COLLECTIVE BARGAINING AGREEMENT
MARIN COUNTY DEPUTY SHERIFFS' ASSOCIATION

THE COUNTY OF MARIN

July 1, 2007 – June 30, 2010

The salaries, hours, fringe benefits and working conditions set forth have been mutually agreed upon by designated bargaining representatives of the County of Marin (hereinafter called "COUNTY") and the Marin County Deputy Sheriffs' Association (hereinafter called "ASSOCIATION") and shall apply to all employees of the County working in the classifications set forth hereunder. Benefits shall apply to regular County employees only unless specifically stated for extra hire employees.

Section I: Recognition

- A. The County hereby recognizes the Association as the bargaining representative for the purpose of establishing salaries, hours, fringe benefits, and working conditions for all employees in the following bargaining unit certified by the Personnel Commission on November 9, 1970; modified on March 30, 1973, May 6, 1986, July 1, 2003; and subsequently consisting of the following job classifications in the County Sheriff's Office, the District Attorney's Office, and the Department of Health & Human Services.

Sheriff's Sergeant (0706)
Deputy Sheriff (0719)
Deputy Sheriff Trainee (0709)
Supervising District Attorney Inspector (0521)
District Attorney Inspector (0518)
Welfare Fraud Investigator (1384)
Welfare Fraud Investigator – Bilingual (1407)

- B. Both parties recognize their mutual obligation to cooperate with each other to assure maximum service of the highest quality and efficiency to the citizens of Marin County.
- C. Whenever a person is hired in any of the job classifications in this bargaining unit, the County shall notify such person that the Association is the recognized bargaining representative for employees in that classification. Both the County and the Association agree to keep duplicate originals of this agreement on file in a readily accessible location, available for inspection by any County employee or member of the public upon request.
- D. County agrees, upon written consent of the employees involved, to deduct dues, as established by the Association, from the salaries of its members. The sums so withheld shall be remitted by the County, without delay, along with a list of employees who had said dues deducted. Should any employees within the unit, with the support of the Association, engage in any strike, slowdown, or other work stoppage during the term of this agreement, the County may cease said dues deductions immediately.

Section II: Existing Laws, Regulations, and Policies

This agreement is subject to all existing laws of the State of California and the ordinances and regulations of the County of Marin. The County, the Association, and the employees affected thereby, unless otherwise specified herein, shall be entitled to all benefits conferred thereby and shall observe all obligations engendered thereby.

Section III: Discrimination

- A. No member, official, or representative of the Association, shall, in any way, suffer any type of discrimination in connection with continued employment, promotion, or otherwise by virtue of membership in or representation of the Association.
- B. The parties to this agreement agree that they shall not, in any manner, discriminate against any person whatsoever because of sex, race, color, ancestry, religious creed, national origin, physical or mental disability, medical condition, age, marital status, the taking of family and medical leave per the Family Medical Leave Act (FMLA) or pregnancy disability leave, sexual orientation, political opinions or affiliations, gender identity, and any other factor unrelated to job performance.

Section IV: Bargaining

In connection with contract negotiations, unless otherwise agreed, each bargaining committee will not exceed six (6) persons. Employee members of the Association's bargaining and negotiating committee will be allowed to absent themselves from duties for reasonable periods of time, without loss of pay, for the purpose of participating in contract negotiations.

Section V: Notification

- A. The County shall provide the Association with five (5) working days' notice prior to any final action by appropriate authority on any matter relating to salaries, hours, working conditions, and/or fringe benefits of employees included within this agreement.
- B. The County shall regularly provide the Association with a copy of each monthly personnel listing that contains the names of all employees in the bargaining unit, dates of employment, classifications, and rates of pay.

Section VI: Hours of Work

- A. The standard work week for employees covered by this agreement shall consist of forty (40) hours of work in any seven (7) consecutive calendar-day period. An employee may request and the department head, at his/her discretion, may approve an alternate work schedule. All work schedules will be in compliance with the overtime provision of the Fair Labor Standards Act (FLSA).
- B. Provision shall be made for the usual and customary meal arrangement.
- C. All employees shall be assigned to work shifts with regular starting and quitting times. Seven (7) calendar days prior to the first of each calendar month, the work schedule for that month for all employees shall be posted in a prominent place at the regular place of

reporting for work. Except in cases deemed to be an emergency by the department head involved, employees will be given one calendar week's written notice prior to any change in their work schedule. For the purpose of this subsection, "emergency" shall be defined as an unforeseen, unusual occurrence or a combination of unusual circumstances, which calls for immediate order or remedy to prevent injury or loss to persons or property, including disaster, riot, criminal disorder, war, or concerted civil unrest but not including shortage of staff due to foreseeable illness, disability leave, retirement, or general lack of staff due to unfilled vacancies.

- D. It is mutually understood that the Sheriff may unilaterally modify or terminate alternate work schedules with notice as provided above.

Section VII: Administration

- A. The Association may, by written notice to the Director of Human Resources, designate three of its members within the representation unit as Association representatives. The workload of Association representatives shall be reduced to permit each to devote an average of 175 hours per year of working time to Association activities. In all cases, representatives shall secure permission from their supervisors before leaving a work assignment. Such permission shall not be unreasonably withheld.
- B. Authorized representatives of the Association shall be allowed to post Association notices in compliance with Personnel Management Regulation (PMR) 4 and any modifications thereto.
- C. Association representatives may discuss with an employee a grievance or complaint; make inquiries in order to obtain relevant information related to a grievance, including discussions with supervisors, other employees or other management; assist employees in preparation for, or represent employees in the appeal and review steps of the grievance procedure or in arbitration; attend meetings with supervisors or other management officials with respect to grievance adjustments, consult or generally discuss items related to wages, hours, working conditions, and matters mutually agreed upon; prepare for meetings mutually agreed upon by the County and the Association to be scheduled for conferral or other purposes; and any other matters reasonably related to union business, by mutual agreement between the parties.

When an employee representative is conducting business as defined above, the representative will request permission of his/her immediate supervisor in reasonable advance of any meeting, advising the supervisor of his/her destination and when he/she expects to return. Such request will be granted by the supervisor unless work processes require the presence of the employee at that time. Upon returning to his/her duty station, the employee representative will notify his/her supervisor. Upon arriving at the work place of an employee to be represented, the employee representative will normally be permitted to contact the employee. The represented employee also shall be required to request permission for time off in reasonable advance of any meeting. To the maximum extent possible, interviews between representatives and the employees will be held away from other employees and away from the public. If the employee representative is not permitted to contact the employee at the immediate time of arrival at the work place, the supervisor or designee, upon request, will advise the employee representative the reason why he/she cannot do so and the time the employee will be available. All Association

activities shall be conducted in such a manner so as not to disrupt the work activities of the employees involved.

Section VIII: Health & Safety

County shall comply with all applicable State and County safety regulations and shall furnish to employees, as needed, all safety equipment required therein. When required, in the opinion of the department head, the following riot clothing will be issued, without charge, to Sheriff's Office employees:

- One (1) face shield for the helmet
- One (1) jump suit with proper identification patches
- One (1) pair riot gloves
- One (1) pair riot boots
- One (1) turtle neck sweater

Section IX: Equipment Provided

A. The County shall provide all equipment it deems essential, or which is required by law, to complete assigned duties as follows:

- | | |
|---|------------------------------|
| Ammunition | Magazines (x3) |
| Ear protectors (upon request) | Duty flashlight |
| Handcuffs | Handcuff case |
| Riot type helmet (with face shield) | Duty holster |
| Duty weapon | Plastic cuffs (upon request) |
| Raincoat | Rain pants |
| Duty belt | Duty belt key holder |
| Belt keepers (4) | CPR assistance kits |
| OC spray and holder | |
| Concealable ballistic vest certified by the National Institute of Justice (NIJ) | |

B. All equipment provided by the County shall remain the property of the County.

C. The County will notify the Association prior to the purchase of safety equipment regularly used in the course of assigned duties. The Association may submit recommendations for specifications with regard to such equipment. The County will consider such recommendations but not be bound by them in making purchases of such equipment.

Section X: Leaves of Absence

A. Prior Approval.

All leaves of absence without pay shall be subject to prior approval of the affected department head and in compliance with PMR 44 and any modifications thereto.

B. Preservation of Rights.

Regular employees who are absent from duty on an authorized leave of absence shall not lose any rights accrued at the time the leave is granted.

C. Leave Without Pay.

In order for an employee to be granted leave without pay in cases other than sick leave, the employee shall first use all leave accruals including vacation and compensatory time off. In cases of prolonged sickness, prior to granting leave without pay, all leave accruals, including sick leave, vacation, and compensatory time off, are to be exhausted.

D. Extended Illness.

The granting of leave with pay in cases of extended illness of long-term County employees will not be a condition afforded within the terms of this contract.

E. Jury Duty.

Regular employees summoned for jury duty while on duty shall be deemed to be on special paid leave for the duration of their jury duty and shall receive their regular salary. Any amount received as jury fees for such service shall be waived or returned to the County. Regular employees may retain any expense reimbursement.

F. Promotional Examinations.

Regular employees shall be allowed special leave with pay, during regular working hours, to take merit system promotional examinations scheduled by the County of Marin.

Section XI: Reinstatement Following Reduction-in-Force

The reduction in force and reappointment procedures between the County of Marin and Association are agreed to and established as follows:

A. Order of Layoff.

1. Layoffs and/or reduction in force shall be made by classification under an appointing authority. A classification is defined as a position or number of positions having the same title, job description, and salary. Extra-hire employees shall be laid off before probationary employees, and probationary employees shall be laid off before permanent employees in the affected classification. In effecting the preceding order, part-time, permanent employees with more seniority can displace a full-time, permanent employee. Employees in lower-level classes underfilling the affected classification will be laid off first.
2. If two (2) or more employees within a classification have achieved permanent status, such employees will be laid off or reduced on the following basis:
 - a. Seniority within the affected classification will be determinative. Such seniority shall include time served in higher classification(s). The computation of seniority

for part-time employees will be credited on a pro rata basis to full-time service. Time spent on leave of absence without pay does not count toward seniority.

- b. If the seniority of two (2) or more employees in the affected classification or higher classification(s) is equal, departmental seniority shall be determinative.
 - c. If all of the above factors are equal, the date permanent status in County service is achieved shall be determinative.
 - d. If all of the above are equal, date of certification for appointment shall be determinative.
3. The break in service of an employee who is reinstated pursuant to Section G shall not be counted as County service.

B. Exceptions.

Notwithstanding the foregoing, if the appointing authority determines that the public interest will not be served by application of the above criteria, the appointing authority may depart therefrom on the basis of a clearly demonstrable superiority in performance and/or qualifications. In such case, the appointing authority shall notify the employee to be laid off, in writing, specifying the basis for such determination in detail. The employee may have five (5) working days thereafter to appeal the determination to the Personnel Commission who shall hold a hearing within fifteen (15) days after receipt of the appeal and who shall thereafter make a decision within five (5) days, and that decision shall be final.

C. Bumping.

An employee designated to be laid off may bump into a class at the same salary level within the same department or into the next lower classification within the same department in which such employee has previously held status in such classification with the County. An employee who is bumped shall be laid off in the same manner as an employee whose position is abolished.

D. Transfer.

All efforts will be made by the County Department of Human Resources to transfer any employee who is to be affected by the reduction in force to another vacant position for which such employee may qualify. The length of eligibility for such transfer will be the period of notifications provided in Section F but not longer than the effective date of such layoff or reduction.

E. Re-employment Following Reduction in Force.

1. Individuals who have been laid off or demoted shall be offered reappointment to the same classification in which they held status in the order of seniority in the classification. Individuals demoted in lieu of reduction in force shall be offered restoration to the highest class in which they held status and in which there is a vacancy prior to the appointment of individuals who have been laid off.

2. Each person who has been laid off or demoted in lieu of a layoff from a position the person held, shall, in writing, be offered reappointment in the same classification in the same department should a vacancy occur in the classification within one (1) year after the layoff or demotion.
3. Should the person not accept the reappointment within seven (7) calendar days after the date of the offer, or should the person decline or be unable to begin work within two (2) weeks after the date of acceptance of the offer, the person shall be considered unavailable for employment, shall forfeit the right to re-employment, and shall be removed from the re-employment list.
4. Whenever a person is unavailable for re-employment, the next senior person who is eligible on the department re-employment list shall be offered re-employment in the same manner and under the same conditions as in Subsection 1 above.
5. Should there be no person on the department re-employment list eligible and available for re-employment, the position shall be filled by the countywide re-employment list for the same classification. The Human Resources Department shall certify up to five (5) of the remaining eligible persons in order of seniority in the classification from the countywide re-employment list for selection by the appointing authority. The countywide re-employment list shall consist of the names of all individuals laid off or demoted in order of seniority by classification irrespective of department.
6. Persons selected from the countywide re-employment list shall have their names removed from the department re-employment list for classification in which they were re-employed. Should there be no persons on the re-employment list eligible or available for re-employment, vacancies shall be filled from an appropriate eligible list.
7. Employees reappointed to the same department under the provision above will not be required to complete a new probationary period if they had previously held permanent status in the classification. Employees reappointed to a new department following a reduction in force shall be required to complete a new probationary period in the new department. Employees who had not completed their probationary period shall serve the remainder of the probationary period upon reappointment. Period increase dates shall be controlled by PMR 48 and any modifications thereto.
8. Employees restored to previously held positions shall be deemed to have returned from a leave of absence for the purpose of all rights and benefits legally permissible.

F. Notice to Employees and Recognized Employee Organizations.

Regular employees designated for layoff or demotion shall be notified in writing at least four (4) calendar weeks prior to the anticipated date of termination or demotion. The Association shall also be so notified.

Section XII: Overtime and Call Back

Regular employees shall be paid for all overtime worked no later than the second paycheck following performance of the work at one and one-half (1.5) time rates, subject to the following limitations, conditions, and authorizations:

A. Overtime Defined.

Overtime is time worked beyond the number of hours per day equaling the normally scheduled workday or is time worked on holidays other than regular days off.

B. Overtime Rounded to Nearest Half Hour.

Overtime shall be compensated to the nearest half hour.

C. Overtime Records.

Overtime payments shall be based on time records maintained as may be required by County and shall be open to review by Association. A copy of said record shall be sent to each employee upon request.

D. Overtime Approval.

The affected department heads shall be responsible for the approval of all overtime, and they shall formulate procedures for the administration thereof as they deem necessary.

E. Overtime Sign-Up.

Requests and offers for overtime must be posted at all stations and places of work assignments. Deputies working in the area where the overtime is to occur will have the first offer for that duty. Exceptions shall be SDO coverage.

F. Sergeants' Overtime Sign-Up.

Sergeants are eligible for special overtime assignments and outside contract details. Special overtime assignments and outside contract details shall not include any performance of regular sergeant duties and activities during regularly assigned duty shifts. Special overtime compensation for sergeants shall be paid at one and one half times the top step salary rate of the Deputy Sheriff classification, unless the overtime assignment specifically requests a Sergeant's position, in which case the prohibition against performing regularly assigned supervisory duties shall not apply. The rate of compensation under those circumstances shall be one and one-half times the participating sergeant's current rate of pay.

G. Compensatory Time.

No employee shall accrue more than eighty four (84) hours of compensatory time in any one fiscal year. No employee shall accumulate more than one hundred twenty (120) hours of overall compensatory time without specific approval of the Board of Supervisors. Where an employee opts for compensatory time, one and one-half hours of compensatory time shall be credited for each hour of overtime worked.

H. Compensatory Days Off.

In addition to the current policy, Deputy Sheriffs shall be allowed to give fifteen (15) days' notice of intended compensatory time off. The Sheriff's Department shall be responsible

for covering that shift. The advance notice shall not exceed forty-five (45) days. Deputies are allowed no more than two (2) consecutive days off under this Agreement.

This shall be on a first-come-first-serve basis. This Agreement shall not interfere with compensatory time off used in conjunction with annual vacation time. No more than one deputy per shift shall be allowed to take time off under this agreement.

For purposes of requests for compensatory time off, the parties agree that the following days shall constitute days for which no compensatory time off will be approved.

Fourth of July
Thanksgiving
Christmas
New Year's Eve

I. Call Back.

Any regular employee who has departed from his/her work location and is called back to work is guaranteed a minimum of four (4) hours' compensation at the applicable (overtime) rate unless the overtime work immediately precedes the employee's regular shift.

J. Call Back Due to Duty Assignment.

Any regular employee who is subject to being called back to work, either because of their regular duty assignment, i.e., Investigations Division Detective, or specialty collateral duty, i.e., SRT Member, HNT Member, Dive Team Member, etc., and who is ordered to report to work as a result of that regular or specialty assignment, is guaranteed a minimum of four (4) hours' compensation at the applicable (overtime) rate, providing the employee is in fact called back and has responded to that directive to return to work, subject to the limitations described above.

For the purpose of this section, "responded" means an employee has either responded to the requested location and/or is en route to such location.

K. Standby.

Any regular employee who is required by written order of the affected department head or designee to remain on immediate call shall receive one and one-half hours' compensation for each eight-hour shift. Any standby orders shall remain in effect until canceled by the Sheriff or Undersheriff or designee.

L. Court Appearance Standby.

If a court appearance is canceled after 1600 hours the day before the officer's regularly scheduled duty time, two (2) hours of compensation will be paid at the overtime rate. If the court appearance is scheduled on the officer's regular day off, it must be canceled by 1600 hours the work day before (Monday-Friday) and in accordance with the Department's agreed upon system, or the officer is to be compensated with three (3) hours of pay at the overtime rate.

M. Meals.

Excluding court call-back time, if a regular employee is required to work four (4) consecutive hours over time and as a result thereof, is unable to partake of a meal in the employee's customary fashion, County shall provide a reasonable meal, or in lieu thereof, the cost of the meal not in excess of the normal costs specified in Administrative Regulation No. 1, for each four- (4) hour period worked, outside the employee's regular working hours. The time necessary to consume such a meal shall be deemed time worked.

Section XIII: Rest Periods

Under normal conditions, the work schedule of all employees shall provide a fifteen- (15) minute rest period during each four-hour period.

Section XIV: Vacations

Vacation credit shall be expressed and accrued at the hourly rates indicated.

A. Accrual Rates.

Effective the first pay period in January of 2008, each regular employee shall be entitled to annual vacation credit on the basis of regular hours worked in continuous service in accordance with the following schedule.

Hours of Service	Years of Service	Maximum Working Days	Maximum Hourly Accrual	Maximum Accrual Hours
2,080	1	10	.0385	80
6,240	3	12	.0462	96
10,400	5	15	.0577	120
20,800	10	20	.0770	160
41,600	20	25	.0962	200
62,400	30	30	.1154	240

B. Vacation After Six Months.

If convenient, the department head shall authorize vacations up to the number of hours actually accrued after six (6) months (1,040 hours) of continuous employment.

C. Unused Vacation Time.

Effective the first pay period in January of 2008, accumulated, unused vacation time shall not exceed thirty-eight (38) days (304 regular hours) per employee. Thereafter, the additional accumulation shall be suspended unless otherwise approved in advance by the County Administrator, in the County Administrator's sole discretion, in cases where such is beneficial to County.

D. Holiday and Sickness During Vacation.

When a holiday falls within an employee's vacation period, one additional day's vacation shall be granted. If an employee becomes ill while on vacation, the time of actual illness may be charged against accumulated sick leave, subject to sick leave requirements.

E. Vacation Payment at Termination.

A person who resigns, retires, is laid off, or discharged, and who has earned vacation time on record, shall be paid for the vacation as of the effective date of the termination except that no payment shall be made to any employee who has been employed less than six (6) continuous months (1,040 regular hours).

F. Regular Days Off.

Regular days off that fall immediately before or after an employee's annual vacation period shall be considered a part of that annual vacation period. The employee shall enjoy the same protections against call back, standby, on call, or forced overtime during those scheduled regular days off as he/she does during the annual vacation period itself.

Section XV: Sick Leave

Additional information regarding leave may be referenced in PMR 44, not incorporated herein.

A. General.

1. Each regular full-time employee's sick leave under the biweekly payroll system shall be accrued at the hourly rate of .0462.
2. Unused sick leave shall be accumulated without limit.
3. Sick leave with pay up to a total number of working days accumulated shall be granted by the department head in case of bona fide illness or bona fide injury of employee. The Association recognizes the County's right to require the employee to provide an acceptable physician's certificate at any time in order to continue sick leave or as a requirement of returning to work.
4. After the third occasion within the fiscal year an employee claims sick leave on the day immediately before or after his regular days off or before or after a holiday off, the time off shall be considered to be vacation time, or leave without pay if there is no vacation accrued, unless an acceptable physician's certificate verifying the illness is submitted to the County.

B. Bereavement.

Leave with pay up to forty (40) consecutive working hours within one fiscal year shall be granted by the department head or his/her designee to be used by the employee in case of the death of a mother, father, spouse, domestic partner, sister, brother, son or daughter of a regular employee. If the bereavement leave ends during an employee's alternate work schedule shift, the employee may continue leave using other accrued leave balances through the end of that regularly-scheduled shift. Bereavement leave in case of death of other persons whose death is a matter of concern to the employee may be granted upon approval of the County Administrator. Bereavement leave shall be charged against the employee's accumulated sick leave.

C. Exceptions.

Sick leave with pay shall not be granted for illness or for an injury attributable to an outside occupation for which workers' compensation benefits are available and engagement therein has not been authorized.

D. Industrial Accidents.

In cases of work-related illness or injury, the employee shall receive full pay for a period not to exceed one year, in accordance with Labor Code Section 4850, without charge against sick leave provided the County determines that:

1. The illness or injury is, in fact, work related.
2. Time off work is warranted.
3. The duration of the time off work is warranted.

If the work related disability continues beyond the one-year period, accumulated sick leave shall be applied to time off work in a proportionate amount which when added to workers' compensation benefits will provide total compensation equal to the employee's regular wage or salary. Upon exhaustion of accumulated sick leave, accrued vacation time may be applied in the same manner.

Compensation shall continue until the employee returns to work, all accruals are exhausted, or it is medically determined that there is a permanent disability which precludes return to regular duties, whichever occurs first.

E. No Smoking Policy Implementation.

The parties acknowledge that smoking presents health risks for employees and for the County that the parties agree should be addressed. To that end, the County will be implementing a "No Smoking" policy. The parties agree to meet and confer on the impacts and effects of such a policy at the time of implementation.

F. Parental Leave.

Employees may use up to forty (40) consecutive working hours within one (1) fiscal year of vacation, sick leave, or compensatory time off when his/her child is born.

G. Family Sick Leave.

A formal grievance can only be initiated by completing and filing with the Human Resources Department a Grievance Form provided by the Human Resources Department for this purpose. The form must contain:
 - a. Name(s) of grievant;
 - b. Class Title(s);
 - c. Department(s);
 - d. Mailing address(es);
 - e. A clear statement of the nature of the grievance (citing applicable ordinance, rule or regulation, or contract language);
 - f. The date upon which the event giving rise to the alleged grievance occurred;

- g. The date upon which the informal discussion with the supervisor took place;
 - h. A proposed solution to the grievance;
 - i. The date of execution of the grievance form;
 - j. The signature of the grievant; and
 - k. The name of the organization, if any, representing the grievant followed by the signature of the organization's representative.
2. Resolution Process_

After filing the Grievance Form with Human Resources, the process for resolving the grievance is as follows:

a. Step 1:

Within three (3) calendar weeks after a formal grievance is filed, the department head will investigate the grievance, confer with the grievant in an attempt to resolve the grievance, and make a decision in writing.

b. Step 2:

- 1) If the grievance is not resolved in step 1 to the satisfaction of the grievant, he or she may, within not more than five (5) working days from his/her receipt of the department head's decision, request consideration of the grievance by the County Administrator by so notifying the Human Resources Department in writing.
- 2) Within fourteen (14) calendar days after such notification, the County Administrator will begin the process of investigating the grievance, confer with persons affected and their representatives to the extent he or she deems necessary, and render a decision in writing within fourteen (14) calendar days of the conclusion of the hearing or findings of fact.
- 3) If the written decision of the County Administrator resolves the grievance to the satisfaction of the grievant and the County, it will bind the County, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.
- 4) If the written decision of the County Administrator is likely to not resolve the grievance to the satisfaction of the grievant, he/she will advise the grievant, in writing, of the decision and the alternatives under Step 3, should the grievant choose to proceed further.

c. Step 3:

A final consideration of the grievance to step 3 may be filed in writing with the Human Resources Department not more than seven (7) calendar days from receipt

of the County Administrator's decision. The grievant may, to the extent provided below, select either Alternative A or Alternative B as the final appeal step.

- 1) Alternative A. The grievance will be determined by the Personnel Commission. The decision of the Commission will be made in writing within sixty (60) calendar days after the filing of the appeal at step 3, and will be final and binding on all parties, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.
- 2) Alternative B. The grievance will be determined by an arbitrator selected by mutual agreement between the County and the grievant, provided that:
 - a) The County and the grievant agree on the issues to be arbitrated, or
 - b) The grievance pertains to the specific terms of an existing collective bargaining agreement.

The decision will be final and binding on all parties, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.

Both parties will endeavor to submit the grievance to the arbitrator within sixty (60) calendar days after filing of the appeal to step 3.

- 3) Mandatory Settlement Conference. Prior to a hearing before the Personnel Commission or an arbitrator, the parties will participate in a mandatory settlement conference in an attempt to resolve the grievance. All discussions in the settlement conference are confidential and may not be used in any subsequent hearing/arbitration or dispute resolution process.

D. Limitations in Decision of Personnel Commission or Arbitrator (Hearing Officer(s))

1. The Hearing Officer(s) will neither add to, detract from, nor modify the language of the collective bargaining agreement or of departmental rules and regulations in considering any issue properly before them.
2. The hearing officer(s) will expressly confine themselves to the precise issues raised by the grievance and submitted to them and will have no authority to consider any other issue not so submitted.
3. Any monetary award in favor of the grievant is limited to lost wages suffered measured from the date of the grievance forward. In no event will the Hearing Officer(s) award any other type of monetary award, including, but not limited to attorneys' fees.

E. General Conditions.

1. The Human Resources Department will act as a central repository for all grievance records.
2. Any time limit may be extended only by mutual agreement in writing.

3. An aggrieved employee may be represented by any person or organization certified to represent a majority of employees in a representation unit in which an aggrieved employee is included and is entitled to be present at all formal meetings, conferences, and hearings pertaining to the grievance.
4. All expenses of arbitration will be shared equally by the County and the grievant.
5. Failure on the part of the County or the grievant to appear in any case before the Personnel Commission or an arbitrator without good cause will result in forfeiture of the case and responsibility for payment of all costs of arbitration or the Personnel Commission.
6. The grievant's signature is required at each step of the grievance procedure.
7. A copy of the grievance will be provided to the department head at each step of the grievance procedure.
8. There will be no amendments of a grievance without the approval of both parties in writing.
9. Mediation may be used by both parties to assist them in resolving grievances. The decision to utilize mediation will be voluntary. Mediation may be held at any time prior to submission of the final appeal under step 3 of the grievance procedure. If mediation is used, it will be voluntary only.

Section XXXIII: Fair Labor Standards Act (FLSA)

The County agrees to meet with the Association to discuss the FLSA if a violation of the Act exists.

Section XXXIV: Shooting Range Assignment

Range hours and days will be staggered in such a manner as to allow deputies to shoot while on duty whenever possible. Supervisors are responsible for ensuring, as prudent and reasonable, that personnel assigned to their shift are afforded reasonable time during their regularly assigned work period to attend range training during that regularly assigned shift.

Should it become necessary for an employee to attend range training outside their normally scheduled shift in order to maintain minimum firearms qualifications required by Department policy, two- (2) hours of overtime compensation shall be paid, irrespective of travel time required to attend the range or time spent at the range. That two (2) hour overtime compensation will, however, only be paid up to the maximum number of annual range qualifications required by Department policy. Any range qualifications made in excess of the minimum number of qualifications required by Department policy shall not be eligible for overtime compensation.

Section XXXV: Discrimination Complaint Procedure

The County and Association agree that the Discrimination Complaint Procedure as specified in PMR 21 and any modifications thereto is hereby incorporated under this Agreement and is binding on all parties hereto.

Section XXXVI: Waiver Clause

The parties acknowledge that, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter pertaining to or covered by this Agreement, notwithstanding any other provisions of law to the contrary. Nothing in this section shall restrict the County's right to make changes to the County Personnel Management Regulation (PMRs) in accordance with any applicable requirements of the law.

Section XXXVII: Severability

If any article or section of this Agreement shall be held to be invalid by operation of law, or by any tribunal of competent jurisdiction, or if compliance with or any enforcement of article or section should be restrained by such tribunal, the remainder of this Agreement shall be not affected thereby, and the parties shall, if possible, enter into collective bargaining negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such article or section.

Section XXXVIII: Term

This agreement shall be in effect from July 1, 2007 through June 30, 2010. It shall continue in effect thereafter from year to year unless either party gives (one hundred twenty) 120 days notice prior to June 30, 2010 or any yearly anniversary date thereafter to terminate or modify this agreement. Notwithstanding any of the above, continuation of this agreement after June 30, 2010 may be voided by operation of PMR 4 and any modifications thereto.

Negotiations on the changes or amendments desired shall begin as soon as possible following receipt of the notice. Every effort shall be made to complete such negotiations prior to the end of the contract term.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute the within agreement on this _____ day of _____, 2007.
