determine in which class or classes within the bargaining unit reduction in staff will have the least detrimental effect on departmental operations and will specify the layoff accordingly. Within the bargaining unit, all nonpermanent employees shall be laid off before any permanent employees and in the following order: temporary, provisional and probationary.

B. Seniority shall be the determining factor for purposes of layoff and right to rehire. Seniority shall be defined as total service time within the bargaining unit, including all service time in higher ranking law enforcement positions within the Sheriff's Office that are outside the bargaining unit. The employee with the least seniority shall be the first to be laid off. The order of rehire shall be in reverse order of layoff with the last or most senior employee laid off being the first to be rehired. Ties in seniority shall be broken by the drawing of lots.

C. An employee laid off in one class within the bargaining unit may displace another employee in another class within the bargaining unit if the laid off employee had previously attained permanent status in the other class and there is an employee in that class with less seniority. The employee displaced shall be considered as laid off for the same reason as the person who displaced him/her.

D. An employee laid off in a higher ranking law enforcement position within the Sheriff's Department that is outside the bargaining unit shall be permitted to displace an employee within the bargaining unit having less seniority. The employee displaced shall be considered as laid off for the same reason as the person who displaced him/her.

E. All permanent employees laid off shall be placed on a reemployment list for the class in which the employee was laid off or for another class within the bargaining unit for which they meet the minimal qualifications. The reemployment list shall remain in effect for a period of two (2) years from the date of lay off. Refusal of an employee to accept an appointment to a position in a class from which he/she was laid off may result in the removal of the employee from the reemployment list.

F. The Association will be informed of any pending reduction in force layoffs at least seven (7) days prior to the official notification of employees affected thereby. The notification will include the reasons for the layoffs and the number and types of positions affected. At this time, the Association may make its views and recommendations known to the County concerning the implementation of such layoff. Employees affected shall be given thirty (30) days notice of layoff.

G. The County will cooperate with any employee who is laid off as a result of a reduction in force layoff and the State Employment Service (or equivalent agency) in determining the rights to be afforded the separated employee(s) and will inform employees of the method and procedures to follow when applying for any available benefits.

ARTICLE 45 - DISTRIBUTION OF COMPENSATION DUE A DECEASED EMPLOYEE

If an employee dies while owed compensation by the County, the parties recognize and agree that such compensation, to include wages, payment for accrued vacation leave, payment for accrued compensatory hours, payment for sick leave cash out, payment for pro-rata longevity pay, and payment for any reimbursable expenses due the employee, shall be distributed in an expedient and legal fashion pursuant to NRS 281.155.

(Revised 1-1-04)

ARTICLE 46 - SAVINGS CLAUSE

A. This Agreement is the entire agreement of the parties, terminating all prior arrangements and concluding all negotiations during the term of this Agreement. The County shall from time to time meet with the Association to discuss its views relative to the administration of this Agreement; the Association may request discussions if it wishes.

B. Should any provision of this Agreement be found to be in contravention of any Federal or State law, or by a court of competent jurisdiction, such particular provision shall be null and void, but all other provisions of this Agreement shall remain in full force and effect until otherwise cancelled or amended.

C. In the event that section B. above is affected or Chapter 288 of the Nevada Revised Statutes is amended, the County and Association Negotiating Teams will meet within thirty (30) days of such decision or passage to negotiate its ramification(s) on the current negotiated Agreement.

ARTICLE 47 - DURATION OF AGREEMENT

This Agreement shall take effect on July 1, 2005, shall continue in force through June 30, 2008, and shall be automatically renewed from year to year thereafter unless amended in accordance with Articles 34 and/or 46.

IN WITNESS WHEREOF, the County and the Association have caused this Agreement to be modified and the amendments hereto added this 13th day of December, 2005.
