ARTICLE 3 - DEFINITIONS

3.1 Non-Application

None of the following definitions are intended to apply in the administration of the County Employees' Retirement Law of 1937 or to the County's Civil Service Ordinance nor the Rules of the Civil Service Commission.

3.2 Definitions

Approved Leave Of Absence: Any paid or unpaid absence from work that has been approved by the employee's department head.

Base Hourly Rate: The base hourly rate shall be the hourly rate corresponding to the salary step in the salary range to which the employee is assigned.

Bi-Weekly Pay Period: Fourteen (14) consecutive calendar days which begin on a Tuesday and end with the second Monday thereafter.

Break In Service: A break in employment from the County such as a termination or resignation. A break in service does not occur because an employee is on an unpaid status.

Calendar Year: January 1st through December 31st.

Compensatory Time: Time off with pay at the applicable hourly rate to which an employee is entitled, as provided for in this Memorandum, instead of cash compensation.

County: The County of Sonoma, any of its organizational unit or boards and commissions, as administratively determined by the County; may include department head, Board of Supervisors, Chief Administrative Officer or a supervisor.

Department Head: The Chief Probation Officer, District Attorney, Sheriff Coroner, Director of Human Services, Director of Fire/Emergency Services, Director of Regional Parks, or their designee.

Emergency Operations: The performance of County functions or services necessary, in the opinion of the County, to protect or preserve the lives, safety, health, or property of the County or the public it serves, but "emergency operations" shall not be construed to mean situations where the County knew in advance of non-emergency situations and could have reasonably planned for any work schedule change necessary to adequately cope with the situation.

Employee: Any person legally employed by the County and a member of the bargaining unit represented by the Association.

Employee Full-Time: An employee who is employed in an allocated position which is regularly scheduled for eighty (80) hours of work in each pay period.

Employee Part-Time: An employee who is employed in an allocated position which requires work each pay period, but less than that required of a full-time employee.

Exempt Employee: An employee who is not covered by the provisions of the Fair Labor Standards Act (FLSA).

Extra-Help Employees: As defined in the Civil Service Rules and not represented by this bargaining unit.

Flex-Time Work Schedule: A non-regular work schedule with or without a consistent pattern as to the number of work hours per day or week, but an arrangement whereby the employee is obligated to perform work and be responsible for flexing the hours of his/her own work schedule. Employees assigned to a flex-time work schedule will be eligible for overtime only when the hours worked exceed eighty (80) in a pay period or as otherwise required by law.

Hours Worked: All time spent by the employee while the employee is engaged in duties or activities required by the County and pursued necessarily and primarily for the benefit of the County. For the non-exempt employee, hours worked shall also include all hours that the County knows or has reason to know that work is being performed.

Non-Exempt Employee: An employee designated by the County to be covered by the provisions of the Fair Labor Standards Act.

Pay Status: Whenever an employee is at work, absent on a paid holiday, absent on leave with pay, or absent on authorized compensatory time off.

Probationary Employee: An employee who is serving a probationary period as provided in the Civil Service Rules.

Probationary Period: A period which is used for the adjustment and evaluation of a newly appointed or reassigned employee as provided for in the Civil Service Rules.

Regular Rate of Pay: Defined in the Fair Labor Standards Act and used for computing statutory overtime for the non-exempt employee. It is calculated by taking the employee's base hourly rate times the number of hours worked in a given work period plus the total of all standby compensation and any special assignment premiums due to the employee in the work period divided by the number of hours worked in the work period.

Regular Work Period: The determination by the County of the fixed regularly recurring work period used for the determination of statutory overtime. For non-sworn, non-exempt employees the regular work period is seven (7) consecutive days which currently begins at 12:01 a.m. Tuesday morning. For sworn, non-exempt employees the regular work period is currently fourteen (14) consecutive days which coincides with the County's bi-weekly pay period.

Regular Work Schedule: The determination by the County of an employee's specific work days, work weeks, work periods, and work shifts, established on a regular, ongoing basis.

Regular Work Day: A 24-hour period containing a specified number of hours of work and normally interrupted by a meal break.

Salary: Means only wages and premiums, but does not include benefits such as insurance, vehicle use, paid leaves, overtime, shift differential or other economic benefits.

Salary Range: The salary level for any given classification. The salary range shall consist of nine salary steps, each approximately 2-1/2% apart and identified with the letter "A" through "I". Each salary range shall be identified by a number that shall correspond with the cents per hour of the "A" step of that salary range. Similarly, each step of the salary range shall be expressed in cents per hour.

Statutory Overtime: Overtime that is required by FLSA. Currently, for the non-sworn, non-exempt employee it is all hours worked in excess of 40 in a regular 7 day work period. For the sworn, non-exempt employee, it is all hours worked in excess of 86 in a regular 14 day work period.

Work Shift: The hours which an employee is scheduled to work within a regular workday.

3.3 Fair Labor Standards Act Not Incorporated

The provisions of the Fair Labor Standards Act are not hereby incorporated into this contract by the mention of the statute.

ARTICLE 4 - MANAGEMENT RIGHTS

4.1 Retention of Rights

The Association recognizes that the County has and will continue to retain in all respects, whether exercised or not, the unilateral and exclusive right to operate, administer, and manage its public services and its work force performing those services.

4.2 Non-Grievability of Decision Making Authority

The County has and will continue to retain exclusive decision-making authority on matters not expressly modified by specific provisions of this Memorandum except as provided by this Memorandum. Such decision-making shall not in any way, be subject to the grievance procedure provided in Article 31.

4.3 Exclusive Rights

The exclusive rights of the County shall include, but not be limited to, the right to determine the organization of County government and the purpose and mission of its constituent agencies; to set standards of service to be offered to the public, and through its management officials to exercise control and discretion over its organization and operations; to establish and enforce administrative regulations and work rules in addition to and not inconsistent with the specific provisions of this Memorandum of Understanding; to direct its employees; to take disciplinary action; to relieve its employees from duty because their positions are abolished, or whenever necessary because of lack of work or lack of funds, or under conditions where continued work would be ineffective or non-productive; to determine whether goods or services shall be made, purchased or contracted for; to determine the methods, means and personnel by which the County's services are to be provided, purchased or contracted including the right to schedule and assign work and overtime; and to otherwise act in the interest of efficient service to the County and the public.

4.4 Contracting-Out

The County agrees to meet and confer, upon request of the Association, over the impact to employees of any decision by the County to contract-out significant bargaining unit work to a non-County enterprise or agency. The decision to contract-out such work shall not be subject to meet and confer.

ARTICLE 5 - ASSOCIATION RIGHTS

5.1 Bulletin Boards

County will furnish reasonable bulletin board space measuring no less than 36 x 48 inches. Bulletin boards shall be located in mutually acceptable areas and shall, when reasonably possible, be out of plain view of the public. All materials to be posted on said boards shall be in good taste and strictly impersonal in nature and limited to the legitimate business of the Association. Prior to posting, all material shall be plainly and legibly initialed by an authorized representative of the Association.

5.2 Communications

The County's interdepartmental messenger service may be used for individual business-oriented communication between employees who are represented by the Association and between the paid staff of the Association and such employees, provided that paid staff of the Association shall pick up and deliver all written communications outside the County's normal distribution route. Association understands that the continuance or discontinuance of the interdepartmental messenger service is a matter within sole discretion of the County.

5.3 Work Access

Authorized non-employee Association representatives will be given access to work locations during working hours to investigate and process grievances or post bulletins on the bulletin board(s) without unreasonable interference with employee work. The Association shall give the department head and

the Employee Relations Manager a written list of such authorized Association Representatives. Only those people whose name appears on the current list shall be granted access under this provision.

5.4 Dues Check Off

The County agrees to deduct all Association dues, insurance premiums and assessments from the pay of those employees who have authorized in writing to the County that such deduction is made. The amounts deducted shall be remitted promptly to the Association or its designee, with an alphabetical list of the employees from whom deducted.

5.5 Successor Memorandum Procedures

The County and the Association will strive to arrive at mutually agreeable ground rules to cover any element of the meet and confer process for a successor Memorandum of Understanding. Reasonable release time shall be granted to Association representatives for purposes of meeting and conferring toward a successor MOU. Release time shall be afforded for a maximum of nine (9) representatives in successor MOU negotiations for purposes of time spent in meeting and conferring.

5.6 Non-Discrimination

The County will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Memorandum of Understanding because of representation by the Association or legitimate union activity, as provided in this Memorandum on behalf of the members of the two bargaining units covered by this Memorandum.

5.7 Time for Association Activities

The County and the Association agree to the primary principle that the Association activities will normally be carried on outside of employee working hours. It is further recognized that there are reasonable limited deviations from this policy such as posting of Association notices and distribution of information which do not require substantial amounts of time. Where such activities cannot reasonably be performed except during scheduled working hours, and where such activities are performed without disruption of employee work performance, they are authorized and may be done without loss of pay to the employees involved.

5.8 Paid Leave "Pool"

- a. Upon request, the County will grant Association paid leave to Association representative(s) to attend to Association business when such business would conflict with the work schedule of an employee representative(s). "Association business" shall mean Association Executive Board meetings, conventions, seminars or other Association events, all of which must be related to employer-employee relations and involving matters solely pertaining to the bargaining units covered by this Memorandum of Understanding. The total number of hours of Association paid leave will be 400 hours per fiscal year during the term of this Memorandum and be available for

use as a pool of hours, all to be used by Association representatives, other than the President. Association representatives must contact the Association office to request such paid leave. Additional release hours beyond the annual pool of paid Association leave hours may be granted by the County for Association business on an unpaid leave basis or by the employee representative requesting use of accrued vacation and/or compensatory time off. The County shall not unreasonably deny a request for paid Association business leave or unpaid leave, vacation and/or compensatory time off for Association business unless the County determines the number of Association representatives requesting time off for Association business would create an undue hardship on operational effectiveness, including excessive overtime costs to replace the absent Association representative(s). Upon request, the Association can roll over up to a maximum of 100 unused paid leave pool hours from one fiscal year to the next.

b. Full-Time President's Release Time

The Association agrees to pay for the full-time release (2,080 hours + 30% benefits costs) of its current elected President. Up to a maximum of 500 of the 2,080 hours of release time may be donated voluntarily by represented employees, on a form agreed to by the parties.

5.9 Representation Assistance

Except as otherwise modified by a specific provision of this Memorandum of Understanding, Association employee and non-employee representatives shall have the right to represent or assist employees covered by this Memorandum of Understanding before the Board of Supervisors, the Civil Service Commission, grievance meetings with County management under the Grievance Procedure of this Memorandum of Understanding or other meetings with County management mutually agreed to in advance.

5.10 Use of County Facilities

Upon request of the Association, the County may provide use of County facilities outside of working hours, provided such space is available and the Association complies with all departmental and Board of Supervisors rules and policies for use of County facilities. The request for use of facilities shall be made in advance to the County and indicate the date, time and purpose of the meeting and facilities needed.

5.11 Data-Run - All Employees in Units

At the Association's request, the County will provide the Association with a data run of the names, class titles, and departments of all employees within the four bargaining units covered by this Memorandum of Understanding. The Association recognizes and respects the legal right of each employee to the employee's privacy and agrees not to use any information obtained pursuant to this Memorandum of Understanding or to allow others to use the information for commercial gain, nor in any manner that would violate those rights. With respect to this promise, the Association agrees to indemnify, defend and hold harmless the County, its officers, employees, and agents, from any claim, liability, or damage arising from the Association's breach of its duty under this Article 5.11.

5.12 Data Run - New Employees in Units

The County shall, once per month, make available to the Association President a list of the names, home addresses (where the employee so authorizes the release to the County and the Association), and work locations of all newly hired employees. The President of the Association, or designee, shall be entitled to contact all newly hired employees for the purpose of providing the employee with an Association brochure and other information about the Association. These activities will be conducted on the President's and the newly hired employee's own time. Upon request, the Association may be authorized to make this contact with newly hired employees at a departmental orientation period if the County agrees that such contacts will not interfere or detract from the purpose of the departmental orientation process.

5.13 Board Agenda

The County will arrange to transmit or make available to the Association President, or designee, two copies each week of the Board of Supervisors' regular public meeting agenda in advance of the regular Board meeting. The County will also continue to transmit or make available to the Association President, or designee, two copies of the regular Civil Service Commission agenda and classification studies scheduled on that agenda pertaining to classifications represented by the Association in advance of the Commission meeting.

ARTICLE 6 - EMPLOYEE RIGHTS

6.1 Personal Property Reimbursement

Upon recommendation of the department head, the County, in accordance with Government Code Section 53240, shall provide for payment of the costs of replacing or repairing property or prosthesis of an employee, such as eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried by the employee when any such items are lost or damaged in the line of duty without negligence by employee. If the items are damaged beyond repair, the actual value of such items may be paid. The value of such items shall be determined as of the time of the loss thereof or damage thereto in accordance with the Personal Property Claims Guide as provided by Board of Supervisors Resolution No. 56420, dated January 18, 1977. Nothing in this section shall be construed to impose an obligation on the parties beyond that which is required under state law.

8.7 Joint Recommendation to Civil Service Commission

The County would oppose during the term of this Memorandum a change in Civil Service Commission Rules that would eliminate such an appeal regarding an employee's removal from a specialty assignment during the guarantee period as provided in Article 8.4. The Association, on its own behalf and on behalf of the employees covered under this Memorandum, will oppose the application of any existing Civil Service Commission Rule to permit an employee to appeal to the Commission his or her removal from a specialty assignment during a time other than the guarantee period in Article 8.4. The Civil Service Commission agreed March 7, 1990 to continue to serve as an appeals body for an employee who appeals removal from a specialty assignment under the provision of Article 8.4, Specialty Assignment Guarantee Period, above, by extending the effective date of CSC Rule 8.7(D) until after June 18, 2007.

Each licensed employee shall be responsible for any possessory interest tax levied against him or her. Maintenance fees may be increased by the County each July of this MOU with

The amortization period for funding the unfunded accrued actuarial liability for any past service due to the enhanced retirement programs described above has been established by SCERA to be twenty (20) years.

12.5 3% at 60 Enhanced Retirement Program

Effective June 22, 2004, the "3% at 60" enhanced retirement program will be available to represented employees who are contributing General members of SCERA, with the understanding that the County will work with all other organizations representing General member employees, to implement this option prospectively on the same date. Both parties understand that State law

requires that the “3% at 60” benefit be implemented for all General members on the same date.

On the above date, represented General members of SCERA will begin contributing an additional 3.03% of any compensation from which retirement deductions are required to be made under the 1937 Act to their employee retirement account. This additional contribution shall be deducted from the employees' compensation pretax and shall become part of the accumulated retirement contributions of the employees. This contribution to defray the cost of the unfunded accrued actuarial liability for any past service due to the enhanced retirement programs will continue unless modified by a subsequent agreement between the County and the SCLEA. The amortization period for funding the unfunded accrued actuarial liability for any past service due to the enhanced retirement program described above has been established by SCERA to be twenty (20) years. Represented employees also will pay a pretax statutory contribution of approximately 1% to 1.25%, contingent upon age of entry into the retirement system. Additionally on this date, one percent (1%) of the employer-paid deferred compensation (457) contribution will cease and will be re-directed during this twenty-year (20) period to pay one percent (1%) of the normal retirement cost going forward. Additional savings from the County Health Plan revisions (.27%) is also directed to fund the normal cost above.

ARTICLE 13 - DIRECT DEPOSIT

The County will continue to make a deposit of a participating employee's pay check directly to a single bank or savings and loan checking account or credit union share draft account. The effective date of deposit will be one day after the regularly scheduled date of payroll issue.

ARTICLE 14 - HOURS AND OVERTIME

14.1 Application

This article is intended only as a basis for outlining standards for hours of work, work schedules and a basis for calculating overtime payments. Hours specified under Types of Employment indicate a commitment by the County to the normal maximum hours each employee is to be regularly scheduled, as long as there is sufficient work.

14.2 Types of Employment

Full Time: An allocated position which is regularly scheduled for eighty (80) hours of work in a bi-weekly pay period.

Part Time: An allocated position which is regularly scheduled for less than eighty (80) hours of work in a bi-weekly pay period.

Extra Help: A non-allocated assignment of duties which is defined in the Civil Service Rules.

14.3 Work Schedules

The County reserves the right to establish and modify work schedules consistent with this Memorandum.

14.4 Flex-Time Schedule

The County reserves the right to utilize a flex-time schedule. Employees assigned to a flex-time schedule will be eligible for overtime only when the hours worked exceed eighty (80) in a pay period or as otherwise required by law. The County reserves the right to discontinue the flex-time schedule and reassign an employee to a normal daily work schedule based on the operational needs of the department.

14.5 Posting of Work Schedules

For the convenience of employees, work schedules will be posted in advance.

14.6 Work Schedule Change

The County reserves the right to establish and modify individual work schedules. Except in cases where emergency operations require less notice, a notice of change in an individual's work schedule arising from other than transfer or promotion shall be given to the affected employee not less than seven (7) calendar days prior to the effective date of the schedule change. Failure to give the seven (7) day notice to a full-time employee shall entitle the affected employee to overtime compensation for all hours actually worked on the new schedule until seven (7) calendar days notice is given. If any full-time employee has been given seven (7) calendar days advance notice of a shift change and the shift change results in the employee doubling back to work the new shift after leaving the work site, all hours worked on the new shift within the employee's same work day as the former shift will be paid at the employee's base rate, not at overtime, except as otherwise required by law. Part-time employees shall not be paid overtime for changes in schedule unless it results in an employee working over a normal work shift (8 or 10 or more hours) in a regular workday or over eighty (80) hours in a pay period. The term "emergency operations" shall be construed to mean the performance of County functions or services necessary, in the opinion of the County, to protect or preserve the lives, safety, health, or property of the County or the public it serves, but "emergency operations" shall not be construed to mean situations where the County knew in advance of non-emergency situations and could have reasonably planned for any work schedule change necessary to adequately cope with the situation.

14.7 Statutory Overtime for the Non-Exempt Employee

Overtime for the non-exempt employee is divided into statutory overtime and non-statutory overtime. Statutory overtime is overtime that is required by law. Statutory overtime for the *sworn, non-exempt employee* is defined as all hours worked in excess of eighty-six (86) hours in a 14-day work period (which currently coincides with the pay period).

14.8 Non-Statutory Overtime

Non-statutory overtime for the *non-sworn, non-exempt employee* is defined as hours in pay status in excess of 40 hours in a 7-day work period. For the *sworn, non-exempt employee* and for the *exempt employee*, non-statutory overtime is defined as hours in pay status in excess of eighty (80) in a regular 14-day work period. Non-statutory overtime for all employees is also defined as hours in pay

status in excess of the normal full-time daily work shift established by the department head or any other circumstance except Article 14.6 where overtime pay is provided in this Memorandum.

14.9 Assignment of Overtime

A department head may require and authorize an employee to work overtime if such overtime is essential to the continuing efficient operation of the department in which the employee works. No employee shall work overtime unless authorized by the employee's designated supervisor.

14.10 Overtime Earned

Overtime shall be earned at the rate of one and one-half (1-1/2) hours for each one (1) hour of overtime worked.

Non-exempt employees shall first be compensated for statutory overtime in cash at the employee's regular rate of pay. The employee assigned to overtime shall make a choice whether to be compensated in cash or in compensatory time until a maximum of forty (40) hours of compensatory time have been accrued. The department head in each County department has the right to specify how an employee will be compensated for overtime after (40) hours of compensatory time have been accumulated and until a maximum of eighty (80) hours of compensatory time have been accumulated. When eighty (80) hours of compensatory time are accumulated, the department will compensate the employee in cash for any additional overtime worked.
- b. Notwithstanding the language in 14.11.a. above, the department head may require overtime worked to relieve compensatory time off to be paid in cash.

14.12 Approval for Compensatory Time Off

No employee shall take compensatory time off without prior approval of the employee's department head. The department head shall attempt to schedule such time off at the time agreeable to the employee.

14.13 Requests for Compensatory Time Payments

Each employee may request payment for any or all of the employee's current balance of compensatory time off with the employee's normal pay for any pay period.

14.14 Compensatory Time Payment at Separation

Each employee who is separated from County service shall be entitled to payment for accrued compensatory time at the employee's base hourly rate at the time of the employee's separation.

14.15 Half-Time Pay Provision

If overtime compensation causes an employee's total regular hours in a pay period to be less than the employee's ongoing schedule then the overtime hours shall be compensated at straight time and the employee shall receive half-time compensation at the base hourly rate in cash or in compensatory time off, in accordance with 14.11.

14.16 Overtime Not Cumulative

Overtime eligibility provisions are not cumulative. An employee shall not be entitled to multiple overtime compensation even though more than one overtime condition in this Memorandum may apply.

14.17 Non-Applicability of FLSA

In the event FLSA is rendered inapplicable to the County, either by legislative or judicial action, then the County shall, from the effective date of such action, consider all overtime as non-statutory and assign all employees to a fourteen-day (14) regular work period.

14.18 Shift Bidding - Detention

- a. The County will maintain the existing shift bidding policy during the term of this agreement. Association grievances concerning the interpretation, application or alleged violation of 14.18.a. are subject to the grievance procedure under Article 31 of this MOU.
- b. Any individual grievance concerning the interpretation, application or alleged violation of the shift bidding policy shall be subject only to the Departmental Grievance Procedure as set forth in this MOU; and any such individual grievance is hereby expressly excluded from the Grievance Procedure as set forth in Article 31 of this MOU.

Every effort shall be made to arrange vacation schedules so that each employee will take as much vacation in each year as accrues to the employee in that year. Each employee's vacation time may be so divided as the needs of the service require or permit. No employee may take vacation without advance approval of the department head. No employee may take vacation leave in advance of that actually accumulated at the time such leave is taken.

ARTICLE 22 - SICK LEAVE AND FAMILY LEAVE

22.1 Accrual

Each full-time employee shall accrue and accumulate sick leave at the rate of 3.680 in-service hours for each completed eighty-hour pay period of service. In-service hours include all hours in pay status, excluding overtime. This accrual rate shall be adjusted to reflect any unpaid time in each pay period. Part-time employees shall be eligible to receive sick leave on a pro-rata basis. Usage and accrual of said benefits shall be governed by the same rules and regulations applicable to full-time employees.

22.2 Sick Leave Use

Earned sick leave credits may, with the approval of the department head, be used by the employee:

- a. During the employee's own incapacity due to illness or injury.
- b. During the time needed by the employee to undergo medical or dental treatment or examination.
- c. During a pregnancy leave in which the female employee is incapacitated due to the imminent or actual birth of a child.
- d. When a child, stepchild, spouse or spouse's parent, or domestic partner, being a member of the employee's household or a person for whom the employee is entitled to a Federal Income Tax Dependent exemption, or the employee's parent, is incapacitated by illness or injury and it is necessary for the employee to care for such child, stepchild, spouse, parent of the employee or spouse, or domestic partner ("Parent" for purposes of this section is defined as biological, foster, or adoptive parent, step parent, a legal guardian or other person who stood in loco parentis to the employee when the employee was a child. A biological or legal relationship is not necessary for a person to have stood in loco parentis to the employee as a child.) Sick leave under this paragraph (d) shall not exceed forty-eight (48) hours per occurrence unless extended by joint action of the employee's department head and the Director of Personnel by reason of exceptional hardships.

22.3 Documentation

A signed affirmation for sick leave may be required for each use of such sick leave. Reasonable medical evidence of incapacity may be required for sick leave use of forty-eight (48) hours or less duration, and shall be required for sick leave use of more than forty-eight (48) hours duration.

22.4 Sick Leave Conversion

Employees with sick leave balances may convert to cash or compensatory time:

Hours of Sick Leave Used	Maximum Hours of Conversion
0 to 8.0	24.0
8.01 to 12.0	22.0

16.01 to 24.0	16.0
24.01 to 30.0	14.0
30.01 to 36.0	12.0
36.01 to 40.0	8.0
40.01 or more	None

A balance of eighty (80) hours sick leave must remain in accrual after conversion. Measurement of use is based on the twenty-six (26) pay periods paid in the prior calendar year. Conversion shall be

exercised during the second pay period in January of each calendar year, and shall be based on the sick leave balance at the end of the first full pay period of the preceding December. The employee must be in pay status or on an approved leave during the second pay period in January to exercise this option.

22.5 Sick Leave Payoff/Conversion at Retirement

a. Sick Leave Payoff

Each employee who separates from County service voluntarily or by non-duty related death, lay-off, or retirement for reason other than disability, shall be entitled to payment of the monetary equivalent of twenty-five percent (25%) of all unused sick leave remaining to such employee's credit as of the time of separation, computed on the basis of such employee's base hourly pay.

b. Sick Leave Conversion at Retirement

Each employee who separates from County service on retirement only shall have the option of converting one hundred percent (100%) of all unused sick leave remaining at the time of retirement to retirement service credit as provided by Government Code Section 31641.03. This benefit will be implemented by the Board of Supervisors through an amending ordinance to include eligible employees in the bargaining units represented in this Memorandum of Understanding under the provisions of Ordinance 3807.

The provisions of this section shall not be used in conjunction with Section 22.5.a. (Sick Leave Payoff) of this MOU.

22.6 Sick Leave Payoff at Disability Retirement

Each employee separated from County service by retirement for disability or duty -related death shall be entitled to payment at such employee's base hourly rate for all unused sick leave remaining to such employee's credit as of the time of separation or duty-related death.

22.7 Family Leave

A full-time or part-time employee with at least one (1) year of County service and 1,250 hours of service during the previous 12-month period may request up to twelve (12) work-weeks of Family Care Leave (Leave Without Pay) within a 12-month period. In some circumstances, an extra-help employee may be eligible for Family Care Leave. Reason for the leave may be the birth or adoption of a child or the placement of a foster child (within one (1) year of the event) or the serious illness of a child, spouse or parent. Child is defined as a biological, adopted or foster child, stepchild, legal ward or child of a person standing in loco parentis who is under eighteen (18) years of age or an adult dependent child. "Spouse" is defined as a partner in marriage as defined in Civil Code Section 4100. "Parent" is defined as a biological, foster or adoptive parent, stepparent or legal guardian (does not include a parent-in-law). If both parents are County employees, the aggregate family care leave may be limited to twelve (12) work-weeks during any 12-month period. This limitation does not apply to leave taken

by one spouse to care for the other, to care for a seriously ill child or for the employee's own illness. Under those circumstances, each of the employees would be entitled to twelve (12) weeks of Family Care Leave.

The appointing authority shall grant such Leave Without Pay in addition to the paid sick leave provided for in Article 22.2 upon submission of reasonable documentation. An employee may request to use accrued vacation and comp time as part of the leave but no accrued sick leave can be required as part of the leave, except in the case of the employee's own serious health condition. The County shall continue its contribution towards the health plan premium for up to twelve (12) workweeks of the leave. Thereafter, the employee must pay the total benefit premium if the employee desires to continue insurance coverage under Article 18.9. Nothing in this section shall preclude the use of medical or pregnancy leave in Article 18.10 when the employee is medically incapacitated or disabled. Family Care Leave is a separate leave from a Maternity Leave.

If the event necessitating the leave becomes known to the employee *more than* thirty (30) calendar days prior to the employee's need for the leave, the employee shall provide thirty (30) days written advance notice to the appointing authority. If the event becomes known to the employee *less than* thirty (30) days prior to the employee's need for a leave, the employee shall provide as much written advance notice as possible, and, at a minimum, a written notice *no less than* five (5) working days from learning of the event. If the event necessitating the leave is an emergency or is otherwise unforeseeable, the employee shall provide as much written advance notice as possible. If the leave is for a planned medical treatment, the employee must make a reasonable effort to schedule the treatment to avoid disruption of departmental operations.

This policy summarizes California law regarding Family Leave as provided in Government Code, Section 12945.2.

ARTICLE 23 - COMPASSIONATE LEAVE

With respect to this article, the term "spouse" shall also include domestic partner. A full-time or part-time employee may be granted up to three (3) of the employee's regular work days of leave with pay, in the event of death of the employee's spouse, child, stepchild, son-in-law, daughter-in-law, brother, brother-in-law, sister, sister-in-law, grandparent, great-grandparent, grandchild or person with whom the employee has a relationship of in loco parentis, and the mother or father of the employee or of the spouse of the employee. Where travel in excess of 300 miles one way from the employee's residence is required, up to an additional two (2) of the employee's regular workdays of sick leave may be used to supplement compassionate leave.

ARTICLE 24 - NON-DUTY COURT LEAVE

These provisions do not apply to an employee whose appearances are in the line of duty. A full-time or part-time employee is entitled to a leave of absence with pay at the employee's base hourly rate to respond to an enforceable subpoena to appear in a court or administrative agency hearing in California other than as

a litigant and for reasons other than those caused by the employee's connivance or misconduct. An employee may retain such payment as may be allowed the employee for lodging, meals and travel, but as a condition for entitlement to this Court Leave, the employee shall make payable to the County of Sonoma any and all fees which the employee may receive as payment for the service as a witness. An employee on Court Leave will receive the employee's base hourly rate of pay for those hours spent traveling to and from the court or administrative agency hearing and the hours spent attending to the employee's obligation as a witness so long as those hours correspond to the employee's assigned work schedule. Time spent as a witness or travel time which are outside the employee's assigned work schedule shall not be paid. If an employee's obligation as a witness expires on any workday with time remaining on the employee's work schedule, the employee will be obligated to return to work.

ARTICLE 25 - JURY DUTY

It is the policy of the County of Sonoma that County employees be encouraged to perform service as jurors when summoned for jury duty by a court of competent jurisdiction. Any employee summoned for jury duty shall be entitled to a leave of absence with full pay for such period of time as may be required to attend the court in response to such summons. An employee may retain such payment as may be allowed for travel but shall make payable to the County of Sonoma any and all fees which the employee may receive in payment for service as a juror.

ARTICLE 26 - NO BREAK IN SERVICE

No absence under any paid leave provision of this Memorandum shall be considered as a break in service for any employee who is in pay status during each absence. All benefits which, under the provisions of the Memorandum, accrue to employees who are in pay status shall continue to accrue during such absence. A break in service is defined as occurring upon resignation or termination.

ARTICLE 27 - VOTING

When an employee's actual work schedule prevents the employee from voting in any State, County or General election, then the employee may be granted paid time off duty to vote.

ARTICLE 28 - EMPLOYMENT IN MORE THAN ONE POSITION

Except for working elections as provided by resolution of the Board of Supervisors, no person employed in a full-time position with the County of Sonoma may be employed by the County of Sonoma in any other full-time, part-time or extra-help position, nor shall any person be employed by the County in two (2) or more part-time or extra-help positions which will, in combination, provide for more than eighty (80) hours of regularly scheduled work in any one bi-weekly pay period.

ARTICLE 29 - STAFF DEVELOPMENT

The County and Association agree that the County retains full authority to determine training needs, resources that can be made available, and the method of payment for training authorized by the County. Nothing in this section shall preclude the right of an employee to request specific training.

29.1 Tuition and Textbook Reimbursement

Full-time and part-time employees in permanently allocated positions are eligible for Tuition and Textbook Reimbursement. An employee may request reimbursement for expenses associated with a course(s), including related travel, meals and lodging, or departmental promotional materials approved by the department head. When an employee requests reimbursement for a course, satisfactory completion must be demonstrated. In addition, with department head approval, an employee may request reimbursement for the following purposes: fee payment for professional

licenses or certifications which are required for employment in the employee's classification; membership fees in professional or technical organizations which are directly related to the employee's current classification; directly related professional or technical journals; cassettes; books; video tapes; educational or reference material in a digital format, i.e., CD-ROM or diskette, that would be installed on a personal computer excluding commercial application software and programs, which are directly related to the employee's current classification. Software shall not be loaded on County equipment without conformance with County computer policies.

No reimbursement shall be authorized for employees who receive or are authorized to receive tuition reimbursement from another source. Full-time employees may receive reimbursement under this provision for expenses up to \$400 in any one fiscal year. Effective the first pay period in March 2005 the eligible reimbursement amount is increased to \$450; effective the first pay period in March 2007 the eligible reimbursement amount is increased to \$500 for any one fiscal year. Part-time employees may receive reimbursement under this provision for expenses up to \$200 in any one fiscal year. Effective the first pay period in March 2005, the eligible reimbursement amount is increased to \$225; effective the first pay period in March 2007, the eligible reimbursement amount is increased to \$250 in any one fiscal year. Such requests shall be limited to expenses totaling *not less than* \$40; at the end of the fiscal year, any claims which do not meet the \$40 minimum, will be accepted for payment. All requests for reimbursement must be submitted by the fiscal year deadline, as determined by Risk Management.

Each full-time employee may roll over a maximum of \$200 each fiscal year and each part-time employee may roll over a maximum of \$125 each fiscal year.

29.2 Educational Expenses for Supervisory Units

In accordance with the provisions in Section 29.1 above, each full-time supervisory employee shall be entitled to \$490 in each fiscal year; effective the first pay period in March 2005, the eligible reimbursement amount is increased to \$540; effective the first pay period in March 2007, the eligible reimbursement amount is increased to \$590 in any one fiscal year. Each part-time supervisory employee shall be entitled to \$265; effective the first pay period in March 2005, the eligible reimbursement amount is increased to \$290; effective the first pay period in March 2007, the eligible

reimbursement amount is increased to \$315 in each fiscal year. This amount may be used for the purposes described in 29.1 above, and additionally for costs of books or travel, registration, meals and lodging for seminars and conferences which are directly related to the employee's present job. Each full-time employee may roll over a maximum of \$200 each fiscal year and each part-time employee may roll over a maximum of \$125 each fiscal year.

29.3 Combined Use - Staff Development and Physical Fitness/Examination

- a. Full-time and part-time non-supervisory employees may apply up to the total Physical Fitness and Examination (Article 30) reimbursement amount per fiscal year for Staff Development reimbursement (as described in Article 29.1 above).
- b. Full-time and part-time supervisory employees may apply up to the total Physical Fitness and Examination (Article 30) reimbursement amount per fiscal year for Staff Development reimbursement (Articles 29.2 above).

Staff Development reimbursement funds may not be applied to costs related to Physical Fitness and Examination, Article 30, for which the maximum reimbursement is \$350.

ARTICLE 30 - PHYSICAL FITNESS AND EXAMINATION

The County and the Association agree to maintain the physical fitness program for all employees covered by this Memorandum. The County will make available \$350 per year for each eligible full-time employee and \$175 per year for each eligible part-time employee who participates in the program. The amounts specified above shall be disbursed in accordance with the standards of the program, as modified by this Memorandum. Each eligible employee shall affirm in writing on a form mutually agreed upon that the employee will use the annual allowance for the following:

1. To purchase membership or admittance in a health club or physical fitness facility and programs/services provided, to pursue a regular, meaningful program of personal physical fitness improvement or to maintain a good to high standard of personal physical health.
2. Reimbursement for wellness testing, smoking cessation, stress reduction and weight reduction programs, not covered or offered in an employee's County health plan. Membership fees are approved for program cost reimbursement; purchase of products and literature are *not* approved.
3. To share voluntarily in the costs of equipment and equipment maintenance for the workout rooms in Sheriffs' Department facilities, for Sheriffs' Department employees only. A joint labor-management committee will be created to oversee the equipment purchase and maintenance. All equipment becomes the property of the Sheriffs' Department. An eligible employee can contribute \$50 or more from his/her physical fitness budget. It is the intent of this Article 30 that employee enrollment in the physical fitness program shall be voluntary for eligible employees.

ARTICLE 31 - GRIEVANCE PROCEDURE

31.1 Purpose

The County and Association agree to this Grievance Procedure in order to provide an orderly procedure to resolve employee grievances promptly. This procedure shall become available for grievances which occur after the Board of Supervisors adopts a resolution implementing this Memorandum.

Appendix B contains the Departmental Grievance Procedure, used for complaints concerning alleged violations or misapplications of one or more written departmental policies.

31.2 Definitions

- a. A grievance is a claim by an employee, a group of employees, or the Association on behalf of an employee(s), concerning the interpretation, application or an alleged violation of an expressed provision of this Memorandum. All other complaints are specifically excluded from this procedure including but not limited to, complaints which arise from the following: all disciplinary actions; all matters concerning employment examinations; all other matters subject to the jurisdiction of the Civil Service Commission; performance review appraisals or denial of a merit increase, except as provided in Article 7.19; provisions of the Fair Labor Standards Act; and any provision of this Memorandum specifically identified as not grievable.
- b. "Day" shall mean regular County business days, Monday through Friday, 8 a.m. to 5 p.m.
- c. A "grievant" shall mean an employee, a group of employees or the Association who in good faith has an actual grievance with the County over a grievable matter as defined in 31.2 above. The Association may file a grievance without naming an individual employee in the grievance provided the grievance alleges a violation of a right or benefit granted the Association under Article 5 of this Memorandum.

31.3 Representation

At any step of the grievance procedure, the employee may represent him/herself, or may be represented by an Association representative who may be a County employee or a non-County employee.

31.4 Initiation Deadline

The grievance must be initiated within ten (10) days from the date of the action or occurrence-giving rise to the grievance, or within ten (10) days of when the grievant knew of or could have reasonably discovered such action or occurrence.

31.5 Time Limits

Time limits specified in each step of the procedure shall be strictly observed and may only be extended by mutual agreement of the parties in writing. Failure of a grievant to observe a time limit shall terminate the grievance. Failure of the party to whom the grievance is submitted to observe the time limits shall give the grievant the right to move the grievance to the next level.

31.6 First Step

The grievance shall first be discussed on an informal basis by the grievant with the employee's immediate supervisor within ten (10) days from the date of the action causing the grievance as provided above. The immediate supervisor shall respond within ten (10) days. Every effort shall be made by the parties to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. Such discussions will be held whenever possible during the grievant's work hours.

31.7 Interest Based Intermediary Step - Optional

In the event the grievant believes the grievance has not been satisfactorily resolved, the grievant may request in writing that the County Human Resources Department participate in an effort to resolve the grievance through an interest-based, non-positional approach to problem solving.

If the employee indicates this preference in writing, the prescribed time parameters are suspended while representatives of the Association, the affected department and the Human Resources Department meet in an attempt to resolve the grievance.

If the parties agree to use an alternative process, the time parameter for resolution is twenty-one (21) days from the time it is agreed to use the alternative resolution process.

If the parties agree to suspend the optional process or the process is not successful after twenty-one (21) days, then the process will move to the Third Step (Department Head) level of this grievance procedure.

31.8 Second Step Grievance

In the event the grievant believes the grievance has not been satisfactorily resolved, the grievant shall submit the grievance in writing, with a copy to the County's Employee Relations Manager, to the immediate supervisor and the Association within five (5) days after receipt of the immediate supervisor's response. The written grievance shall:

- a. Fully describe the grievance and how the grievant is/was adversely affected by the County;
- b. Set forth the specific section(s) of this Memorandum allegedly violated;
- c. Indicate the date(s) of the incident(s) grieved; and
- d. Specify the remedy or solution to the grievance sought by the grievant.

31.9 Second Step Response

The written grievance shall be responded to in writing by the immediate supervisor within seven (7) days from the time the written grievance is received. The supervisor shall send a copy of the response to the Employee Relations Manager and to the Association. The written response shall include:

- a. A complete statement of the immediate supervisor's position and the facts upon which it is based; and
- b. The remedy or correction which has been offered, if any.

Upon receipt of the Step Two response by the Association, the Association has seven (7) days to respond and preserve its rights.

31.10 Third Step Grievance

If the grievant is not satisfied with the response at Step Two, the grievant may appeal the decision to the next higher level of supervision (identified by the department head) and to the department head, with a copy to the Employee Relations Manager, within seven (7) days after receipt of the written response at Step Two or termination of the Interest-Based Problem Resolution Process.

31.11 Third Step Response

After receiving the completed grievance appeal form, the person occupying the next higher level of supervision together with the department head, or representative, shall meet with the grievant and thoroughly discuss the grievance. The department head shall give a written decision to the grievant within fifteen (15) days after receiving the completed grievance appeal form and send a copy of the decision to the Employee Relations Manager, and to the Association.

31.12 Mediation

Prior to an arbitration hearing, the parties may mutually agree to request the assistance of a mediator from the State Conciliation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance except by written agreement of the Association and the County. In the event the grievance is not resolved, neither stipulations, admissions, settlement proposals nor concessions agreed to or offered during mediation shall be admissible in a subsequent hearing.

31.13 Arbitrable Grievances

A grievance which directly and primarily involves the application, alleged violation, or interpretation of this Memorandum, except as otherwise provided in this Memorandum, is arbitrable. If the grievance is submitted to arbitration by the Association, neither offers of settlement nor concessions for settlement made during the grievance procedure steps prior to mediation shall be admissible in arbitration.

31.14 Selection of Arbitrator

Following completion of the third step of the grievance procedure, if the grievance is subject to arbitration and remains unresolved, the Association on behalf of the grievant may request arbitration. The request for arbitration must be given to the County Counsel and the Employee Relations Manager in writing within ten (10) days of the receipt of the response from Step Three. An arbitrator may be selected by mutual agreement of the Association and County. However, should the parties fail to mutually agree on an arbitrator, they shall make a joint request of the State Conciliation Service for a list of five qualified arbitrators. The parties alternately striking names, with the first strike determined by chance, shall select the arbitrator from the list.

31.15 Arbitration Issues

The parties shall, within twenty-one (21) days following the receipt of a written request for arbitration, exchange in writing their understanding of the questions to be submitted to arbitration. Thereafter, the parties to the arbitration shall use their best efforts to exchange a written summary of the evidence they intend to offer and to reach agreement on and reduce to writing the question or

questions to be submitted to arbitration. The agreed upon question or questions, if agreement is reached, together with the exchanged summaries of evidence and a list of witnesses to be used by each side, shall be submitted to each other and the arbitrator five (5) days prior to the arbitration hearing.

31.16 Arbitrator's Authority

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of the Memorandum. He/she shall consider and make a decision with respect to only the specific issue submitted, and shall have no authority to make a decision on any other issue not so submitted. In the event the arbitrator finds a violation of this Memorandum, he/she shall fashion an appropriate remedy. The arbitrator shall have no authority to substitute his/her judgment for that of the County as to any matter within the County's discretion under this Memorandum. The decision and award of the arbitrator shall be based solely upon the evidence and arguments presented to the arbitrator by the respective parties.

31.17 Binding/Non-Binding Decision

The decision of the arbitrator rendered consistent with the terms of this Memorandum shall be binding upon the Association. To the extent that the award of the arbitrator is not in excess of \$5,000 per individual grievant, it is binding on the County. To the extent that such award exceeds \$5,000 per individual grievant, it is advisory. If within sixty (60) days of receiving notice of the decision and award requiring an expenditure in excess of \$5,000 per individual grievant, final action is not taken by the County to implement it, then the arbitrator's decision and award shall have no force or effect whatsoever as to the amount in excess of \$5,000 per individual grievant. The Association may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum. If the Association is the grievant, then the \$5,000 limit shall apply to each employee who has been identified by the Association and sustained by the arbitrator as employees directly affected by the grievance and the remedy sought and imposed.

31.18 Arbitrator's Decision Due

Unless the parties agree otherwise, the arbitrator shall render the decision in writing within thirty (30) days following the close of the hearing. The decision of the arbitrator is final. If requested by either party, the decision shall be accompanied by findings of fact and conclusions of law.

31.19 Arbitration Expenses Shared

The cost of employing the arbitrator shall be borne equally by the parties to the arbitration. All other costs such as, but not limited to, attorney's fees and witness fees shall be borne only by the party incurring that cost.

ARTICLE 32 - EMPLOYEE ASSISTANCE PROGRAM

The County and the Association agree to continue the Employee Assistance Program to assist employees who are experiencing personal problems which the employee believes may be affecting his or her job

performance. This program is available to all employees and employee participation in the Employee Assistance Program shall be voluntary, confidential, and not used for, or considered in matters relating to, performance evaluations, discipline or promotions. Employees are responsible and accountable for maintaining satisfactory, job-related standards throughout and following any participation in the Employee Assistance Program.

The County and the Association will reopen to meet and confer during the first year of this MOU regarding any proposed substantive changes to the Employee Assistance Program during the term of this MOU.

ARTICLE 33 - CLASSIFICATION INFORMATION

33.1 Copies of Classification Studies

For affected employees in the Bargaining Units covered by this Memorandum of Understanding, the County agrees to provide the Association with complete copies of all final classification studies and reports going to the Civil Service Commission at the same time or, if possible, before such agenda reports are sent to the Civil Service Commission.

33.2 Meet and Confer Obligation

Before the Board of Supervisors establishes the salary range for any new class represented by the Association, the County shall offer to meet and confer in good faith without any mediation with the Association for up to thirty (30) calendar days on an appropriate salary range for the new class.

ARTICLE 34 - LABOR/MANAGEMENT MEETINGS

34.1 Matters of Mutual Interest

The County and the Association shall meet for consultation purposes on matters of mutual interest which would serve constructive purposes to prevent or eliminate grievances or on matters affecting employee health or safety. Such meetings may be called by the Association President, or designee, and the County's Employee Relations Manager. "Consultation" shall not be construed as an obligation to "meet and confer" under the Meyers-Miliias-Brown Act.

34.2 Written Notice

Written notice of topics for discussions shall be exchanged prior to any such meeting. The meeting shall be scheduled at a time and place mutually convenient to the parties.

34.3 Participation

The number of employees who will participate in the meeting without loss of pay to the extent the meeting occurs during an employee's scheduled duty period shall be reasonably related to the subject being discussed and shall be mutually agreed upon by the County and the Association.

34.4 Joint Training on Memorandum

The parties agree to jointly present informational training on this Memorandum of Understanding to affected supervisors and managers. The details of the training shall be mutually agreed upon by the

Association and the County. The parties intend to conduct the training session(s) within ninety (90) days from the date this Memorandum is implemented by the Board of Supervisors.

34.5 Labor/Management Committees - Valley of the Moon Children's Home

The County and the Association support the creation of labor/management committees for problem solving and communication.

The parties agree to form an ad hoc committee to address local issues at the Valley of the Moon Children's Home. Such committee(s) will be comprised of no less than two (2) and no more than four (4) representatives each from management and from labor, including line and supervisory staff. An Association representative may attend meetings as a non-voting ex officio member. Committee participants have equal standing and will utilize interest-based problem solving processes whenever possible. Any Committee recommendations will be forwarded to the Division Manager and Department Head for consideration and response.

ARTICLE 35 - NO STRIKE

35.1 Full Performance of Duties

A material inducement in the County's execution of this Memorandum is the Association's representation that the employees it represents will loyally and fully perform their respective duties in an efficient manner so as to provide maximum service to the public, and that the Association will fully perform its obligation owed to the County.

35.2 Prohibited Activities

Accordingly, Association and the employees it represents agree not to engage in any prohibited activities during the term of this Memorandum, including but not limited to, work stoppages, strikes (including sympathy strikes), slowdown, sick-ins, or other such concerted activities against the County. Employees who engage in such prohibited activities may be subject to prompt and severe discipline up to and including discharge, subject to due process pursuant to the County's Civil Service Rules.

35.3 Association Responsibilities

The Association shall not be liable to the County for "wildcat" job action by the employees it represents. The Association shall use its best efforts to prevent any such "wildcat" job action and shall encourage its members, at the earliest possible time, to discontinue the job action; immediately declare in writing and delivered to the County and publicize that such job action is a violation of the Memorandum of Understanding and unauthorized; and direct its members in writing to cease such conduct and resume work.

35.4 Written Assurance

This promise by the Association is both a covenant and a condition precedent to the continuing performance by the County of any obligation whatsoever owed by the County to the Association or the employees it represents during the terms of this Memorandum. If the County is at any time

uncertain of the Association's continued performance, it may demand, and the Association will provide written assurance of its continued good faith performance of this Memorandum.

35.5 No Lockout

The County agrees that it will not cause a "lockout" of employees during the term of this Memorandum. The parties agree that the term "lockout" does not apply to a layoff consistent with the rules of the Civil Service Commission nor to job-related discipline.

ARTICLE 36 - FULL UNDERSTANDING, MODIFICATION, ACKNOWLEDGMENT

36.1 Full Understanding

This Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein.

All other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

36.2 Acknowledgment

Except as provided herein, it is agreed and understood that the parties have met and conferred in accordance with their obligations under State law and the County's Employee Relations Policy in reaching this agreement and neither party shall be obligated to meet and confer over any provision of this agreement during its term.

36.3 Meet and Confer During Term of Memorandum

- a. If the County proposes during the term of this Memorandum to adopt a policy or course of action on matters within the scope of representation as defined by State law that are not covered by this Agreement, it will provide the Association with written notice of the proposed policy or course of action and offer to meet and confer over the proposal in accordance with State law and the County's Employee Relations Policy.
- b. If the County's proposal covers one (1) or more of the following four (4) matters, the County and the Association agree to meet and confer in accordance with State and County law and with the provisions as provided below:
 1. The assignment of groups of employees to work hours, work shifts and/or work schedules. An example of such a change would be if the County proposed to change the work schedule of employees in the Sheriff's Detention Division from a 4/10 to a 5/8 schedule.
 2. The assignment of employees between departments as a result of reorganization or a change in the mission or program of the department(s) involved.
 3. The use and assignment of County vehicles and/or personal vehicles of employees for work-related purposes.

4. Providing employees with meals or snacks. An example of such a change would be if the County proposed to charge employees for the cost of meals or snacks produced or provided by the food service program in the Sheriff's Detention Division.
- c. The County will provide written notice to the Association with all relevant information it has pertaining to the proposal. The Association will have up to fifteen (15) calendar days from when it received the notice to inform the County in writing if it desires to meet and confer over the proposal. If the Association fails to notify the County within the fifteen (15) days, the County may implement the proposal without any further obligation to meet and confer with the Association. If the Association notifies the County within fifteen (15) calendar days of its desire to meet and confer, then the County and the Association shall meet and confer in good faith over the proposal and all identified impacts arising from the proposal. Unless extended by mutual written agreement of the parties, the period for meeting and conferring shall be sixty (60) calendar days from when the Association was properly notified of the proposal by the county. If an agreement is not reached by the thirty-fifth (35th) calendar day from the date the Association was notified, either party may declare an impasse by filing with the other party a written request for an impasse meeting, together with a statement of its position on all disputed issues. An impasse meeting shall then be held within two (2) calendar days, at which time the County shall present an impasse statement including the proposal that it intends to implement after the sixtieth (60th) calendar day should further discussions fail to produce an agreement. If an agreement is not reached at the impasse meeting, if the parties so agree, the dispute may be submitted to the Board of Supervisors for determination. If they do not so agree, the dispute shall be submitted to mediation. If the parties fail to agree to submit the dispute to the Board of Supervisors, and fail to resolve the dispute through mediation within ten (10) days after mediation commenced, the parties may agree to submit the dispute to "fact finding." If the parties fail to agree on "fact finding", the dispute shall be submitted to the Board of Supervisors for such action, as in its legislative discretion, deems appropriate as in the public interest, if required under the County's Employee Relations Policy. In no event shall these dispute resolution procedures be applied by either party to extend the sixtieth (60) calendar day period without mutual written consent of the parties. If the County complies with this Article, it shall be deemed to have fully satisfied its obligation to meet and confer under State and local law over the issues covered therein. Article 36.3.b(2) is not subject to the grievance procedure of this agreement (Article 31) in any way except for an allegation that the County failed to provide notice or acted before the sixty (60) day period concluded. Any ruling by an arbitrator under this Article 36.3.b(2) that is adverse to the County shall be limited to ordering the County to comply with the notice and/or time limits specified above.

36.4 Written Modifications Required

No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the Association and the County,

unless made and executed in writing by the parties, and if required, approved and implemented by the Board of Supervisors.

36.5 No Limitation on Authority of Civil Service Commission

Nothing in this Agreement shall be construed to limit or remove the existing or future jurisdiction or authority of the Civil Service Commission as provided in Ordinance No. 305-A as amended, or as provided in the Rules adopted hereunder.

36.6 Non-Precedence

The waiver of any breach, term, or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 37- ASSOCIATION SECURITY

37.1 Maintenance of Membership

Effective March 4, 2003, all employees who have Association dues deduction authorization on file with the Auditor-Controller or who may thereafter authorize in writing the deduction of Association dues, shall remain on such payroll deduction. This maintenance of membership required payroll Association dues deduction shall continue for the term of this Memorandum, except that such maintenance of membership required dues deductions shall be voided under any of the following circumstances: when an employee is removed from a classification allocated to the representative bargaining units covered under this Memorandum; consistent with applicable law, if the employee notifies the Auditor-Controller in writing to cease such dues deductions after June 18, 2007, the expiration date of the memorandum, and a successor agreement has not been concluded which continues this provision or all applicable impasse procedures concerning negotiations for such a successor agreement have been exhausted without an agreement being reached; and at any time an employee and the Association stipulate in writing to the Auditor-Controller that the employee is not to be subject to further dues deductions under this clause or any other provision of this Memorandum. The Association agrees to indemnify, defend, hold harmless, and release the County, its officers, agents and employees from any claim, liability or damage arising from this provision.

37.2 Agency Shop Service Fee

- a. Any non-supervisory employee in a classification in the non-supervisory bargaining units covered by this agreement shall as a condition of continued employment, either:
 - (1) Pay to the Association an agency shop service fee as provided below; or
 - (2) (a) Execute a written declaration that the employee is a member of a bona fide religion, body or sect which holds a conscientious objection to joining or financially supporting any public employee organization as a condition of employment; and
 - (b) Pay a sum equal to the agency shop service fee (full service fee) described below to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. Proof of such payments shall be made on

a monthly basis to the County and the Association as a condition of continued exemption from the requirement of financial support to the Association.

- b. The employee shall have, on a bi-weekly basis, a payroll deduction of the agency shop service fee or charitable contribution. The sum so deducted shall be paid to the Association or applicable charity or deposited into escrow as directed by the Association.

37.3 Separation from Unit Exception

The above provisions shall not apply during periods of separation from the eligible bargaining unit by any employee otherwise subject to those provisions but shall reapply to such employee following the return of the employee to the bargaining unit. The term "separation" includes layoffs, transfer out of the covered bargaining units by request, promotion, demotion, reclassification or for any other lawful reason, and leaves of absence, all of a duration of more than one (1) full pay period, whether paid or unpaid and for any reason, including disability.

37.4 Service Fee Choice

- a. Full service fee - Each affected employee shall have the option by affirmative written election and voluntary written waiver of all constitutional objections to pay a full service fee to the Association in an amount equal to the regular periodic dues and general assessments charged to Association members. Said payment shall entitle the full service fee payer to the same rights, level of benefits and privileges of Association membership except for the right to participate in Association elections and governance of the Association.

- b. Basic Service Fee - Each affected employee who does not affirmatively elect to pay a full service fee to the Association and who does not voluntarily waive all constitutional objections, shall pay a basic service fee to the Association in an amount calculated as described below, but, in no events, in excess of the regular periodic dues and general assessments charged to Association members.

37.5 Calculation of Basic Service Fee

- a. The basic service fee will be calculated by the Association to fairly value the collective bargaining activities, contract administration and grievance adjustment services provided. The basic service fee shall not be used for any of the following:
 - (1) Lobbying or political activity by the Association.
 - (2) Payments to affiliates by the Association.
 - (3) Social activities for Association member.
 - (4) Charitable and philanthropic activities.
 - (5) Insurance and other benefit programs for members and full service fee payers.

- b. The basic service fee shall not entitle the payer to the same rights, level of benefits and privileges as Association members or individuals electing to pay a full service fee. The Association shall fairly represent all employees covered by this agreement. However, that duty

does not require that basic fee payers obtain the same level of individual representation benefits or other benefits as Association members and full service fee payers. For example, basic service fee payers may not receive legal representation in individual disciplinary actions or civil or criminal actions brought against them as a result of acts or omissions within the course and scope of their employment. Basic fee payers will not be entitled to attorney consultation, retirement, insurance and death benefits provided only to members. The basic service fee will be calculated to fairly charge the represented employee for the representation services provided.

37.6 Advance Notice of Agency Shop Service Fee

No agency shop service fee shall be collected from any employee until the first pay period no less than thirty (30) days after the employee has received written notice sent by certified mail from the Association which includes legally adequate information concerning the calculation of the basic service fee, the services provided for a full service fee and basic service fee, a description of a reasonably prompt opportunity to challenge the amount of the basic service fee before an impartial decision-maker, and notice as to how the employee may elect to pay the full service fee, waive constitutional rights or object to the amount for the basic service fee. An escrow account shall be set up by the Association of any amounts reasonably in dispute while any challenges are pending.

37.7 Notice of New Employees

- a. The County shall provide the Association with the names and addresses of all new employees coming into the relevant bargaining units during each subsequent pay period.
- b. The names and addresses provided the Association shall be kept confidential.

37.8 Agency Shop Service Fee Collection

To the extent authorized by law, the failure of an obligated employee to pay an agency shop service fee shall be a condition of continued employment and shall be grounds for the Association to file a legal action to collect the fees due subject to the following procedures:

- a. The Association shall notify the employee (a copy to the Human Resources Department and the department head) of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance by explaining that the employee is delinquent in not tendering the agency shop service fee due, specifying the amount of the delinquency, and warning the employee that unless such fees are tendered within thirty (30) calendar days, the Association has the right to file an action to collect the sums due.
- b. If the employee fails to comply, the Association may file a legal action and the County may be notified that the employee has failed to satisfy this condition of employment.
- c. The County shall not incur any cost due to court appearances by County staff, but shall provide a written statement to the Association at their request specifying the employee's agency shop service fee obligations under this agreement.

37.9 Indemnification

The Association shall defend, indemnify, hold harmless, release and save the County, its agents and employees, from and against any and all claims, demands, suits, orders, judgments, expenses or other forms of liability arising out of or in connection with this subsection and/or any action taken or not taken by the County and/or the Association under this subsection, including, but not limited to, the collection and procedures for collection of agency shop service fees and the amount of such fees. This section shall be in addition to any other remedy available to the County under this agreement or provision of law.

37.10 Rescission of Agency Shop Provision

The implementation of the provisions of this subsection shall not prohibit or restrict an election to rescind this provision as provided by Section 3502.5 of the California Government Code.

37.11 Record-Keeping and Reporting

The Association shall comply with the financial record keeping and reporting requirements of Government Code Section 3502.5.

37.12 Association's Constitutional Obligations

- a. It is recognized that this agency shop provision affects sensitive and important political speech and association rights of County employees, which are protected by the First Amendment of the U.S. Constitution. In an effort to ensure that these rights are not infringed, this article sets forth procedures and requirements that the Association must, at a minimum, follow. Nothing in this article or any other, however, relieves the Association of taking whatever additional action may legally be required to protect the constitutional rights of employees who are subject to an agency shop service fee under this subsection. The Association also acknowledges that the law in this area is constantly evolving, and therefore, recognizes that it has an ongoing obligation to monitor relevant legal developments, including the case law on this subject, and to adapt its conduct in implementing this article as required. The Association also recognizes that it is foreseeable that the employees subject to the agency shop service fee may suffer damages if this subsection is not carried out in accordance with the First Amendment. For this reason, and others, the County has strongly encouraged and still does strongly encourage the Association to consult with competent legal counsel throughout the term of this contract over the implementation of this subsection.
- b. No employee shall be discriminated against or harassed on the basis of his or her status as a non-member. Reasonable communication regarding the Association and/or Association membership shall not be considered discrimination or harassment under this subsection.

37.13 Violation of Law

If a court finds the implementation of this subsection to be in violation of constitutional law, the Association shall have sixty (60) days to comply with the Court's order or the County may cease the collection of agency shop service fees and not condition continued employment upon the payment of agency shop service fee unless otherwise directed by the court.

ARTICLE 38 - INVALID SECTIONS

38.1 Invalid Sections

If during the term of this Memorandum, any item or portion thereof of this Memorandum is held to be invalid by operation of any applicable law, rule, regulation, or order issued by governmental authority or tribunal of competent jurisdiction, or if compliance with or enforcement of the item or portion thereof shall be restrained by any tribunal, such provision of this Memorandum shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Memorandum shall not invalidate any remaining portion which shall continue in full force and effect.

38.2 Separability

In the event of suspension or invalidation of any article or section of this Memorandum of Understanding, the parties agree, except in an emergency situation, to meet and confer within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE 39 - DISTRIBUTION OF MEMORANDUM OF UNDERSTANDING AND ENACTMENT

39.1 Distribution

The County will provide a copy of this Memorandum of Understanding to all employees covered by this Memorandum of Understanding.

39.2 Enactment

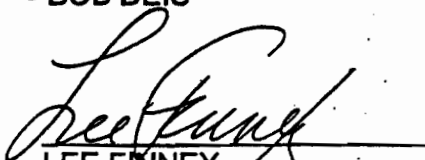

County and Association agree that any policy, procedure, rule regulation, benefit, premium pay or other form of compensation including salary that is changed or modified by the terms and conditions of this Memorandum of Understanding is hereby repealed in its entirety, and that this Memorandum is in full force and effect on the date the Board of Supervisors implements it. The below representatives agree to recommend the implementation of this Memorandum of Understanding:

APPENDIX B

DEPARTMENTAL GRIEVANCE PROCEDURE

The following grievance procedure is available to employees in the Law Enforcement and the Corrections/Probation Supervisory and Non-Supervisory bargaining units represented by the Sonoma County Law Enforcement Association.

Section 1. DEFINITIONS:

- (a) **GRIEVANCE.** A grievance is a complaint by an employee, a group of employees, or by either the Sonoma County Law Enforcement (herein after, the "Association") on behalf of an employee(s) (all herein after referred to as a "grievant") represented by the Association concerning an alleged violation or misapplication of one or more of the written departmental policies affecting an employee's terms and conditions of employment and within the scope of representation as defined by Government Code 3504 and the County's Employee Relations Policy. All other matters are excluded from the definition of grievance and from this grievance procedure, including but not limited to:
 - (1) Complaints concerning matters which are specifically covered by an existing Memorandum of Understanding (MOU) covering the grievant whether or not they are subject to any grievance or dispute resolution procedure hereunder;
 - (2) complaints, the resolution of which would require a change in or an amendment to law, ordinance, or the resolutions, rules or regulations of the Board of Supervisors;
 - (3) discrimination complaints which are subject to the County's Equal Opportunity Discrimination Complaint Procedure;
 - (4) dismissals, suspensions, and reductions in rank or compensation; and
 - (5) in addition to (4), above, all other matters appealable under the Civil Service Ordinance and/or the Rules of the Civil Service Commission.
- (b) **GRIEVANCE PROCEDURE.** This grievance procedure is the method by which a grievant may seek management action to relieve or eliminate the grievance as defined above.
- (c) **GRIEVANCE APPEALS COMMITTEE.** A Grievance Appeals Committee of three members shall be a forum for consideration of grievances. Committee members shall be composed as follows:
 - (1) One person selected by the Association representing the grievant.
 - (2) The Director of Human Resources or designee.
 - (3) The third member of the Committee shall be mutually selected by the first two Committee members chosen by the grievant and the Human Resources Director. The third member of the Committee must be so selected within ten (10) days of the day the first two members were selected. If the first two Committee members are unable to agree upon a selection, then the first two Committee members shall strike names off of a list of the current members of the County Civil Service Commission until only one name remains, who shall be the third member of the Committee. The order of striking shall be determined by a coin toss. No Committee member may be selected who is employed in

the department in which the grievant is employed. Committee members shall select a chairperson. The Human Resources Department shall provide secretarial services to the Committee. The Committee shall meet on call of its chairman and with mutual agreement, as to date and time of the meeting, among the grievant, the department head and the other Committee members. Deliberations of the Committee shall be informal, confidential and provide a full and fair hearing of the grievance and proposed solutions without formal rules of evidence or a stenographic or electronic recording of the proceedings.

- (d) DAYS. The term "days" as used in this procedure shall mean regular County business days, Mondays through Fridays, from 8 a.m. to 5 p.m., but excluding formal County holidays or weekends.

Section 2. REPRESENTATION. An employee may be represented in any step of this grievance procedure by a representative of the Association which represents the grievant as a County employee. No member of the Grievance Appeals Committee may represent the grievant.

Section 3. DISCRIMINATION. No employee shall be subjected to discrimination, coercion, restraint, or reprisal by reason of good faith utilization of this grievance procedure.

Section 4. TIME OFF. Reasonable time off without loss of regular pay from normal County work duties shall be accorded to an employee for the purpose of presenting a grievance, representing the grievant in a grievance proceeding or serving as a member of the Grievance Appeals Committee subject to the condition that before leaving the employee's usual duties the employee shall obtain the permission of the employee's immediate supervisor. Such permission shall not be unreasonably withheld.

Section 5. INFORMAL GRIEVANCE PROCEDURE. It shall be the mutual responsibility of employees and management to endeavor to resolve grievances informally at the lowest practicable level of management. To this end, the grievant shall first present the grievance to the grievant's immediate supervisor in an informal meeting within ten (10) days after the occurrence of the circumstances giving rise to the grievance or when the grievant first actually knew, or could have reasonably known of them. The grievant may request the meeting be held at any reasonable time, and the supervisor shall meet with the grievant as soon as reasonably practicable after receipt of the request. In the meeting, the grievant and the supervisor shall review the grievance. The employee shall fully and fairly explain: the alleged action or inaction by the employee's department which caused grievance; the written departmental policy allegedly violated by the department; and the remedy the grievant believes will resolve the grievance. The parties shall cooperate in seeking a resolution of the grievance. If questions beyond the scope of the supervisor's authority or knowledge are involved, the supervisor may consult the supervisor's superiors or other County officers. The supervisor shall present an informal, oral decision with supporting reasons to the grievant within ten (10) days after the meeting.

- Section 6. FORMAL GRIEVANCE PROCEDURE. An employee whose grievance is not satisfactorily resolved by the informal procedure may institute a formal grievance. The formal grievance shall conform to the following:
- (a) All formal grievances shall be in writing on the form appended to this resolution. A supply of forms shall be maintained in each department covered by this procedure and shall be readily accessible to all employees.
 - (b) Within five (5) days after receipt of the supervisor's oral decision in the informal proceeding, the grievant may file a formal grievance on the form prescribed. The grievant shall provide the necessary information called for at the top of the form and in Steps I and II of the grievance form in clearly legible writing, printing, or typing. The grievant shall file the original form with the immediate supervisor.
 - (c) The immediate supervisor shall meet with the grievant within five (5) days after filing of the grievance form for discussion of the formal grievance. The immediate supervisor shall complete "Supervisor's Decision" portion of the form and return it to the grievant within seven (7) days after their meeting. A copy of the supervisor's decision and attached grievance documents shall also be filed with the Human Resources Director.
 - (d) The grievant may appeal the decision of the immediate supervisor by completing the first part of Step III of the grievance form and filing it with the next higher level of supervision (identified by the department head) and to the grievant's department head within seven (7) days after receipt of the supervisor's decision. The functions of the department head hereunder may be performed by the department head's duly authorized representative.
 - (e) The person occupying the next higher level of supervision together with the department head, or representative, shall meet with the grievant within ten (10) days after filing of the appeal for discussion of the grievance. The grievant's department head shall complete the rest of the Step III "Department Head's Response" and return it to the employee within fifteen (15) days after such meeting. A copy of the department head's response and any attached grievance documents shall also be filed with the Human Resources Director.
 - (f) The grievant may appeal the decision of the department head by filing a written request for such appeal to the Human Resources Director within fifteen (15) days after receipt of the department head's decision. The Human Resources Director shall immediately deliver a copy of the written appeal to the grievant's department head. The grievant shall within three (3) days of filing the appeal submit to the Human Resources Director the name of the Grievance Appeals Committee member selected by the grievant or the Association. The Human Resources Director shall select a Committee member to represent the Human Resources Director and then provide assistance as necessary to select the third Committee member in accordance with the selection process in Section 1(c), above. The grievant's written appeal shall provide full details of the facts of the grievance and why the department head's response did not satisfactorily resolve the grievance.
 - (g) To the extent possible, the Grievance Appeals Committee shall schedule the appeal for hearing to occur not later than ten (10) days from the date all three members of the Committee are selected and shall forthwith notify the grievant and the grievant's department head of the time and place at which the appeal will be considered. The Committee may reach and

announce its advisory decision at the close of the hearing or it may retire and deliberate in private before announcing its advisory decision. In order to be properly reached, an advisory decision by the Committee must be agreed upon by at least two (2) members, be in writing, and show both the findings of facts and reasoning of the decision. The Committee shall deliver, with proof of service, a copy of its advisory decision to the department head, the grievant, the Association and the Human Resources Director within ten (10) days after conclusion of the hearing.

The decision of the Grievance Appeals Committee shall be advisory and not be binding on the department head. The decision of the Grievance Appeals Committee may not be appealed further through any grievance or appeal process established for Sonoma County employees.

Section 7. ADDITIONAL RULES. This grievance procedure shall be subject to the following additional rules:

- (a) The time limitations herein specified may be extended only by written consent of the grievant and the department head. In the absence of such time extension, failure by a grievant to present the grievance or to appeal a decision within the time limits prescribed shall be deemed a resolution of the grievance. Failure of the management representative to meet with the employee or render a decision within the time limits herein specified shall justify appeal to the next step in the grievance procedure.
- (b) An employee shall include all current grievances in one grievance. To the degree practicable, grievances shall not be duplicated. If several employees in a single department wish to present grievances which are the same or substantially similar, those grievances shall be joined into one.
- (c) All meeting and hearings under this procedure shall be conducted in confidential and private sessions in order to protect the confidentiality of the matters under review.
- (d) Any dispute or question as to whether a particular complaint or grievance by an employee is covered under this procedure shall not be subject to determination by the Grievance Appeals Committee.

DOMESTIC PARTNER DEFINED

The term "domestic partner" as used in the MOU is based on the definition below:

A "domestic partnership" shall exist between two persons, one of whom is an employee of the County, covered by this Memorandum of Understanding, regardless of their gender and each of them shall be the "domestic partner" of the other if they both complete, sign, and cause to be filed with the County an "Affidavit of Domestic Partnership" attesting to the following:

- a. the two parties reside together and share the common necessities of life;
- b. the two parties are not married to anyone, eighteen years or older, not related by blood closer than would bar marriage in the State of California, and mentally competent to consent to contract and are not acting under fraud or duress;
- c. the two parties declare that they are each other's sole domestic partner and they are responsible for their common welfare;
- d. the two parties agree to notify the County in writing if there is a change of circumstances attested to the affidavit; and
- e. the two parties affirm, under penalty of perjury, that the assertions in the affidavit are true to the best of their knowledge.

Termination. A member of a domestic partnership may provide notice of the end of said relationship by filing a statement with the County. In the statement, the person filing must affirm, under penalty of perjury, that 1) the partnership is terminated and 2) a copy of the termination statement has been mailed to the other partner.

New Statements of Domestic Partnership. No person who has filed an affidavit of domestic partnership may file another such affidavit until six months after a statement of termination of the previous partnership has been filed with the County. This requirement does not apply if the earlier domestic partnership ended because of the death of either partner.

AMENDED LETTER OF UNDERSTANDING
between
The County of Sonoma
and
Sonoma County Law Enforcement
Association (SCLEA)

During the recently concluded negotiations for a successor Memorandum of Understanding (MOU) between Sonoma County and the Sonoma County Law Enforcement Association (SCLEA), the parties achieved the following agreements regarding the implementation of classification changes within the County's Juvenile facilities:

1. Effective March 4, 2003, the Youth Supervisor series in the Probation Department (YS I, YS II, YS III and Probation Camp Supervisor) will be renamed "Juvenile Correctional Counselor" I, II, III, or IV.
2. The current classifications of YS I and YS II will become Juvenile Correctional Counselor I and Juvenile Correctional Counselor II with incumbent YS I's becoming Juvenile Correctional Counselor I's and incumbent YS II's who are not in a designated premium position becoming Juvenile Correctional Counselor II's.
3. Incumbent YS II's receiving a premium will be transitioned to either a Juvenile Correctional Counselor II or Juvenile Correctional Counselor III in the following manner:
 - a. The one (1) FTE YS II casework position at Camp will be reclassified to Juvenile Correctional Counselor III.
 - b. The eleven (11) FTE Probation Camp Supervisor positions at Camp will be reclassified to Juvenile Correctional Counselor III.
 - c. The five (5) FTE YS II casework positions at Sierra Youth Center will be reclassified to Juvenile Correctional Counselor III.
